

AN AMERICAN REVOLUTION

2008 TAHOE. LIVE BETTER.

This is the best Tahoe ever. ■ The Vortec 5.3L V8 engine with Active Fuel Management™ technology, standard on LS 4x4 and all LT and LTZ models, helps deliver best-in-class fuel economy¹ and better standard highway fuel economy than many smaller SUVs² ■ And Chevrolet continues to focus on environmental responsibility with Tahoe Hybrid, the first two-mode hybrid SUV in America³ ■ Tahoe earned the highest possible rating in a recent government frontal-impact crash test – five stars⁴ ■ Head-curtain side air bags⁵ for all rows are now standard. ■ The available Z71 Off-Road Package delivers legendary all-terrain ability. ■ And every 2008 Tahoe features the best coverage in America with the Chevy 100,000 mile/5-year transferable Powertrain Limited Warranty, plus Roadside Assistance and Courtesy Transportation⁶

Shown below: Tahoe LTZ in Gold Mist Metallic with available features. 1 Based on 2007 GM Large Utility segment and 2008 EPA estimates. Tahoe with available 5.3L V8 EPA estimated MPG 14 city/20 highway. Excludes other GM vehicles. 2 Based on 2007 GM segmentation and latest available EPA estimates. 3 Limited availability in select markets starting fall 2007. See chevy.com/hybrid for details. 4 Five-star rating is for the driver and front passenger seating positions in the frontal crash test. Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). 5 Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. 6 Whichever comes first. See dealer for details.

¹ E85 is 85% ethanol and 15% gasoline. Go to livegreengoyellow.com to see if there is an E85 station near you. ² Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution. ³ Maximum trailer ratings are calculated assuming standard equipped vehicle, driver and required trailering equipment. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ⁴ Gross Vehicle Weight Rating (GVWR). When properly equipped, includes weight of vehicle, driver, passengers, cargo and optional equipment. ⁵ Not available on Z71 or Tahoe Hybrid until January 2008. ⁶ Not available on Tahoe Hybrid. ⁷ Not available on Z71. ⁸ Limited availability in select markets starting fall 2007. See chevy.com/hybrid for details. ⁹ Use only GM-approved wheel/tire combinations. See dealer for details. ¹⁰ Requires available Convenience Package 2. ¹¹ Requires available Convenience Package 1. ¹² Requires available tri-zone automatic climate controls and Universal Home Remote transmitter. ¹³ Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. ¹⁴ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. ¹⁵ Requires available power sunroof or rear-seat entertainment system. ¹⁶ Requires available AM/FM stereo with CD/MP3/DVD player or navigation radio with CD/MP3/DVD player. Requires available tri-zone automatic climate controls. ¹⁷ Requires available navigation radio. ¹⁸ Requires available Bose speaker system and rear-seat entertainment system. ¹⁹ Requires available Bose speaker system and rearview camera system. Map coverage excludes Puerto Rico, the Virgin Islands and portions of Canada. ²⁰ Includes DVD capability when rear-seat entertainment system is ordered. ²¹ Available in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after three trial months. All fees and programming subject to change. Subscription subject to customer agreement. For more information, visit gm.xmradio.com. ²² There is no jack or spare tire in Tahoe Hybrid. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4 inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4 inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date. ²³ Some accessories may not be available on all models. See dealer for details. ²⁴ Must be used with portable DVD docking station (sold separately) when operated in vehicle.
