

# Land Cruiser

HARDTOP

VINYLTOP

STATION WAGON

# TOYOTA

# Equipped to the teeth.

Comfortable contoured bucket seats are standard in Hardtop and Vinyltop models.

If we left anything off the Land Cruiser, you can bet it's something you can do without. In the middle of nowhere, your Land Cruiser is a tight little island. Complete with comfort. You get bucket seats, no less, in the hardtop and vinyltop models. The wagon has all kinds of space out back to stow your junk, tents, bedrolls, rods, reels, pots, pans. And people.

We make three Land Cruisers. Three different ways to go out and play. And they all come with all the standard necessities we could think of for 4-wheel drive vehicles.

With a Land Cruiser, you don't go into the unknown unequipped. You just hang on and have the time of your life.

New safety roll bars are standard on the Vinyltop and Hardtop.

## Standard Equipment

- 6-cylinder, 138 HP, (SAE net) OHV engine
- 2-speed transfer case (floor lever) • Steering column ignition switch • Steering stabilizer • Oil, amp, water temp., and fuel gauges • Front towing hooks • Hydraulically-operated clutch • Extra high wheel wells for easy snow chain installation
- Floor mounted gear shift • Foam cushion, vinyl covered front & rear seats
- Heater/defroster • Adjustable driver's seat
- Cigarette lighter • Power brakes, front and rear • Skid plates • Heavy-duty battery (70 amp hr.) • 7.60x15 4-ply rated tires • 2-speed washer/wiper • Padded glare resistant dash
- Clear plastic clutch & brake fluid visual reservoirs • Outside rear view mirrors
- Aluminized muffler.

- Standard Safety Equipment on all Land Cruisers:** Front & rear seat belts • Illuminated control switches • Fire retardant material for interior soft trim • Padded center steering wheel • 4-way hazard warning flasher
- Emergency light & extension cord.

Comfortable bench seats are standard in Station Wagon.

Fold-down back seat in station wagon creates spacious cargo area.

### Special Features on Hardtop & Vinyltop:

- Bucket seats with center console • Retractable front seat belts • Rear-mounted spare tire • Fold-up rear seats • Locking gas and radiator cap covers • Roll bar.

### Special Features on Station Wagon:

- Dash switch for electric rear window operation
- Passenger assist grips • Locking front hubs.

Station Wagon

Hardtop and Vinyltop

**Options:** Power take-off winch. Electric winch with 8000-pound rated capacity. Free-wheeling front hubs. Wheel covers with hub holes. AM radio. Stereo tape system. Stereo FM cartridge (8-track required). Mud and snow tires. Indoor/outdoor carpeting. Floor mats for Hardtop and Vinyltop. And factory installed air conditioning for the Station Wagon.

## Specifications:

### ENGINE:

Type: 6-cyl. in-line OHV  
 Displacement: 3878cc  
 Compression ratio: 7.8:1  
 Horsepower: 138 hp at 4000 rpm (SAE net)  
 Torque: 213 ft/lb at 2200 rpm (SAE net)  
 Carburetor: Downdraft 2-barrel,  
 manual choke

### ELECTRICAL SYSTEM:

Battery: 12 volt, 70 amp/hr

### TRANSMISSIONS:

Manual 4-speed full synchromesh  
 Ratios: (1st) 3.555  
 (2nd) 2.292  
 (3rd) 1.410  
 (4th) 1.000  
 (Reverse) 4.271

### TRANSFER CASE:

Type: 2-speed helical gear, sliding type  
 Ratios: (4-speed synchromesh)  
 Low: 1.992  
 High: 1.00

### AXLES:

Front: Full-floating hypoid  
 Rear: Semi-floating hypoid  
 Ratio: Front & Rear: 4.111:1

### SUSPENSION:

Type: Semi-elliptic leaf springs & double  
 acting hydraulic shock absorbers.

### STEERING:

Type: Recirculating ball  
 Turning diameter: Vinyltop & Hardtop: 35.0 ft.  
 Station Wagon: 41.0 ft.

### BRAKES:

Type: 4-wheel drum, hydraulic,  
 power assisted  
 Drum diameter: 11.4 inches

### TIRES:

Type: 4-ply rated tubeless  
 Size: 7.60 x 15

### CAPACITIES:

Oil: 9.0 qts.  
 Cooling System: 16.1 qts.

### CHASSIS/BODY:

Separate body and frame.

### DIMENSIONS, WEIGHTS AND CAPACITIES:

		Hardtop	Vinyltop	Station Wagon
Wheelbase	(in.)	90.0	90.0	106.3
Overall Length	(in.)	152.4	152.4	184.0
Overall Width	(in.)	65.6	65.6	68.3
Overall Height	(in.)	76.8	76.8	73.4
Curb Weight	(lbs.)	3750	3585	4125
Fuel Tank Capacity	(gal.)	18.5	18.5	23.8

The policy of continual improvement in design and manufacture requires that specifications, equipment and prices be subject to change without notice.

# The Monster.

Our famous Land Cruiser is built for people who want to play rough. Off the highway, it takes things easy. Things like hills, woods, puddles, ruts, holes, brush, mud and sand.

This is the one that irons out Tahoe's Jamboree Trail—the world's worst.

The Land Cruiser is constructed of reinforced steel. Put together with nuts, bolts, cotter pins, rivets, welds. And fortitude.

So take it away. Far away from traffic and crowded campgrounds.

This is the one that gets you out of town. Really out of town.

# What makes Toyota the small car specialist?

The largest roster of small cars and trucks you'll find under one dealer's roof (2-doors, 4-doors, wagons, pickups, 4-wheel drives and 5-speeds).

And each has a character all its own. With special features you don't find standard on most cars, small or otherwise. Like the 5-speed transmission on the Corolla S-5 and SR-5, Corona SR and Celica GT. Or the extra-long bed on one of the half-ton pickup trucks. Or fully reclining bucket seats on all car models. Or the 6-cylinder engine on the Mark II. Or roll bars and skid plates on the Land Cruiser. There's even an Electro Sensor Panel (ESP) on the Corona hardtops that constantly monitors

eleven key systems of your car to help take some of the worry out of driving.

When it comes to testing, prototypes of every single model go through extensive mechanical, design and safety checks before they ever go into production.

And when it comes to service, nearly 1,000 dealers stand behind every Toyota sold. In all 50 states. And one of the longest service intervals in the industry. Six months or 6,000 miles.

Oh, yes, there's one thing more that makes us small car specialists.

Forty years' experience making small cars.
