13 Boxtop – Low-Profile Hard Tonneau Cover

This unique, hard fiberglass tonneau cover, manufactured by a Leer™ affiliate, dresses up your truck and helps protect its bed from the elements. Designed specifically for each vehicle, it can be locked to provide a secure storage area. Available in colors to match or complement your vehicle, or primed (ready to paint). NOTE: If your truck has optional factory chrome bed-rail bars, they must be removed to accommodate the tonneau cover.

Base Part No. **501A42**

Available for Mark LT

14 Soft Snapless Tonneau Cover

Specially designed frame attaches directly to the rails of the pickup bed. This allows access to the bed without the need for removing the cover. Constructed of a durable black vinyl. NOTE: If your truck has optional factory chrome box rail bars, they must be removed to accommodate the tonneau cover.

Base Part No. **501A42**

Available for Mark LT

15

16

15 Soft Roll-Up Tonneau Cover

Uniquely designed, matte black cover has integrated rubber seals to protect cargo against dust and moisture. Automatic tension control maintains perfect adjustment at all times. Tear-resistant, double-sided fabric uses a heavy-duty Velcro® hook and loop to keep the cover securely fixed to the side rails of your truck bed. No-drill installation.

Base Part No. **501A42**

Available for Mark LT

16 Sport Liner™

Rugged as a bedliner, this carpeted liner will haul lumber, sand and more, yet still cushion your most delicate cargo. Marine-style polyester surface is bonded to foam and will not absorb stains, moisture, rot or mildew. Molded sidewalls conform to the contours of the bed's retaining features such as two-tier loading and tie-downs. Easy to clean.

Base Part No. **00038**

Available for Mark LT*

*Eligible for residualization under a Ford Credit Red Carpet Lease.

INSIDE THE COMFORT ZONE. Genuine Lincoln Accessories are designed with your Lincoln – and lifestyle – in mind. Innovative interiors and exteriors provide comfort, convenience, style and security.

17

18

17 Bedliner

Conforms to the contours of the vehicle's bed. Features the Duraloc® cargo restraining system that allows the use of 2x4s to compartmentalize loads or create two-tiered stacking. Ribbed floor provides drainage and increased airflow between the bed and the liner to reduce mold, mildew and corrosion. In addition, new anti-static materials have been incorporated into the mat's finish to reduce the chance of static-induced sparks.

Base Part No. **00038**
Available for Mark LT*

18 Bed Extender Cargo Cage

Sturdy stainless steel cage flips outward and extends over the tailgate to provide 18" of extra carrying space. When the cage is flipped inside the bed, it helps protect cargo from shifting. Easy to install and remove.
