AN AUTOMOBILE THAT
Responds
TO YOUR NEEDS

CONTINENTAL. You expect the finest, and Continental responds with an extraordinarily high degree of craftsmanship and exquisite selection of materials. You value comfort, and it answers with an abundance of amenities. You require a car with superb ride and responsive handling characteristics. It accommodates you with the 260-hp 4.6L 32-valve DOHC V-8, part of the InTech™ System, and the Road-Calibrated Suspension system which contributes to its even, smooth ride. By all accounts, this is the most technologically advanced and captivating vehicle in Lincoln history.

Continental's remarkably comfortable interior is shown here in Light Graphite with leather seating surfaces.

THE VERITABLE
DEFINITION OF THE
L U X U R Y
Performance
AUTOMOBILE

MARK VIII. One of America's premier performance cars now offers you the luxury of choice. Choose Mark VIII and you'll receive a most sophisticated and spirited vehicle powered by a 280-hp 32-valve InTecb™ V-8. The more demanding driving enthusiast may select the Mark VIII LSC. With its increased horsepower, sport suspension tuning, Euro-perforated leather seating surfaces and bold monochromatic appearance, it takes exhilaration to an unprecedented level. Mark VIII... what a luxury automobile and performance coupe should be.

SIMPLY STATED, IT'S A
MOST STATELY
Luxury
AUTOMOBILE.

Interior shown in available Light Graphite leather seating surfaces.

TOWN CAR is noted for a spacious interior, exceptional ride and a high level of comfort few other luxury automobiles offer. And it's from Lincoln, a leading name in luxury for 75 years. It's reassuring to know that through the years, Town Car has never been compromised. In fact, it has been constantly refined to ensure that this year's offering remains the true pinnacle of luxury and comfort.

1996 LINCOLN Continental

1996 LINCOLN 100,000 Miles

It should come as no surprise that Lincoln is the first luxury car manufacturer to feature engines that can perform for 100,000 miles without a single scheduled tune-up on all models. Lincoln was also the first to offer both a dual air bag Supplemental Restraint System (SRS) and a four-wheel Anti-lock Brake System (ABS). For additional peace of mind, Lincolns also provide numerous safety features including front and rear crumple zones, side door intrusion beams and a brake/shift interlock.

The Lincoln Commitment™

It is more than the prestige of owning a superior luxury automobile. The Lincoln Commitment is a comprehensive owner benefits package designed to provide you with services to support your every driving need. Benefits include transportation assistance if your automobile requires warranty service.** Also, 24-hour Roadside Service Assistance is provided for four years. Should you need towing, jump-starting, lock-out service or gas delivery, a call to our hotline will bring you help. Custom computerized maps and trip routing are available. Other benefits include Emergency Travel Expense Reimbursement, membership in Quest® International for travel-related discounts on meals and rooms, Destination Assistance, a Customer Assistance Center to answer your questions and a 4-year/50,000-mile limited warranty. See your dealer for details.
