04 LAND CRUISER

Mount Desert Island, Maine.
The first place the sun rises in the continental U.S.

Land Cruiser shown in Sonora Gold Pearl with available Roof Rack and Running Board Package and 18" aluminum alloy wheels

Land Cruiser interior shown in Ivory with available voice-activated DVD navigation system¹ and carpeted floor mats

04 INTERIOR

The edge of the continent needn't feel like the middle of nowhere.

Land Cruiser's many remarkable features include:

- Full-time 4-wheel drive with locking center differential
- Vehicle Stability Control (VSC)²
- Traction Control (TRAC)
- Available 18" alloy wheels
- Power tilt and telescopic leather-wrapped steering wheel with audio controls
- Available Toyota voice-activated DVD navigation system¹ with 7" display and backup camera³ with BluetoothSM wireless technology (shown at left)
- Driver and front passenger power-adjustable heated leather-trimmed seats

- JBL Premium 3-in-1 AM/FM Cassette/6-disc in-dash CD changer, seven speakers, 300 watts (maximum output), FM diversity reception and adjustable power antenna

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-through: 50 months/unlimited miles (corrosion perforation of sheet metal).

Emission: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

TOYOTA FINANCIAL SERVICES¹⁴

Now that you're thinking about purchasing or leasing a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions to help protect your interests over time. And in most cases, you may include the charge for these products in your finance or lease contract. Few companies can match the expertise, quality customer care and total value of TFS. Ask your Toyota dealer or go to toyotafinancial.com for details.

¹⁴ Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

- Without compensation on models with navigation system.
- HomeLink[®] is a registered trademark of Johnson Controls, Inc.
- The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographical updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota dealer for further details.
- The backup camera is designed to capture a photographic image within the limited frame capabilities of the camera's lens and is not intended to provide a comprehensive view of the entire rear area of the vehicle. This system should not be exclusively relied upon to confirm rearward clearance.
- Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc.
- The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy to help (avoid) (lessen) (frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in a severe side-impact collision. The front and rear side curtain airbags are also Roll-Over Sensing Curtain Airbags (ROSCA) and are designed to deploy at a severe roll degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use forward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your Owner's Manual for further instructions.
- Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.
- Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Brake effectiveness also depends on proper brake-system maintenance and tire and road conditions.
- Post-installed option.
- Including weight of occupants, available equipment and cargo limited by weight distribution.
- Cargo and load capacity limited by weight and distribution.
- Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have all necessary additional equipment. Do not exceed any Weight Ratings and review all instructions and cautions from your trailer hitch manufacturer and Toyota Vehicle Owner's Manual. Note that the maximum amount you can have on the total weight of any cargo, occupants and available equipment in the vehicle.
- 2014 EPA mileage estimates determined by Toyota. EPA mileage estimates not available at time of printing. Actual mileage may vary.
- Vehicle shown with available equipment.
