PERSONALIZE YOUR NEW
LINCOLN
WITH
GENUINE LINCOLN
ACCESSORIES

Turn the page and discover a complete catalog of great choices to help you personalize your new LS, Mark LT, Navigator, Town Car or Zephyr. Engineered for a perfect fit and long-wearing durability, Genuine Lincoln Accessories are the ultimate expression of contemporary luxury. Always in good taste, our finishing touches make a bold statement of style, elegance and power. What's more, you can rely on precise professional installation at your Lincoln dealer and the backing of one of the industry's strongest limited warranties.

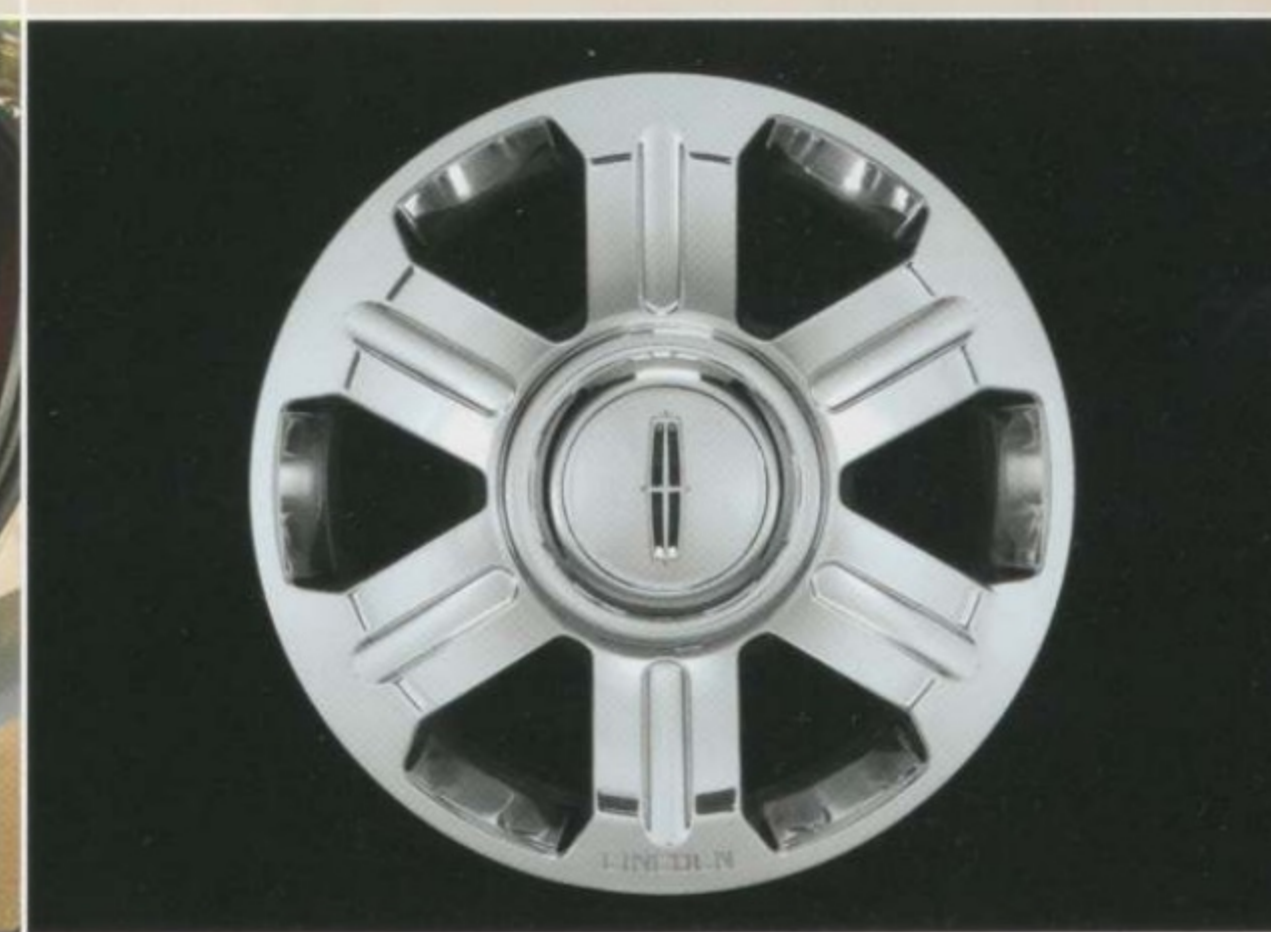

Bug Shields. Our top-selling bug shields provide protection for the edge of your hood and a stylish design. These and other exterior enhancements can be found on pages 4-7.

Vehicle Security System. On page 9, we offer products that are designed for your convenience and protection. This popular, state-of-the-art system protects your vehicle and its contents.

Trunk Cargo Organizer. One of our top-selling accessories, this organizer helps keep your personal items separated and readily accessible. For more details and additional organizing options, see page 10.

Custom Wheels. This new Mark LT 20" wheel rocks...and keeps you rolling in style. See page 10 for more information.

1. Chromed Bug Shield

Stylish chrome-finished bug shield protects the edge of your hood from bugs, small stones and other debris. Easy installation. Base Part No. **16C900**
Available for Mark LT

2. Low-Profile Bug Shield

Excellent protection for the edge of your hood. Smoke-colored to enhance any exterior color. Easy installation. Base Part No. **16C900**
Available for Mark LT

3. Styled Bug Shield

Protect the leading edge of the vehicle. Deflects road debris, stones and bugs from the front of your hood. Easy no-drill installation. Constructed of virtually unbreakable, smoke-colored GE Lexan® polycarbonate. Base Part No. **16C900**
Available for Town Car and Zephyr

4. Wraparound Bug Shield

Protect the edge of your hood from bugs, small stones and other debris. Versatile smoke color enhances any exterior color. Easy to install. Base Part No. **16C900**
Available for Navigator

5. Rear Spoilers*

Two unique designs available in select factory colors or primed (ready to paint), these spoilers are manufactured to precise original equipment specifications. Dealer installation recommended. Base Part No. **44210**
Available for LS

6. Side Window Deflectors

Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Base Part No. **18246**
Available for LS, Mark LT, Navigator and Town Car

7. Rear Roof Spoiler in Body Color*

For sporty good looks and a factory-fresh appearance. Mounts to the liftgate of the vehicle and is available in select exterior colors or primed (ready to paint). Dealer installation recommended. Base Part No. **44210**
Available for Navigator

8. Moonroof Deflector

Durable, smoke-colored acrylic deflector helps reduce wind noise while letting fresh air flow in. Installs easily. Base Part No. **500A26**
Available for LS and Navigator

*Eligible for residualization under a Ford Credit Red Carpet Lease.

9. Flat Splash Guards
Guard against mud, snow and ice. Durable splash guards are embossed with the vehicle's name or logo. Packaged in pairs for front or rear.
Base Part No. **16A550**
Available for Mark LT, Town Car and Zephyr

10. Molded Splash Guards
Deflect mud, snow and ice away from lower body panels. Heavy-duty plastic construction resists cracking. Packaged in pairs for front or rear. Town Car and Zephyr available in 4-piece sets.
Base Part No. **16A550**
Available for LS, Navigator, Town Car and Zephyr (available for Navigator on vehicles without power running boards)

11. Chromed Exhaust Tip
Slips over the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary.
Base Part No. **5K238**
Available for Navigator

12. Custom Chromed Step Bars*
Corrosion-resistant, chrome-plated aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in 5" tube diameter. Easy to install; no drilling is required.
Base Part No. **16450**
Available for Mark LT

13. Boxtop – Low-Profile Hard Tonneau Cover*
This unique, hard fiberglass tonneau cover, manufactured by LEER,™ dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure storage area. Available in colors to match or complement your vehicle, or primed (ready to paint). NOTE: if your truck has optional factory chromed bed-rail bars, they must be removed to accommodate the tonneau cover.
Base Part No. **501A42**
Available for Mark LT

14. Snapless Soft Tonneau Cover
Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. NOTE: If your truck has optional factory chrome box rail bars, they must be removed to accommodate the tonneau cover.
Base Part No. **501A42**
Available for Mark LT

15. Soft Roll-Up Tonneau Cover
Uniquely designed, matte black cover has integrated rubber seals to protect cargo against dust and moisture. Automatic tension control maintains perfect adjustment at all times. Tear-resistant, double-sided fabric uses a heavy-duty Velcro® hook and loop to keep the cover securely fixed to the side rails of your truck bed. No-drill installation.
Base Part No. **501A42**
Available for Mark LT

16. Sport Liner™
Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of the bed's retaining features such as two-tier loading and tie downs. Easy to clean.
Base Part No. **00038**
Available for Mark LT

17. Bedliner*
Conforms to the contours of the vehicle's bed. Features the Duraloc® cargo restraining system that allows the use of 2x4s to compartmentalize loads or create two-tiered stacking. Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold, mildew and corrosion. In addition, new anti-static materials have been incorporated into the mat's finish to reduce the chance of static-induced sparks.
Base Part No. **00038**
Available for Mark LT

18. Bed Extender Cargo Cage*
Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove.
Base Part No. **286A40**
Available for Mark LT

19. Trailer Hitch Balls
Available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Mark LT's hitch balls are designed with wrench flats to aid installation and removal. See your dealer or Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch.
Base Part No. **19F503**
Available for Mark LT and Navigator

20. Trailer Hitch Drawbars
Designed for 2" (5 cm) trailer hitch receivers, these drawbars can be used in the raised or dropped position to match the trailer coupler height. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Features a square tubular shank, heavy steel ball platform and a durable black powdercoat finish. Refer to your Owner's Guide for towing limitations.
Base Part No. **19A282**
Available for Mark LT and Navigator

*Eligible for residualization under a Ford Credit Red Carpet Lease.

21. Overhead Storage Bins

Mark LT comes factory-equipped with an Overhead Rail Storage System, which includes one snap-in storage bin. The advanced design of these bins allows you to add another bin by snapping it right into the Overhead Rail Storage System. No tools necessary! Available in colors to complement your vehicle.

Base Part No. **519A70**

Available for Mark LT

22. Overhead Accessories

Choose from an assortment of convenient accessories that slide right into the bin of the Overhead Rail Storage System – no tools necessary! (Bin accommodates one accessory.)

Black & Decker Dual Mini SnakeLights®

Base Part No. **13776**

DVD/CD Case

Base Part No. **13562**

First-Aid Kit (not pictured)

Base Part No. **19F515**

Black & Decker 75W DC to AC Inverter

(not pictured)

Base Part No. **15052**

Dual Sunglasses Holder (not pictured)

Base Part No. **11586**

Tissue Holder (not pictured)

Base Part No. **045C22**

All available for Mark LT

23. Overhead Rail Storage System Packages

(not pictured) Personalize your Mark LT with one of these unique packages that simply snap into the factory-installed Overhead Rail Storage System.

Touring Package:

Includes a first-aid kit, Black & Decker SnakeLights® and DVD/CD case. Two Overhead Storage Bins also come with this package.

Base Part No. **519A70**

Available for Mark LT

Mobile Theatre Package:

Includes Rear Seat Entertainment System, DVD/CD case, one storage bin, two headphones and one remote control.

Base Part No. **519A70**

Available for Mark LT

24. DVD Rear Seat Entertainment System*

Compact, all-in-one, overhead DVD unit features a 7" flip-down, 16:9, LCD screen that folds neatly into headliner when not in use. Comes with remote control and two wireless headphones. System can also play CDs, MP3s, CDRs and CDRWs. Has RCA inputs for video games, VCR or camcorder. Can also work through the vehicle's stereo when headphones are not used. Comes with vehicle-specific mounting hardware.

Base Part No. **19G323**

Available for Mark LT (without moonroof) and Navigator (with or without moonroof) (Mark LT shown; Navigator configuration varies from picture, does not come on a rail system)

25

25. Ash Cup/Coin Holder

The ash cup/coin holder is designed to fit in cup holders and includes a lid to keep ashes or spare change in place. It's constructed of a durable thermoplastic and removes easily for cleaning. The ash cup mounts to the center console.

Base Part No. **04810**

Available for Mark LT, Navigator and Zephyr

26. TripTunes™

Take your tunes on the road! Now you can connect most portable audio players (MP3, iPod®, iRiver®, ScanDisk® etc.), plus portable CD and cassette players, right to your in-dash radio. Just plug your player into the harness – a 3.5mm stereo connector provides the interface so you can listen to music through the radio's speakers and control the volume. Audio connection is housed securely in your vehicle's glovebox or center console.

Base Part No. **19C142**

Available for Mark LT

27. Mobile-Ease™

Use simple voice commands to dial your Bluetooth™-equipped wireless phone – hands free! Mobile-Ease mutes your vehicle's audio system whenever you make or receive calls and provides hands-free communication using a microphone and the vehicle's audio system. Once paired, Mobile-Ease automatically links with your Bluetooth-equipped wireless phone whenever you get in your vehicle. Visit bluetooth.letstalk.com for available Bluetooth phones.

Base Part No. **19G399**

Available for all (with compatible radio)

28. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors

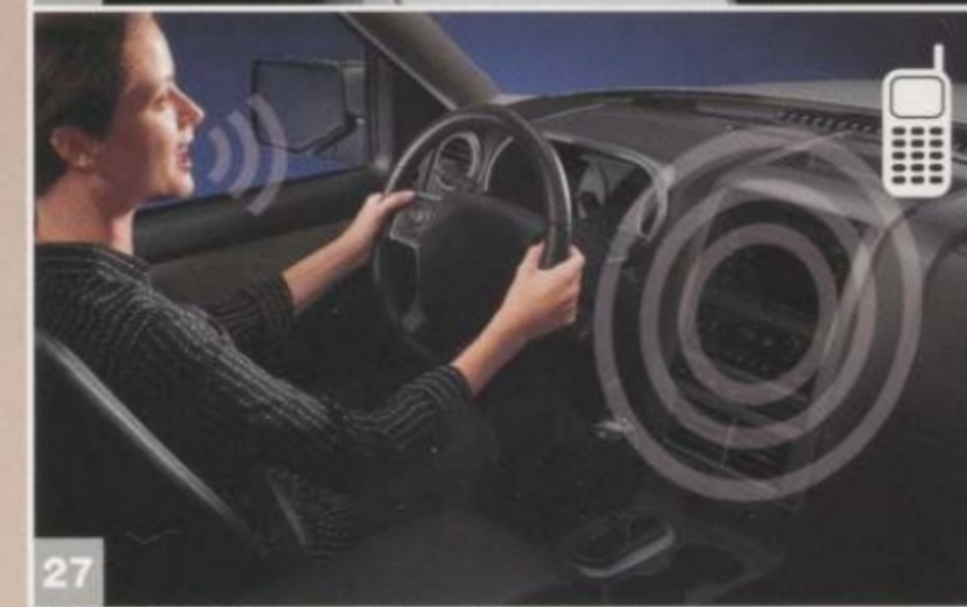

Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass. Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass. Dealer installation recommended.

Base Part No. **17700**

Available for LS

26

27

28

30

29. Vehicle Security System*

Protect your vehicle – and its contents – with a state-of-the-art security system. Two-step perimeter alarm gives a warning chirp for non-threatening impacts and a Real Panic Sound® if security is threatened. IT-S® (Interior Theft Sensor) uses infrared technology to protect the vehicle's contents. Factory-supplied transmitter remotely locks/unlocks doors and deactivates the alarm. Dome lights are activated for illuminated entry/exit. For vehicles equipped with factory keyless entry. Includes a Lifetime Limited Warranty on parts (contact dealer for complete details). Dealer installation recommended. NOTE: Vehicles equipped with a security system may be eligible for insurance discounts in some states/provinces.

Base Part No. **19A361**

Available for Mark LT, Navigator and Town Car

30. Remote Start Systems*

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Three systems to choose from: Remote Start Only can start the vehicle from up to 1,000 ft. (300 m) away, includes Progressive Car Find to help locate your vehicle in crowded parking lots, and has a Real Panic Sound® alarm. Remote Start with Keyless Entry has the above, plus keyless entry to remotely lock/unlock doors. Remote Start with Keyless Entry and Vehicle Security has all the features of the above, plus a vehicle security system to protect the vehicle and its contents. Comes with two remote transmitters. Securilok® kit (sold separately) required for most applications. Dealer installation recommended. NOTE: Available for automatic transmissions only. Remote Start with Keyless Entry and Vehicle Security may be eligible for insurance discounts in some states/provinces.

Base Part No. **19G364**

(**19G365** for Securilok®)

Available for LS, Mark LT, Navigator and Town Car (all three systems); and Zephyr (Remote Start Only)

*Eligible for residualization under a Ford Credit Red Carpet Lease.

31. Trunk Cargo Organizer

Premium-grade polyethylene with a removable, adjustable divider system for separating items. Installs easily in trunk area – no tools required. Town Car organizer fits in the deep well of the trunk with removable top panels (carpeted) that, when in place, provide a flat trunk floor. Also helps protect vehicle interior from spills. Base Part No. **115A00**

Available for LS, Town Car and Zephyr

32. Trunk/Rear Cargo Net

Keep packages and other loose items from spilling in your vehicle. Net stretches easily over bulky items and the soft braided cording won't scratch painted surfaces. Envelope and floor mount styles available. Installs easily; no tools required.

Base Part No. **550A66**

Available for LS, Town Car and Zephyr

33. Cargo-Logic®

A smart way to protect the cargo area and keep cargo organized. Liner features molded construction that provides stain- and moisture-resistant barriers. Four Cargo-Loks® supplied. Offered in colors to complement your interior. Features embroidered Lincoln logo.

Base Part No. **11600**

Available for LS and Navigator

34. Interior Cargo Organizer

Removable and adjustable divider system helps separate and organize your belongings. It installs easily in the cargo area with no tools required. Available in black only.

Base Part No. **115A00**

Available for Navigator

35. Interior Molded Cargo Tray

Durable, lightweight polyethylene tray is molded to the contours of your vehicle. Raised lip helps contain spills. Navigator available in colors to match or complement interior. LS available in black only. Installs and removes easily without tools.

Base Part No. **11600**

Available LS and Navigator

36. All-Weather Vinyl Floor Mats

The deep grooves and raised ridges in these heavy-duty mats catch and hold snow, slush and mud, while protecting the vehicle carpeting. Nibbed backing and driver-side positive retention help keep mats in place. Available in 4-piece sets for front and rear, in colors that complement your vehicle interior.

Base Part No. **13300**

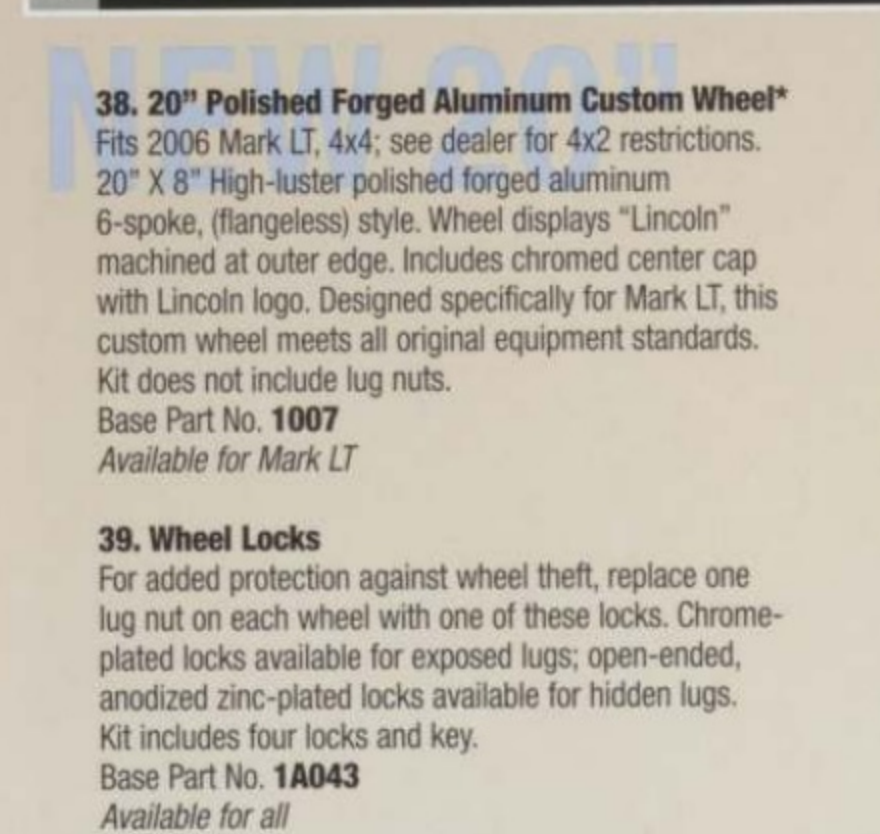

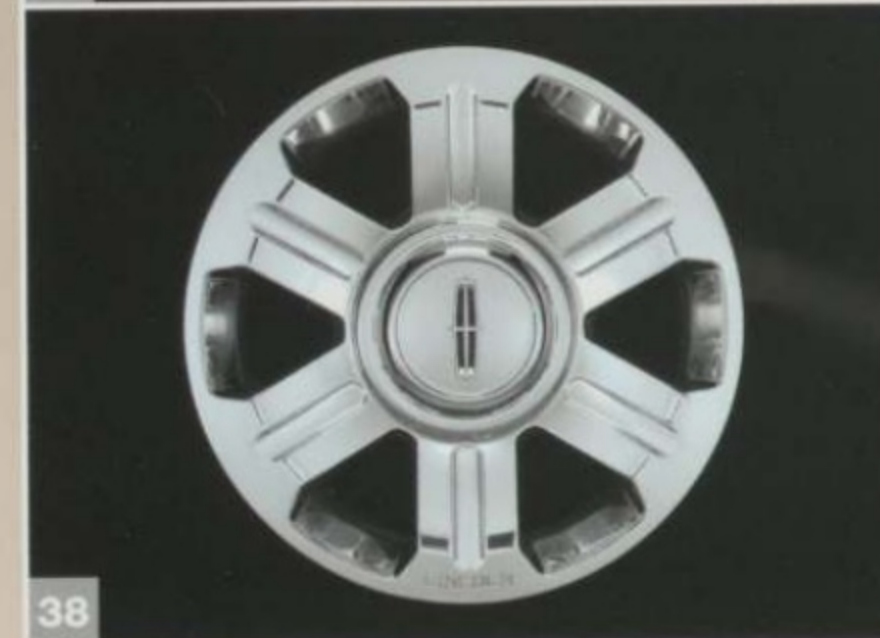

Available for all

37. Carpeted Floor Mats

Premium-grade carpeting is custom fit to the exact contour of each vehicle. Driver-side mats have positive retention, and all mats have a nibbed backing to help prevent slippage. Carpeted mats are sold in 4-piece sets for front and rear, in colors that complement your vehicle interior.

Base Part No. **13300**

Available for LS, Navigator, Town Car and Zephyr

38. 20" Polished Forged Aluminum Custom Wheel*

Fits 2006 Mark LT, 4x4; see dealer for 4x2 restrictions. 20" X 8" High-luster polished forged aluminum 6-spoke, (flangeless) style. Wheel displays "Lincoln" machined at outer edge. Includes chromed center cap with Lincoln logo. Designed specifically for Mark LT, this custom wheel meets all original equipment standards. Kit does not include lug nuts.

Base Part No. **1007**

Available for Mark LT

39. Wheel Locks

For added protection against wheel theft, replace one lug nut on each wheel with one of these locks. Chrome-plated locks available for exposed lugs; open-ended, anodized zinc-plated locks available for hidden lugs. Kit includes four locks and key.

Base Part No. **1A043**

Available for all

*Eligible for residualization under a Ford Credit Red Carpet Lease.

YOUR LINCOLN. YOUR STYLE. YOUR ACCESSORIES.

Genuine Lincoln Accessories are the driving force that make your Lincoln your own. Discover the quality difference...

Great Choices. Manufactured to meet Lincoln's high quality and safety standards, Genuine Lincoln Accessories offer everything you need to enhance your comfort level, add convenience and complement the vehicle's classic style.

Ford Factory Tested. Because they're engineered by Ford Motor Company specifically for Lincoln vehicles, Genuine Lincoln Accessories blend seamlessly with the LS, Mark LT, Navigator, Town Car and Zephyr body designs, electrical systems and mechanical specifications.

Professional Dealer Installation. When Genuine Lincoln Accessories are installed by your Lincoln dealer, you can count on a precise fit and skilled service.

Enhanced Value. By choosing to personalize your Lincoln with Genuine Lincoln Accessories, you're protecting and improving the value of your vehicle, and potentially increasing its resale value as well. Genuine Lincoln Accessories help preserve the vehicle's appearance, its functionality and its "fun" factor! The Red Carpet Lease residualization plan can also make your vehicle more valuable when your lease ends (see below).

Strong Warranty Protection. Genuine Lincoln Accessories are covered by the same outstanding warranty as your new Lincoln (see below).

Limited Warranty Information. Ford Motor Company will repair or replace any properly dealer-installed Genuine Lincoln Accessories found to be defective in factory-supplied materials or workmanship during the warranty period, as well as any component damaged by the defective accessory. The accessory will be warranted for whichever provides you the greatest benefit: ■ 12 months or 12,000 miles/20,000 km (whichever occurs first), or ■ The remainder of your New Vehicle Limited Warranty. Contact your dealer for details and a copy of the warranty. **Red Carpet Lease.** Get the ride you want. Many Genuine Lincoln Accessories purchased and installed by the dealer at lease inception can be paid for in your monthly lease payment. See your Lincoln Dealer for details. **ESP PremiumCare Plan.** Depending on the ESP Plan you select, some dealer-installed Genuine Lincoln Accessories can be covered for up to 7 years or 100,000 miles. See your Lincoln Dealer for details. **NOTE:** The product descriptions and specifications contained herein were correct at the time this material was being prepared for printing. However, our policy is one of continuous improvement, and we reserve the right to change design or specifications at any time without notice and without incurring obligation.
