1. Soft Tonneau Cover – Snapless
Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. Base Part No. **501A42**

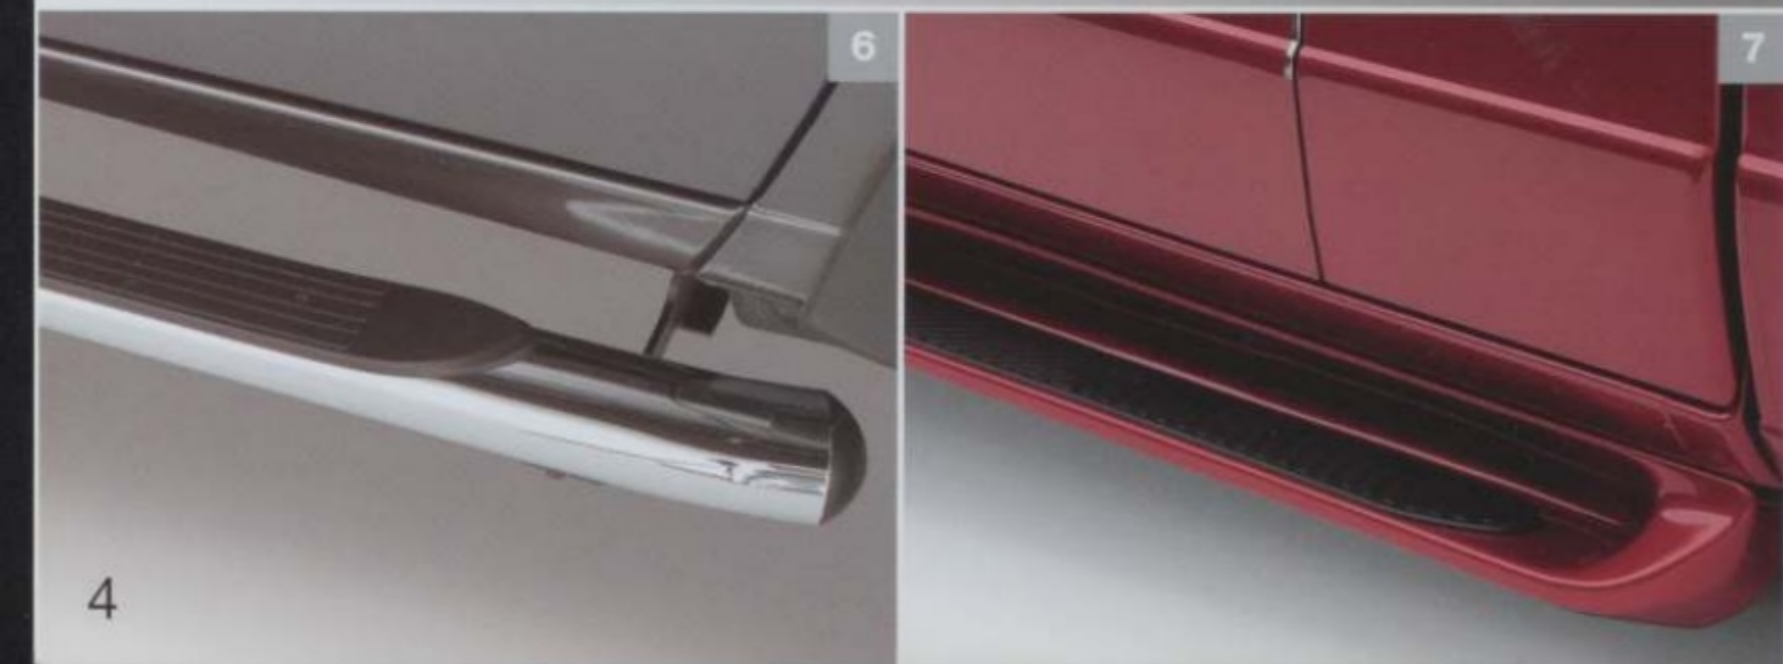

2. Soft Tonneau Cover – With Snaps
Protect your vehicle's cargo area from the elements with this premium, heavy-duty, 20-oz. vinyl cover. The black aluminum rail system attaches securely and easily. Click-in-place rear rail offers easy access to cargo bed and features snaps made of a non-rusting composite material. No-drill installation. Base Part No. **501A42**

3. Soft Roll-Up Tonneau Cover
Uniquely designed, matte black cover has integrated rubber seals to protect cargo against dust and moisture. Automatic tension control maintains perfect adjustment at all times. Tear-resistant, double-sided fabric uses a heavy-duty Velcro® hook and loop to keep the cover securely fixed to the side rails of your truck bed. No-drill installation. Available for Styleside 6-ft. beds. Base Part No. **501A42**

4. Retractable Bed Hooks
An excellent way to tie off and secure an awkward load or tarp. Easily installed using existing stake holes in the pickup box. Hooks retract when not in use. Maximum load is 400 lbs. (180 kg) per hook. Two bed hooks included with each package. Available in black or stainless steel. Base Part No. **000A64**

5. Original Equipment Step Bars*
A step up in style and durability. Corrosion-resistant steel substructure with a rugged step pad and a chip-resistant black finish. Easy no-drill installation. Base Part No. **16450**

6. Custom Elliptical Step Bars*
Corrosion-resistant aluminum tubing is rugged yet lightweight. Wide, slip-resistant step pads are made of plastic to provide sure footing. Available in chrome finish or black. Easy to install; no drilling is required. Base Part No. **16450**

7. Color-Keyed Molded Running Boards*
An aerodynamic appearance enhances the Ranger's sporty lines. Constructed of a sturdy, e-coated steel substructure with a rugged TPO plastic cover. Available in select colors or primed (ready to paint). Easy, no-drill installation. Base Part No. **16450**

8. Low-Profile Wraparound Bug Shield
Protect the edge of your hood from bugs, small stones and other debris. Durable smoke-colored acrylic to complement any exterior color. Easy to install. Ford oval logo. Base Part No. **16C900**

9. Chromed Bug Shield
Stylish chrome-finished bug shield protects the edge of your hood from bugs, small stones and other debris. Easy installation. Base Part No. **16C900**

10. Side Window Deflectors
Deflectors keep out snow or rain so you can crack open the window and let fresh air in. Durable, smoke-colored acrylic. Self-stick adhesive for easy installation. Available in set of two. Base Part No. **18246**

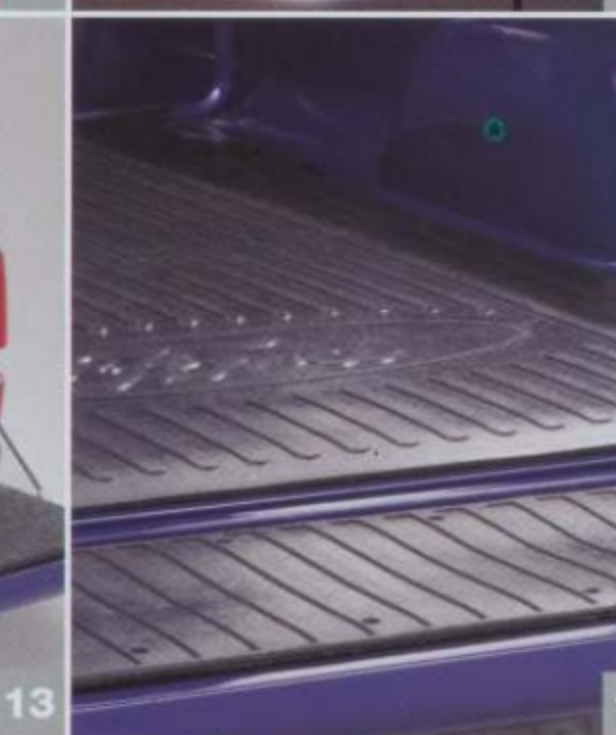

11. Manual Sliding Rear Window*
Provides extra ventilation and comfort. Solar-tinted glass helps reduce glare. Base Part No. **422B30**

12. Taillamp Surrounds
Add a custom look to any truck. Constructed of impact-resistant ABS plastic with self-adhesive backing for easy installation. Features a high-nickel chrome finish. Base Part No. **13B564**

13. Sport Liner™
Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of the bed's retaining features such as two-tier loading and tie downs. Easy to clean. Fits all 6-ft. bed sizes. Base Part No. **00038**

14. Bed Mat
Custom-designed, heavy-duty rubber mat to protect your truck bed. Made of reinforced, synthetic rubber that resists cracking or breaking. Available in all bed sizes. Base Part No. **642A94**

15. Bedliner with Tailgate Liner*
Heavy-duty, ribbed, skid-resistant surface provides drainage to reduce mold, mildew and corrosion. New anti-static materials have been incorporated into the mat's finish to reduce the chance of static-induced sparks. Offered in black with Ford logo. Available in all bed sizes. No-drill installation. Base Part No. **00038**

16. Bed Tailgate Liner*
Heavy-duty, ribbed, skid-resistant surface. Available in black in all bed sizes. No-drill installation. Base Part No. **00038**

17. Bed Extender Cargo Cage*
Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove. Styleside only. Base Part No. **286A4**

*Eligible for residualization under a Ford Credit Red Carpet Lease.

18. Trailer Hitch Assembly – Class III/IV
Original equipment hitch bolts into existing holes – no drilling or welding. NOTE: Towing capacity could be limited by vehicle powertrain. See your dealer or Owner's Guide for details. Base Part No. **17D826**

19. Trailer Hitch Balls
Available in 1 7/8" (4.8 cm) or 2" (5 cm) diameters, hitch balls feature forged, one-piece construction for maximum strength and a chrome finish for corrosion resistance. Designed with wrench flats to aid installation and removal. See your dealer for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. **19F503**

20. Trailer Hitch Drawbars
Designed for 2" receivers. Two offsets available: 0" drop, 2 1/2" rise; and 1 1/4" drop, 4" rise. Durable black powdercoat finish. Refer to your Owner's Guide for towing limitations. Available for vehicles equipped with a trailer hitch. Base Part No. **19A282**

21. Neutral Tow Kit
(not pictured) This handy kit allows you to tow your Ranger behind your motorhome – with all four wheels on the ground. Available for vehicles equipped with 4x4 automatic transmission. Dealer installation recommended. Base Part No. **7H332**

22. Electrochromic Mirrors and Electrochromic HomeLink® Mirrors
Ease the discomfort of headlight glare in your rearview mirror. Automatically dims when glare is detected. Electrochromic Mirrors are available with built-in compass only or with the added feature of a temperature display. Electrochromic HomeLink Mirrors have a wireless control feature that allows you to activate home lighting, open garage doors, disarm security systems, and communicate with any radio-frequency-controlled home device from your vehicle. They are also available with compass only or with compass/temperature display. Dealer installation recommended. Base Part No. **17700**

23. Chromed Exhaust Tip
Slips over the end of the tailpipe. Constructed of heavy-duty, corrosion-resistant, chrome-plated stainless steel for long life. Easy to install; no drilling necessary. Base Part No. **5K238**

24. TripTunes™
Take your tunes on the road! Now you can connect most portable audio players (MP3, iPod®, iRiver®, ScanDisk®, etc.), plus portable CD and cassette players, right to your in-dash radio. Just plug your player into the harness – a 3.5mm stereo connector provides the interface so you can listen to music through the radio's speakers and control the volume. Audio connection is housed securely in your vehicle's glovebox or center console. Base Part No. **19C142**

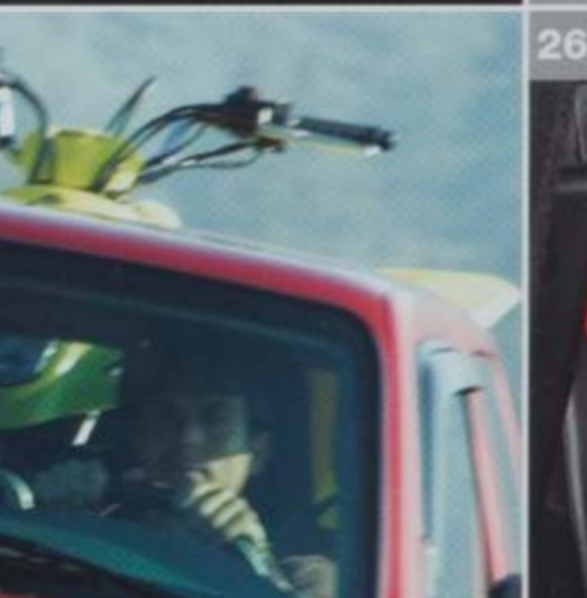

25. Speed Control
Microcomputer-controlled system automatically adjusts the throttle to maintain your desired cruising speed. Fingertip controls are conveniently located on the steering wheel. Dealer installation recommended. Base Part No. **9A818**
