It's a dependable family car that's gone sporty.

The Corona 5-Door Luxury Edition Liftback is also very functional. Take a look inside through the raised rear hatch. You'll get a new perspective on roominess. A handy cover converts the area behind the rear seats into an instant "trunk," keeping valuable items out of sight. Need extra cargo

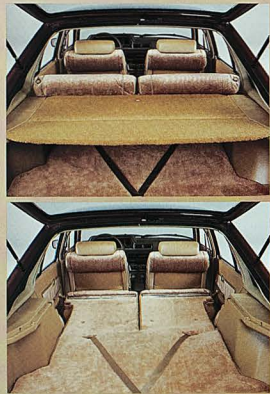

space? Just fold down half the split rear seat and you've got it... plus room for three adults. Or fold both rear seats down for a cavernous cargo area.

The Corona 5-Door Luxury Edition Liftback is fun as well as functional. Its 2.2 liter 4-cylinder SOHC engine and 5-speed overdrive or optional 3-speed

automatic transmission make driving a pleasure.

textured cloth upholstery. And you'll discover the same comfort and convenience features as the Corona 5-Door Luxury Edition Liftback.

So take your choice. The practical 4-Door Deluxe Sedan. Or the plush 4-Door Luxury Edition Sedan. Both offer the dependability and style you expect from Corona.
