

2007  
MERCURY MONTEREY

MERCURY | NEW DOORS OPENED

**YOU WANT THE BEST. FOR THEM.** THE GOVERNMENT'S HIGHEST FRONTAL CRASH TEST SAFETY RATING. TOP-RATED PROTECTION AGAINST NECK INJURIES.\* DISCOVER MONTEREY.

4 AVAILABLE LEATHER-TRIMMED SEATS IN CHARCOAL WITH LIGHT FLINT PERFORATED INSERTS

## PREMIUM SPACE.

THE CORNER LOT. THE 50-YARD LINE. FRONT-ROW SEATING IN MONTEREY, WITH AVAILABLE HEATED AND COOLED LEATHER-TRIMMED SEATS, IT'S THE PLACE TO BE.

There are no ordinary seats in Mercury Monterey. Starting up front, available **class-exclusive heated and cooled leather-trimmed seats** for the driver and front passenger can be fitted with inserts of perforated leather or Preferred Suede.<sup>®</sup> For ultimate comfort, seats can be warmed or cooled with convenient instrument panel controls (shown below). **No other minivan offers this feature.**

In the 2nd row, standard captain's chairs give passengers their own seats. For easy access to Monterey's 3rd row, just fold and tumble the seats forward with the pull of a lever. Thanks to a gas-assist strut, it can be done with one hand. If you're after maximum cargo room, the 2nd-row seats can be removed completely and the 3rd-row seat can be folded into the floor – opening up a **cavernous 134.3 cu. ft. of space.**

## AVAILABLE COMFORT PACKAGE:

ELECTRONIC AUTOMATIC TEMPERATURE CONTROL (EATC)

UNIVERSAL GARAGE DOOR OPENER

POWER FRONT-PASSENGER'S SEAT

AUTO-DIMMING REARVIEW MIRROR

- 1 3RD-ROW TAILGATE BENCH SEAT™
- 2 71.6 CU. FT. OF CARGO SPACE BEHIND 2ND ROW
- 3 REMOVABLE 2ND-ROW SEATS
- 4 FOLD-IN-FLOOR 3RD-ROW SEAT

4

Mercury Monterey provides all the minivan versatility you require. For starters, you can enter, exit and load Monterey with ease thanks to its standard dual power-sliding doors and available power liftgate. In the 3rd row, Monterey's Tailgate Bench Seat holds 3 comfortably in its upright position. When not in use, it can be folded into the floor – opening up 71.6 cu. ft. of cargo space with a flat loadfloor. But even that's not the end of its uses. At sporting events, family outings or even fireworks displays, you can **quickly and easily tip the Tailgate Bench Seat backward** to create a comfortable, rear-facing tailgating seat.\*

## AVAILABLE CARGO MANAGEMENT SYSTEM:

STORAGE BIN WITH DIVIDERS  
RETRACTABLE CARGO AREA COVER

## AVAILABLE TRAILER TOW PREP PACKAGE (CLASS I OR II):

TRAILER TOW WIRING  
HIGH-SPEED/AMBIENT TEMPERATURE PACKAGE (CLASS II)

**YOUR ON-THE-GO LIFESTYLE STOPS HERE.** IF ONLY FOR A MOMENT, EVERYTHING IS IN ITS PLACE. A MOVIE IS PLAYING IN BACK. SEATS WARM OR COOL YOU AS YOU DRIVE. ALL IS NOW CALM.

Mercury Monterey is perfectly suited for your fast-paced life. Throughout its well-designed interior, you'll discover **innovative storage bins, compartments, nets and wells** ready to satisfy your storage needs. Up front, dual-bin storage pockets in each door can hold maps, magazines and even a beverage. An in-dash storage compartment in the top of the instrument panel is the perfect spot for cell phones and MP3 players, keeping these essential items close at hand yet out of the way. In the 2nd row, storage in the sliding doors provides an easy reach for passengers, while fold-away cupholders on the sides of the 2nd-row seats keep drinks within arm's reach.

In back, Monterey's deep cargo storage well helps keep items upright when the 3rd-row seat is in the forward-seating position. An available Cargo Management System brings more order to this area. When extra storage is needed, the 3rd-row seat folds neatly into the storage well, opening up almost 72 cu. ft. of cargo volume for larger items.

For really big toys, like a pair of jet skis or a boat, **Monterey can tow up to 3500 lbs.** when equipped with the Class II Trailer Tow Prep Package.

- 1 TRI-ZONE CLIMATE CONTROL

- 12 POWER LIFTGATE\*

\*Available feature.

The largest engine in a minivan resides under the hood of the 2007 Mercury Monterey. With 201 hp and 263 lb.-ft. of torque, Monterey's 4.2L V-6 engine gives you **best-in-class torque** to accelerate, haul and pass with authority and confidence – a fact you'll appreciate most when all 7 seats are occupied and the cargo storage well is full. Shifting is smooth and effortless, thanks to fast-acting hydraulics in the electronically controlled 4-speed automatic transmission. And thanks to a large 26-gallon fuel tank, you'll have a **generous driving range of over 500 highway miles.\***

**POWER TRIP.** THOUGH YOUR STATION IN LIFE NOW DEMANDS THE VERSATILITY AND SPACE OF A MINIVAN, YOU STILL HAVE A CHOICE. AND THERE'S NO MORE SOPHISTICATED ONE THAN MERCURY MONTEREY. RICH PAINT COLORS ARE OFFSET BY BOLD, SATIN-ALUMINUM ACCENTS. ALONG WITH THE LARGEST ENGINE IN A MINIVAN, IT'S ENOUGH TO LIFT YOUR SPIRITS ON EVERY DRIVE.

★★★★★ THE GOVERNMENT'S HIGHEST 5-STAR  
FRONTAL CRASH TEST SAFETY RATING 3 YEARS IN A ROW.

TOP-RATED PROTECTION AGAINST NECK INJURIES. THAT'S THE  
PEACE OF MIND THAT MERCURY MONTEREY ALWAYS SUPPLIES.

When it comes to your safety and security, Mercury Monterey is **brimming with innovative features** that lend a feeling of serenity and security to your everyday driving. Most importantly, for 3 years running, Monterey has earned the government's highest frontal crash test safety rating: 5 Stars (2004-2006). In addition, the Insurance Institute for Highway Safety recognized Monterey as **the only minivan with the best-rated protection against neck injuries in rear crashes.**

Monterey's **standard Safety Canopy System** provides one of the best protection packages available today. **Comprehensive front-to-rear coverage is provided by side-curtain airbags, front-seat side airbags and a rollover sensor.** In certain types of collisions, the rollover sensor directs the side-curtain airbags to deploy. By staying inflated longer, these airbags enhance head protection for outboard passengers. They also help to keep passengers inside the vehicle. Helping out the driver and front-passenger in milliseconds is the Personal Safety System.® Its complex inner workings include dual-stage

front airbags, safety belt pretensioners that cinch the belts tight at the moment of impact, and more.

In slippery conditions such as on ice, gravel or rain-slicked roads, every driver wants one thing: more control. **AdvanceTrac® helps to accomplish it – automatically.** This optional electronic stability enhancement system\*\* constantly monitors driver input and vehicle responses through a network of advanced sensors. In certain understeer or oversteer situations, AdvanceTrac automatically makes braking and throttle adjustments to match the vehicle's direction to the driver's intent. In fact, the system can control each wheel to counteract excessive vehicle rotation and possible spinout.

From a reinforced structure to its available self-sealing tires, Mercury Monterey has **over 40 standard and available safety and security features.** All giving you reason to feel at peace behind the wheel.

## MONTEREY STANDARD FEATURES

## POWERTRAIN/FUNCTIONALITY

4.2L SPI V-6 engine
