America's ideal family crossover: the all-new **Taurus X.**

Taurus X is an innovative, purpose-built crossover vehicle with 3 rows of flexibility, allowing for dozens of seating configurations to accommodate passengers, personal belongings or any combination of both. It goes about its business confidently: A bold chrome grille catches the eye, while an award-winning 263-hp V6 stirs the soul. The versatile Taurus X is spacious, smart and America's safest¹ crossover for active families on the go.

Taurus X Eddie Bauer in Merlot Metallic

Attractive.

America's family crossover

The Taurus X Eddie Bauer edition¹ doesn't go unnoticed. Pueblo Gold lower cladding is unique to this class-exclusive model that's also outfitted with 18" bright-aluminum wheels and two-tone, leather-trimmed bucket seats.

The signature tri-bar chrome grille on every Taurus X is a focal point, boldly bridging the sculpted hood and shapely front fascia. Fog lamps are outlined in chrome, and wraparound halogen headlamps have a jewel-like look. Detailed taillamps bookend the horizontal design in back – including a chrome band along the rear fascia. Dual chrome exhaust tips and a pair of Sparkle Silver roof rails are standout. Taurus X reflects well on you and yours.

¹Available Fall 2007.

- A** 6 STANDARD AIRBAGS including: 2 dual-stage front airbags; 2 front-seat side airbags; and 2 side-curtain airbags, which run front to back and are part of the Safety Canopy™ System that also features a rollover sensor.
- B** ULTRA-RIGID CHASSIS is not only the nucleus of the solid, 5-Star-rated structure, it was crash-modeled on a Cray® supercomputer to pinpoint energy-absorbing properties, minimize passenger compartment intrusion and maintain structural integrity. Cray is a registered trademark of Cray, Inc.
- C** SPACE (Side Protection And Cabin Enhancement) ARCHITECTURE™ is a class exclusive comprised of advanced structural elements, now with pressure crash sensors in the doors for faster airbag deployment.

- D** TRIPOD DESIGN in the front structure channels crash forces upward and downward – away from passengers – into a high-strength steel “ring of protection.”
- E** LASER-WELDED SIDE PILLARS help redirect crash forces underneath the seats. To help manage energy in side collisions, laser-welded steel sheets of varying thicknesses are stamped right into the structure.
- F** PERSONAL SAFETY SYSTEM® (with Front-Passenger Sensing System) enhances collision protection for the driver and front passenger through a network of sensors controlling deployment of the dual-stage front airbags.

ADDITIONAL SAFETY AND SECURITY FEATURES STANDARD ON EVERY TAURUS X: AdvanceTrac® Electronic Stability Control keeps you on course • 4-wheel disc Anti-lock Brake System (ABS) features Electronic Brakeforce Distribution for surer stopping • Anti-theft perimeter alarm helps deter vandalism • Class-exclusive keyless-entry keypad unlocks doors at a touch • Heated sideview mirrors clear quickly • Security approach lamps (in exterior mirrors) light up via the key fob, door handle or keypad • Auto-dimming rearview mirror automatically cuts glare • Tire Pressure Monitoring System signals alerts for underinflation • Traction Control is all-speed

Security

Safest.¹
America's family crossover

Taurus X offers unmatched, class-leading protection. Its crash safety rates the full 5 Stars from the National Highway Traffic Safety Administration (NHTSA). Equipped with standard electronic stability control, Taurus X is an Insurance Institute for Highway Safety (IIHS) "Top Safety Pick" too.

It's the only vehicle in its class to achieve top crash test results across the board from NHTSA and earn the highest ratings in all 3 IIHS categories. Rigorous IIHS criteria include a 40-mph frontal offset crash test assessing structural design, a side-impact crash test simulating what it's like to be struck by an SUV or pickup, and a rear crash-protection test focusing on whiplash prevention. Taurus X = Family Insurance Plan.

¹7-passenger Crossover class. Based on NHTSA 5-Star frontal and side crash test ratings and IIHS "Top Safety Pick."

CLASS-EXCLUSIVE
COMMAND SEATING™

Commanding.

America's family crossover

Take hold of the leather-wrapped wheel of Taurus X and take charge. An experience enhanced by class-exclusive Command Seating, which sits you comfortably upright and tall, allows for effortless entry and exit, and provides SUV-like confidence down the road.

Bright accents abound, from the door handles and instrument panel gauges to the console controls and shifter. The look is rich, with a feeling of assurance: Audio buttons on the steering wheel, and available power-adjustable pedals, extend your command. Take that family trip in style – and in certainty – from San Diego to Savannah with the optional voice-activated, DVD-based Navigation System as co-pilot.

Comfortable.

America's family crossover

Within its wealth of room, the Eddie Bauer edition surrounds you with the luxury of two-tone leather trim, contrasted stitching, an 8-way power driver seat and automatic climate control. Limited models include heated front seats; 2nd-row heated seats are available.

Taurus X ranks with the best of them for interior quietness. It's due in good part to the hydraulic engine mounts, aerodynamic sideview mirrors, specially tuned suspension, whisper-like climate controls, and precise application of advanced, patented sound-deadening materials in the doors, headliner and pillars. The Articulation Index – measuring the clarity of conversation inside Taurus X – is exceptional. Family-friendly for sure.

Space & Quiet

BEST-IN-CLASS 3RD-ROW PASSENGER ROOM is designed to fit 6'2" adults. Reading lights, adjustable head restraints, cupholders, storage bins and a power point are a few more 3rd-row rewards. **2ND-ROW VENTILATION** is adjustable, and cupholders slide in/out.

IN-DASH STORAGE space (at left) conveniently pops open for essentials on all models. **CENTER CONSOLE TWO-TIERED STORAGE** (at right) on Eddie Bauer and Limited models: Open the armrest cover to access the upper tier; lift the cover and upper tier to get to the oversized lower bin.

Handiest.

America's family crossover

Change it up plenty of ways: Whether it's passengers, cargo or a mix of both, Taurus X quickly adapts. Transport 7 people and all their carry-ons with ease. Make way for a smaller group, and there's a remarkable 47.4 cu. ft. of storage space to play with behind the 2nd row.

Now fold flat the front-passenger seat and 2nd-row seating, and then simply fold the 3rd-row bench flat into the floor. Just like that, you've got the big-time, weather-protected ability to haul objects a full 10' in length. On Taurus X Limited, the Reverse Sensing System lends an assist when you're slowly backing up that load, detecting objects up to 6' behind the vehicle. It's always looking out for you.

ALL-WHEEL DEFENSE

ALL-WHEEL DRIVE (AWD) is optional on all models for enhanced safety, increased control and superior performance. AWD for Taurus X utilizes an on-demand electronic center coupler to deliver the ideal amount of torque to all 4 wheels independently. So wheel slippage is anticipated – and virtually eliminated – before it can occur.

ADVANCETRAC® ELECTRONIC STABILITY CONTROL is standard. When conditions warrant the need, AdvanceTrac will reduce engine torque and apply braking to help keep Taurus X tracking safely on the intended path. Studies show this feature can be a true lifesaver.

AWARD WINNER in the 13th annual *Ward's* 10 Best Engines¹ competition: "Along with inspired mid-range snap, the Duratec 35 3.5L DOHC V6 fronts what we believe to be class-leading refinement." And it posts some impressive EPA-estimated fuel economy figures: 16 MPG CITY/24 HWY for front-wheel drive; 15 MPG CITY/22 HWY for All-Wheel Drive. Just as noteworthy is the astounding 456-MILE RANGE you can achieve on a full tank of gas.

Confident. America's family crossover

On-demand acceleration gives you the strength to make things happen. Ford's most powerful V6 ever is one of the cleanest-running, which marks another first in Ford history: The V6 achieves PZEV (Partial Zero Emissions Vehicle) in certain states² so it's as eco-responsible as a hybrid vehicle.

Taurus X Limited in Dark Ink Blue Metallic with optional equipment

The die-cast, aluminum-block engine produces a best-in-class 263 horsepower and 249 lb.-ft. of torque; employs intake variable cam timing (iVCT) for optimal horsepower per liter; attains peak performance on regular unleaded gasoline; and is perfectly paired with a new 6-speed automatic transmission. It delivers impressive cruising efficiency and precision shifts are ultra-smooth. V6 acceleration never felt so good.

Take the show – and those games – on the road. The next-generation DVD Family Entertainment System is the perfect option. Its flip-down, full-color LCD screen is sized a generous 8". Two infrared wireless headphone sets and an infrared remote control are also included.

Another plus for the DVD Family Entertainment System: Its dual-media function lets those in back remain transfixed with on-screen action, while you and your front seatmate listen to the radio, a CD, or all those portable MP3 tunes – courtesy of the built-in auxiliary audio input jack that's wired directly to the acoustically optimized sound system and standard on every Taurus X. It's good to have connections.

PLAY UP THE PLEASURE

VOICE-ACTIVATED DVD-BASED NAVIGATION SYSTEM eliminates travel guesswork. The generous 6.5" color LCD monitor clearly displays maps and menus, pinpointing where you are and providing turn-by-turn Route Guidance. More than 20 different functions – many of which can simply be voice prompted – are accessible on this option.

SIRIUS SATELLITE RADIO¹ offers more than 130 channels of crystal-clear, digital-quality sound. This factory-installed option is your passport to an amazing range of music (all of it 100% commercial-free), sports, news, talk and entertainment. SIRIUS coast-to-coast coverage is seamless in the contiguous U.S., and as a subscriber, you'll also receive free online access to all music channels. To top it off, a complimentary 6-month subscription to SIRIUS is included in the option price.

THE 5-YEAR/ 60,000-MILE POWERTRAIN WARRANTY

New Vehicle Limited Warranty
We want your Ford Taurus X ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage and Roadside Assistance, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit
Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford EXTENDED SERVICE PLAN
For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.
