From the legendary Lotus team comes the new Europa Special—the one with the engine where the GP cars put it. The Europa Special combines superb comfort, and unique styling, breathtaking performance and a choice of a 4 speed or 5 speed box. The new 5 speed gear box gives a remarkable increase in peak performance at lower revs. The new Europa Special is one of the most distinctive cars in the world today. Ask your dealer for a test drive—or contact us for full details and information. It's time you lived the Lotus legend for yourself.
