Renault Alliance 2-Door

Renault Alliance 3-Door GS Hatchback

Renault Alliance 4-Door DL Sedan

RENAULT ALLIANCE

An expression of technical innovation and proven value. Now available in 14 Alliance models, including sedan, hatchback, and convertible.

RENAULT FOR 1987

Now, more than ever, Renault offers you the intelligent alternative to driving "something else." Affordable, reliable vehicles built with a strong sense of *value*. But, if you think you already know all about Renault, *watch out!*

Introducing Renault GTA.

This hot new pocket rocket is built to take on the most challenging roads with outstanding performance, confidence, and agility. On its technical specifications alone, front-wheel drive GTA ranks as a legitimate sports machine. Consider its credentials:

- 2.0 litre high-output overhead cam 4-cylinder engine with electronic fuel injection.
- Close-ratio 5-speed manual gearbox.
- Tuned independent sport suspension with gas-charged MacPherson struts and shock absorbers.
- 15-inch aluminum wheels and Michelin® XGT VR50 tires.
- Integrated front air dam, bodyside cladding and rear spoiler.

Now consider its numbers:

- Horsepower: 95 @ 5,250 rpm
- Torque: 114 ft. lbs. @ 2,750 rpm
- Lateral acceleration: .89 g's

But GTA is much more than performance facts and figures. It's the feel of a leather-wrapped sport

steering wheel. The comfort of unique front bucket seats. Full instrumentation. And plenty of leg-room with seating for up to five adults.

It's also knowing you don't have to spend serious dollars to get serious performance.

Test drive Renault GTA sedan or convertible, and get ready for some serious fun. In a *serious* hurry.

Renault Alliance. The Small Car Redefined.

From the moment you first experience Alliance, you'll sense the engineering excellence that makes this small car *great!*

On the road, you'll be impressed by Alliance's superb handling and maneuverability. All the result of standard front-wheel drive, rack-and-pinion steering, and four-wheel independent suspension.

Under the hood, you'll appreciate Alliance's power *with* efficiency. It comes from a standard 1.4 litre EFI 4-cylinder engine, matched to a

4-speed manual overdrive transmission. Optional 1.7* litre engine, and 5-speed manual* and 3-speed automatic transmissions are also available.

Inside Alliance's human-engineered interior, you'll find room for up to five adults — plus more interior space than in any other car in its class.**

We've also engineered another important Alliance feature: its affordable price.

The choices are clear: 1987 Alliance 2- or 4-door sedan, 3- or 5-door hatchback, and 2-door convertible. Test drive one at your Renault/Jeep dealer today!

*Not available on base model.

**Based on EPA interior volume index as applied to Ward's Subcompact Segment, 1986 models.

Safety belts save lives.

5/50
PROTECTION

The Alliance/GTA 5/50 New Vehicle Limited Warranty covers powertrain and outerbody rust-through for 5 years/50,000 miles, whichever comes first. A deductible applies. The 12-month/12,000-mile base warranty offers extensive coverage for the rest of the vehicle's components. Consult current owner's manual for details.
