

1982 CHEVY WAGONS

**Chevy Wagons.
Made-to-measure
for the way you live.**

You're our kind of wagon people. Whether you're a family with loads of things to do, or a young man or woman with loads of places to go, we have a wagon that can handle the loads. Three different wagons in fact, each tailored to your kind of hauling needs. Like the full-size Caprice and Impala. The family-size Malibu. And now joining the Chevy wagon team, the front-wheel-drive Cavalier.

You'll love Cavalier's efficient size that's just right for those on the go. It's full of fun and it's the most complete new wagon we've ever introduced. Just check the list of standard features on page 4. You'll find Cavalier is complete in technology, comfort and quality. And with a total interior volume that beats out many wagon imports. Matter of fact, no other wagon in its EPA-size class gives you more room. Cavalier wagon. In tune with the way you live.

Shown on cover, top to bottom:
Cavalier in Silver.
Malibu Classic in Beige.
Caprice Classic in Light Redwood.

Cavalier CL Station Wagon shown in Custom Two-Tone Dark Blue and Light Blue.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing some of the information you will find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

Cavalier

Malibu Classic

Put our family wagon to work for your family. In town, around town or on the road, Malibu Classic is a no-nonsense hauler that's right on target for both passengers and cargo. It sits six in comfort and offers 724 cu. ft. of hauling space. Yet for all its value, Malibu Classic still scores high in all-around good looks with its new quad rectangular headlamps and restyled front end. Interiors reflect Malibu Classic value with a new notchback front seat with folding center armrest. Simulated wood-grain applique highlights a new standard instrument panel. And automatic transmission is now standard, along with column-mounted washer/wiper controls. New for 1982 is a low-maintenance V8 diesel engine option. Malibu Classic Wagon for 1982. Make it part of your family.

Malibu Classic Station Wagon shown in Redwood.

Malibu Classic Standard Features

Engine/Chassis

3.8 Liter 2-Bbl. V6 engine • Automatic transmission • Computer Command Control • Early Fuel Evaporation system for quick warm-up • New-design low-drag power front disc/rear drum brake system • Disc brake audible wear sensors • Power steering • Forward-mounted recirculating ball steering gear and linkage • 108.1-inch wheelbase chassis • Delco Freedom II battery never needs refilling • Delcotron generator with built-in solid-state regulator • High Energy Ignition system • Full-perimeter frame • Steel bumpers with high-strength aluminum reinforcements, rear bumper steel reinforced • Visible ball joint wear indicators on front suspension lower control arms • Coolant recovery system • GM Specification P195/75R-14 fiberglass-belted radial ply tires with high-pressure recommendations • Side-lift frame jack • Full Coil suspension system with computer-selected springs and front stabilizer • Dual horns.

Body

Double-panel door, hood and tailgate construction • Counter-balanced hood and tailgate • Special acoustical quiet package • Extensive

anti-corrosion treatments • Dual-mode flow-through ventilation system • Hide-A-Way dual-speed electric windshield wipers • Dual-nozzle fluidic windshield washers • Cushioned body-mounting system helps isolate passenger area from road noise and vibration • Inner fenders front and rear for corrosion protection • Full wheel covers • Dual rectangular headlamps.

At first, the engineering isn't apparent. What you see and appreciate is Malibu's commitment to creating a comfortable and eye-pleasing driving environment. But all the convenience features are there, too, such as a new standard instrument cluster and panel with simulated wood-grain applique • Instrument panel courtesy, ashtray and glove compartment lights • Full-width notchback front seat with folding center armrest • Molded full foam seat construction • Color-keyed seat and shoulder belts • Single-retractor front seat belt system • Full color-keyed passenger compartment cut-pile carpeting • Color-keyed steering column and steering wheel • Glove compartment lock • Day/night rearview mirror • Compact spare tire • Hinged panel in cargo floor over spare tire and concealed stowage • Recessed stowage pockets in cargo area trim panels • Center dome light • Vinyl door pull straps • Hatchgate.

- A. Out-of-sight floor stowage.
- B. New standard instrument panel.
- C. Hatchgate with window open.
- D. Hatchgate with tailgate down.

Color-keyed vinyl trim choices include Silver Gray, Dark Blue, Camel or Redwood. See your Chevrolet dealer for interior/exterior color combinations.

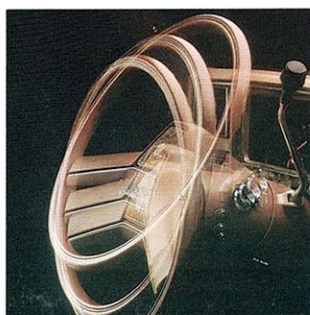

Caprice and Impala

It takes a big-league wagon to haul around Little Leaguers. Or nearly a month's worth of groceries. Or a healthy load of lumber. We're talking about Caprice Classic 3-seat wagon and Impala 2- and 3-seat wagons for 1982. You've come to the right place if you're looking for a lot of room for family, friends and gear. With over 87 cu. ft. of space, you're home free. Yet these wagons dress up any road with stylish good looks. Luxury touches are found inside as well. And you can even order an optional V8 diesel engine. Look at both the luxurious Caprice Classic or the value-conscious Impala. They're both Chevrolets. And that means value.

Power tailgate lock. Saves steps. The tailgate can be locked or unlocked from inside the wagon.

Power door locks. You can lock and unlock all doors from the driver's seat.

Automatic speed control maintains set speed until brake pedal is touched. "Resume" feature reengages preset speed after braking.

Radio/tape players. Many combinations available, including AM/FM stereo and 8-track or cassette tape players.

GM Continuous Protection Plan

Offers service protection in addition to that provided by GM's new vehicle limited warranty. Ask your dealer about it. Coverage available only in the U.S.A. and Canada. Also, see your Chevrolet dealer for details and information about GM's 24-month/24,000-mile Power-Protection-Plus Limited Warranty.

Computer Command Control

This sophisticated, thoroughly tested on-board computer continuously monitors gasoline engine functions. It also fine-tunes engine performance, under all normal operating conditions, as you drive. Air-fuel mixtures are constantly adjusted to driving conditions, and the system helps compensate for altitude, barometric pressure and temperature changes.

Another benefit of Computer Command Control is that it is covered by the 5-year/50,000-mile emissions system warranty. Ask your dealer for details.

Long Recommended Service Intervals*

Engine Oil	12 months or 7,500 miles**
Oil Filter	12 months or 7,500 miles**; every 15,000 miles thereafter**
Spark Plug†	30,000 miles
Chassis Lubrication	12 months or 7,500 miles
Automatic Transmission Fluid Change	Every 100,000 miles

*See Owner's Manual for conditions requiring more frequent intervals.
**5,000 miles with diesel. †Except diesel engine.

Safety Features

Occupant Protection

Manual lap/shoulder belts with push-button buckles for driver and right front passenger (driver's side includes visual and audible warning system) • Manual lap belts with push-button buckles for rear passenger positions; also center front (when applicable) • Energy-absorbing steering column • Passenger guard door locks • Safety door latches and stamped steel hinges • Folding seat back latches • Energy-absorbing instrument panel and front seat back tops • Laminated windshield/tempered side and rear glass • Safety armrests • Identification symbols for controls and displays.

Accident Avoidance

Side marker lights and reflectors • Parking lamps that illuminate with headlamps • Four-way hazard warning flasher • Backup lights • Lane-change feature in direction signal control • Windshield defrosters, washer and dual-speed wipers • Vinyl-edged inside mirror • Outside rearview mirror • Dual master cylinder brake system with warning light • Starter safety switch • Dual-action safety hood latches.

Anti-Theft

Audible anti-theft ignition key reminder • Anti-theft steering column lock • Inside hood release.

A word about assembly, components and optional equipment in these Chevrolets.

The Chevrolets described in this catalog are assembled at facilities of General Motors Corporation operated by the GM Assembly Division. These vehicles incorporate thousands of different components produced by various divisions of General Motors and by various suppliers to General Motors. From time to time, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for the information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or, if there are changes, that they are acceptable to you.

Bigger vehicles for bigger jobs.

1982 Chevy Suburban—now available with new 6.2 Liter Diesel power. Chevy Suburbans, available in 2WD and 4WD, have long held the reputation as comfortable people-movers and superb trailer-towers. This year, Suburban is made even more attractive with an optional 6.2 Liter Diesel engine.

1982 Chevy Sportvan—first-class seating for up to twelve.

Popular for commuting and camping, errands and outings, Chevy Sportvan offers comfortable appointments, impressive visibility, and seating for five, eight or twelve, depending on model selection and available equipment.

See the 1982 Chevy Suburban and Chevy Sport Van catalogs for complete details or see your Chevy dealer.
