

CHRYSLER

NEON 2002

The expert engineers and design artisans at Chrysler conceive and build vehicles with one simple philosophy in mind: only the most innovative, stylish and finely tuned vehicles can ever be deemed worthy of wearing the elegant Chrysler winged badge. Working and living by this philosophy, Chrysler has become a world leader in the industry, a position that has resulted in the creation of one of the most elegant families of vehicles on the road today. Take 2002 Chrysler Neon, for example. Designed to deliver comfort and performance at a reasonable price, Neon blends the fun and agility of a sports sedan with the maturity and substantial feel more commonly found in much more expensive vehicles. Couple this with sleek body lines and distinctive Cab-Forward design and Chrysler Neon represents everything drivers desire for premium travel pleasure. If this sounds like you, well then, Chrysler Neon is your next car.

ABOUT THIS CATALOGUE:

Since the time of printing, some of this information may have been updated. Ask your retailer for details before ordering. Some of the equipment shown or described throughout this catalogue is available at extra cost.

Chrysler is a registered trademark of DaimlerChrysler Canada Inc., a wholly owned subsidiary of DaimlerChrysler Corporation.

Chrysler Neon LX shown in Bright Silver Metallic.

Racing-inspired Chrysler Neon R/T features four-wheel disc brakes with ABS, 16-inch wheels and an exclusive High-Output 2.0-litre SOHC 16-valve four-cylinder engine that generates a powerful 150 horsepower combined with performance-oriented underpinnings... enough power to outperform some of the more expensive cars in its class.

CONTROL

Slip behind the wheel of Chrysler Neon and you'll quickly notice that every detail, no matter how minute, caters to you... the driver. Every button and switch lies within easy reach. That includes air conditioning, stereo controls and temperature settings. On the road, you'll appreciate the easy-to-read instrument gauges, available speed-control settings conveniently mounted on the steering wheel and power window and door locks mere inches away. This is what Neon is designed for. You. Your comfort. Your life.

European shifter shown.

Chrysler Neon LX instrument panel, with Leather Interior Group.

Chrysler Neon LX shown with Leather Interior Group in Dark Slate Grey.

Chrysler Neon LE, shown in Flame Red, comes equipped with a standard five-speed manual transmission or an optional four-speed automatic transmission.

Perfection can be very elusive.

With Chrysler Neon we've implemented

technology to bring you as close to it as you can get.

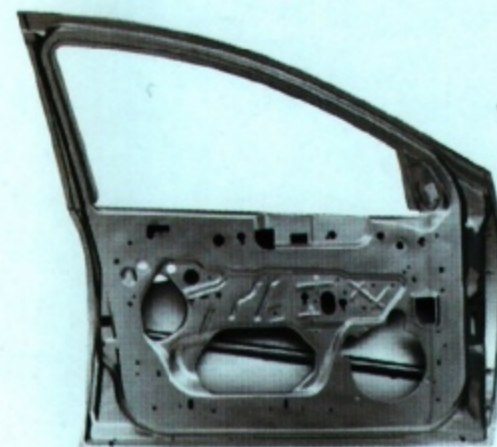

Every Neon model features Next-Generation driver and front-passenger air bags* and available supple-

SAFETY

mental side air bags.* You want further confidence? The entire structure, from front to back, has been designed to help protect you in the event of a collision. Crumple zones, reinforced door beams and an overall rigid body structure help provide added safety

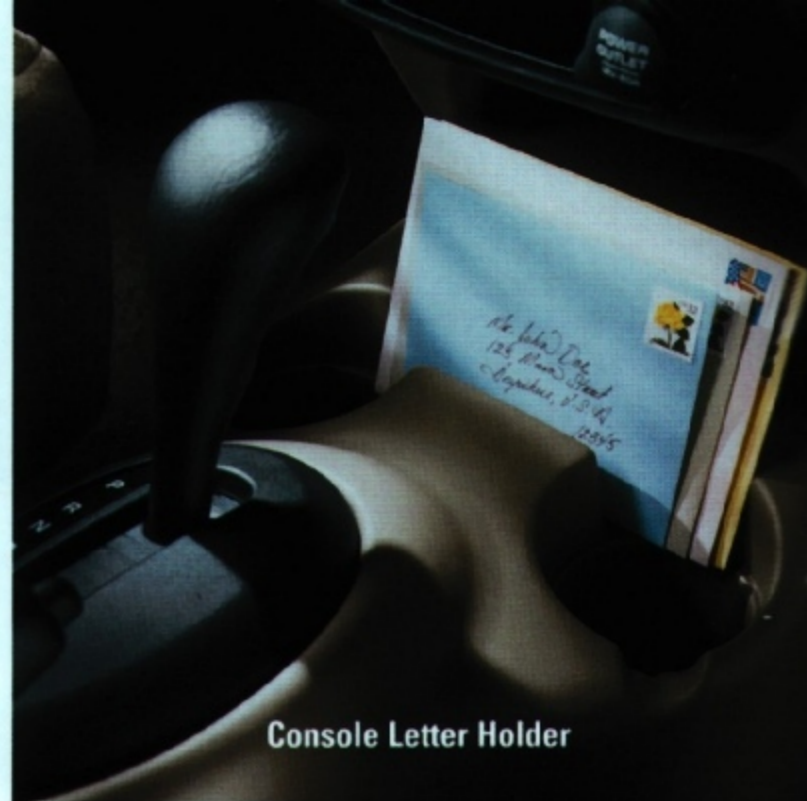

for you and your passengers. And, for your security, a standard Sentry Key® engine immobilizer prevents anyone from starting the car unless they have the proper microchip-encoded key. So, as you can see,

Chrysler Neon is dedicated to protecting not only your sense of self-preservation, but also

your peace of mind.

*Certified to federal regulations using less forceful front air bags. Always use seat belts. Children 12 or under should always be in a back seat correctly using an infant or child restraint system, or a seat belt, that is right for their age and size.

Console Letter Holder

Convenient Lighting Controls

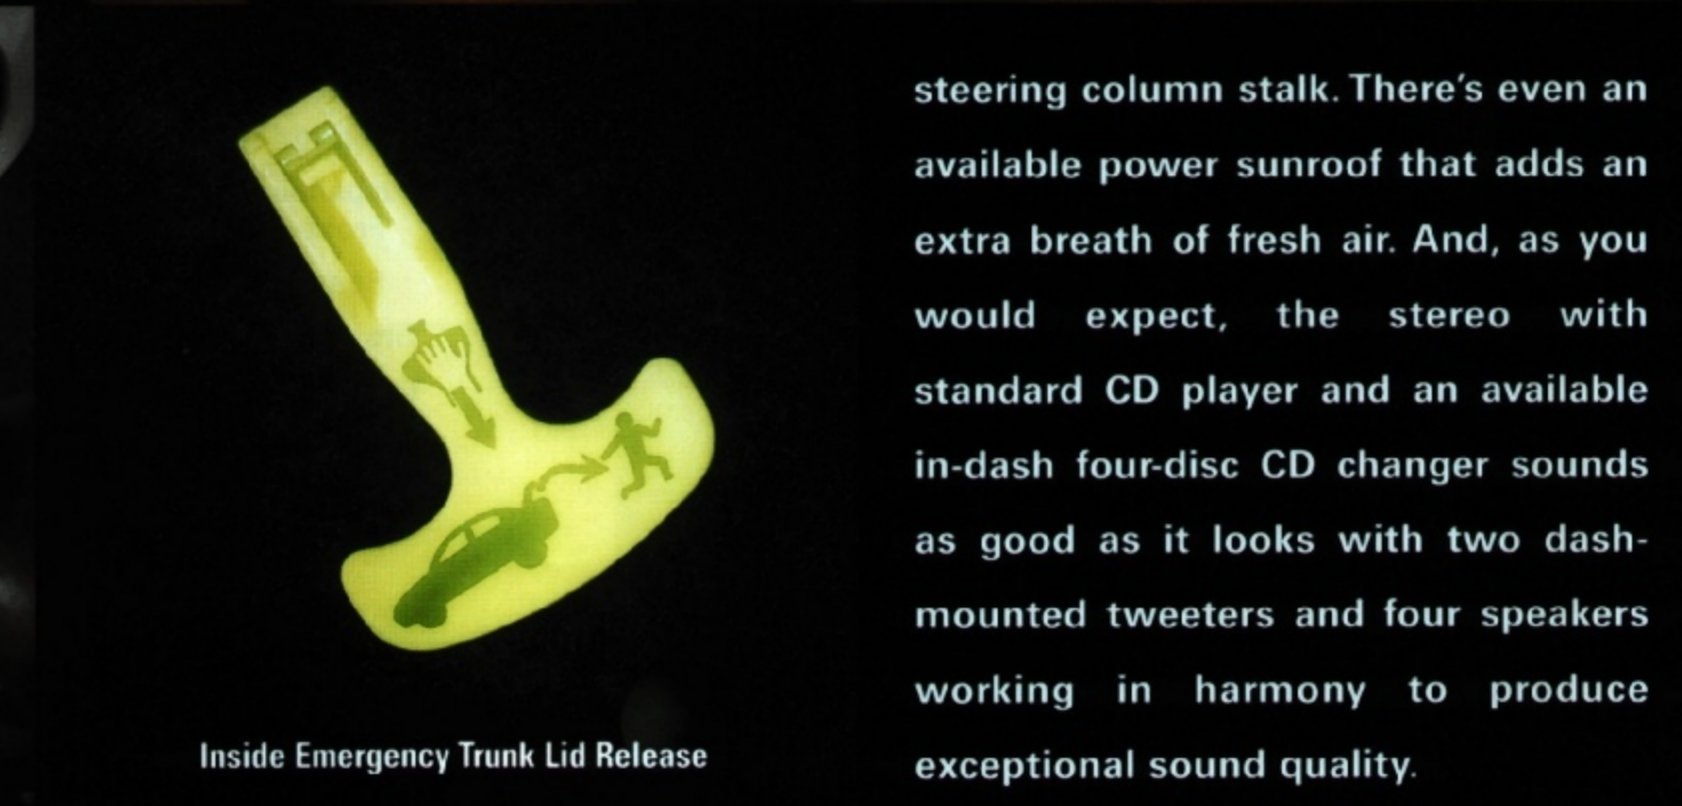

Split-Folding Rear Bench Seat (LE Fabric Shown)

THOUGHTFUL FEATURES

Chrysler Neon delivers a very satisfying driving experience thanks to many features that cater to all of your demands. For example, the centre console features room for tapes and CDs as well as an area for anything from tissues to beverages to a litter

Four-Disc In-Dash CD Player

Inside Emergency Trunk Lid Release

steering column stalk. There's even an available power sunroof that adds an extra breath of fresh air. And, as you would expect, the stereo with standard CD player and an available in-dash four-disc CD changer sounds as good as it looks with two dash-mounted tweeters and four speakers working in harmony to produce exceptional sound quality.

Centre Console with CD Holder

bag. You'll also appreciate the large map pockets that can hold more than just maps, and the spacious glove box with designed-in features like pen and tire gauge holders. For those of you who want to get away from it all, the carpeted trunk offers 371 litres (13.1 cubic feet) of luggage capacity. The trunk even has an Inside Emergency Trunk Lid Release handle. Need more space? Just flip down the 60/40 split-folding rear seatbacks to transport anything from skis to lumber. Of course, Chrysler Neon is also packed with a variety of convenient features. There are cup holders that can handle anything from a can of pop to large coffee mugs. Headlamp and turn signal switches are conveniently located on the

Our Commitment Goes a Long Way.

Warranty coverage is an important part of the ownership experience. That's why DaimlerChrysler Canada's 2002 warranty is designed to be simple and straightforward, while providing coverage that meets the needs of Canadian drivers. It's this simple – basic coverage is for 3 years or 60,000 kilometres,* which includes rust-through coverage for all body sheet metal for 3 years, plus powertrain warranty for 5 years or 100,000 kilometres.* In addition, DaimlerChrysler Canada will provide a 24-hour roadside assistance plan for 5 years or 100,000 kilometres.* It's one of the best warranties in the business. Just one more way your Chrysler, Dodge, Jeep, retailer is committed to providing the most satisfying ownership experience in the industry.

*Whichever occurs first. Some conditions apply. See your retailer for more details.
