

THE HOLDEN

# STATESMAN

SERIES II

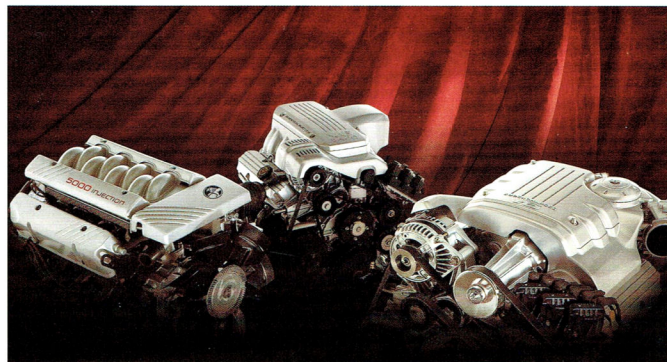

# STATESMAN BY HOLDEN. LUXURY FROM BEGINNING TO END

Holden Statesman Series II leaves nothing to be desired.

From distinctive 16" alloy wheels through to a generous interior, highlighted with exquisite touches of woodgrain style finishes and leather trim, the rewards are many. Howe Leather upholstery is optional.

10 stack CD unit, and the options of electric adjustment for the front seats, and an electric sunroof. Winning further acclaim is the exciting option of the advanced Supercharged V6 that provides superb power, smooth mid range torque and flexible performance.

The Statesman Series II offers the option of fully automatic load levelling suspension that holds the car level, even with a full load or when towing.

And, of course, there's the standard safety features including Independent Rear Suspension for better control and ride.

Driver and front passenger airbags, designed for Australian conditions, enhance an already reassuring environment.

AN EXCITING RANGE OF  
ENGINES PLACE  
STATESMAN IN FRONT.

Statesman Series II has an extraordinary ability to flex its muscles.

Select the impressive 3.8 litre ECOTEC V6, or opt for the advanced 165kW Supercharged V6. The legendary 5 litre V8, with cold air intake, delivers 168kW of power, and there's a high performance V8.
