THE TOYOTA TOUCH

The Toyota Touch is our commitment to your total satisfaction. It begins with quality in the design of each vehicle.

The Toyota Touch is further evidenced at each dealership, where our salespeople are known for their courtesy and integrity. Ongoing programs of product support and technical training give our dealerships the in-depth knowledge to give you superior service. Toyota is rated Number One in customer handling over all other competitive truck brands.*

TOYOTA LIMITED WARRANTY: 36 MONTHS/36,000 MILES

The Toyota Touch is backed by Toyota's no-nonsense 36-month/36,000-mile basic new vehicle limited warranty, which applies to all components other than the normal wear and maintenance items. In addition to a 5-year/50,000-mile limited emission-control device warranty, Toyota also provides a 5-year/unlimited-mileage corrosion perforation warranty.

For additional information, contact the Customer Relations Manager at your local Toyota dealer, or call Toyota's Customer Assistance Center at 1-800-331-4331 - Mon.-Fri., 9 a.m. to 9 p.m., EST. When you make such a major commitment, you expect nothing less. And neither do we.

VERSATILE

Whether you run a small business or a major corporation, the 1989 Cargo Van can carry the load. With abundant interior and payload capacities, low maintenance, high reliability and quality construction, the Cargo Van keeps costs in line.

CARGO CAPACITY

The Cargo Van has the capacity to carry a payload of 2020 lbs.* and its 101-hp, 2.2-liter EFI engine has the muscle to haul it quickly and efficiently. A wide, smooth-gliding side door and high overhead-opening rear hatch provide easy access to the Cargo

Van's ample 187.2 cu. ft.** of interior storage space.

AERO-SHAPE

Because of its wide track, rack-and-pinion steering and advanced suspension, you'll find that the Cargo Van is exceptionally maneuverable. And if you need sure-footed reliability, 4-wheel drive is available.

The Cargo Van's large glass area provides excellent visibility. Distinctive style and an aerodynamic shape make it a highly efficient vehicle—and an eye-catching advertisement—for your business.

1 The Toyota Cargo Van is available in two body styles: Panel Van, which allows floor-to-ceiling interior storage, or Cargo Van with side and rear quarter windows for more light and visibility. Panel Vans are available with 4-wheel drive. (Shown in Silver Metallic and White)

2 The Cargo Van offers a hardworking payload of 2020 lbs.* within its 187.2 cu. ft. of cargo space.**

3 With a turning radius of only 15'1" (16'1" with 4WD), the Cargo Van can get in and out of some very tight places.

4 True to its role as a rugged business vehicle, the Cargo Van helps improve cost control by returning excellent fuel economy! You'll realize an excellent return on your fuel investment.

5 Both the 3-way adjustable driver's seat and the optional passenger seat are covered with tough, durable vinyl. They're designed to provide support and comfort. (Shown in Gray Vinyl)

6 The 4WD Panel Van features optional tilt steering. Options offered on all models include a 4-speed automatic overdrive

transmission with lock-up torque converter for improved efficiency (standard on 4WD), cruise control and AM/FM stereo with cassette.

7 The rear hatch is nearly as wide as the Cargo Van itself. The Cargo Van's spacious interior has a cargo height of 49.3 inches of unobstructed access. The optional Cargo Restraint Screen helps provide protection against shifting loads without obstructing the driver's view to the rear cargo area.

8 Easy-to-read standard instruments include a resettable tripmeter, fuel and coolant temperature gauges, and a low-fuel warning light.

9 Even large and bulky cargo is easily accommodated through the Cargo Van's wide, sliding side door and high-opening rear hatch.

A high-opening rear hatch makes loading and unloading as convenient as possible.

The sliding side door allows easy access to the Cargo Van's interior even in tight spots.

Shown with optional equipment.

*Including occupants, equipment and cargo with 5-speed manual transmission.
 **With optional front passenger seat removed.
