¹New Vehicle Limited Warranty covers repair or replacement of any component manufactured or originally installed by Genesis that is defective in material or factory workmanship, under normal use and maintenance. The following components are covered for time and mileage limits indicated: Paint: 3 years/36,000 miles. Battery: 3 years/36,000 miles (no proration). Air conditioner refrigerant charge: 1 year/unlimited miles. Adjustments: 1 year/12,000 miles. Wear items: 1 year/12,000 miles (e.g., belts, brake pads and linings, clutch linings, filters, wiper blades, bulbs and fuses). See Owner's Manual for further details and limitations. ²Powertrain Limited Warranty covers repair or replacement of powertrain components (i.e., selected engine and transmission/transaxle components), originally manufactured or installed by Genesis that are defective in material or factory workmanship, under normal use and maintenance. Coverage applies to original owner only. Second and/or subsequent owners have powertrain components coverage under the 5-Year/60,000-Mile New Vehicle Limited Warranty. Excludes coverage for vehicles in commercial use (e.g., taxi, route delivery, delivery service, rental, etc.). See Owner's Manual for further details and limitations. ³Complimentary Scheduled Maintenance is available for 2017 and newer model-year Genesis vehicles and includes Genesis-approved oil and oil filter change (except for electric vehicles), cabin air filter change and tire rotation at factory recommended scheduled intervals for 3 years or 36,000 miles, whichever comes first. For Genesis G90 vehicles the services also include the replacement of wiper blades, wheel alignment, and brake pads. Ownership limitations and exclusions may apply. See your retailer for details. ⁴Genesis Roadside Assistance is a limited and complimentary service for 5 years/unlimited miles from date of first use. Coverage is effective from the date the vehicle is delivered to the first retail buyer, or otherwise put into service (in-service date), whichever is earlier. Mileage and ownership limitations may apply. See your Genesis Retailer for details. Roadside Assistance is not a warranty and does not include reimbursement for any costs/charges for repairs, parts, labor, property loss, or any other expenses incurred as a result of accident/collision, vehicle abuse, racing, vandalism, or other items not covered by the Genesis New Vehicle Limited Warranty. Also excluded are services for snow tires, repairs to studs, mounting or demounting of snow chains, any fines, fees, or taxes associated with impound towing as a result of any actual or alleged violation of any law or regulation. Off-roading is not covered. To receive service the vehicle must be on a publicly maintained road. Roadside Assistance services are provided through the American Automobile Association, Inc., Heathrow, FL, and its affiliated motor clubs (collectively, "AAA"), which are independent contractors of Genesis Motor America ("Genesis"). Genesis makes no guarantee or warranty regarding the services provided by AAA and is not liable for the actions of their employees or subcontractors. Genesis reserves the right to limit services or reimbursement to any owner/driver when, in Genesis' judgment, the claims are excessive in nature, frequency or type of occurrence.
