

TOYOTA CORONA MARK II 4-door Sedan

TOYOTA CORONA MARK II
4-door Sedan

Here's just the thing
for your motoring satisfaction.

A luxurious economy 4-door sedan. You'll feel relaxed out on the road. Power is amazing, durability, too. Elegant style that's appealing, an interior that's incredibly luxurious. And all of this is yours at an incredibly low price.

Mark II's heart is a husky 113.4 cu. in., OHC-4 engine that develops 108HP and 105mph. And there is an abundant list of equipment at no additional cost. A few are—front disc brakes, front seat head restraints, seat belts front and rear, heater/defroster, 4-way flasher. An electric-clock and radio (AM or AM/FM auto-search) optional. There's nothing that can touch this sedan. Every part in it reflects Toyota's hallmarks—advanced human engineering, design refinement and strict quality control. (Radio, stereo tape player and electric-clock options.)
