CHEVROLET

THE CAR YOU KNEW AMERICA COULD BUILD.

The carefully crafted Chevrolet Malibu has the room you need and the convenience features you want — all for a price you can love.

We all want to put our personal touch on things. With GM Accessories, you can afford to personalize your Malibu for your way of life.

Whether you're accomplishing tasks on your to-do list, trekking to work or heading for the open road, GM Accessories are built to last ... for a value you can appreciate mile after mile.

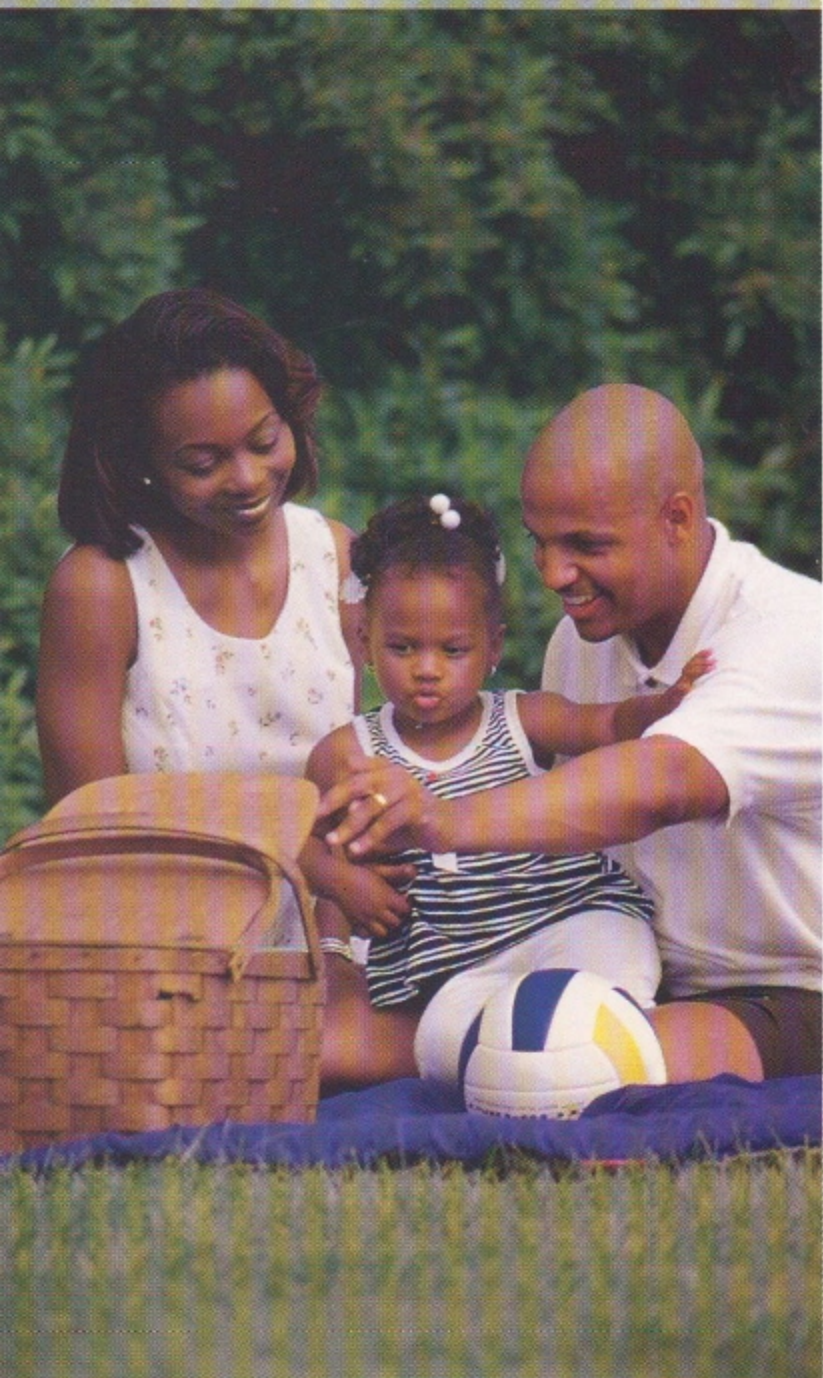

Front End Cover

Protect your Chevrolet Malibu right up front. The GM Accessories front end cover is the ultimate in protection with a custom fit that defends the hood and front fenders of your vehicle from elements, such as stones and insects. The durable construction enables you to open the hood without removing the cover. Made of a breathable material with a polyester and floss backing to protect the body paint, there's no need to remove

this cover when it's wet. All front end covers include a hood cover.
