

MACK

MACK® PINNACLE™ INTERIOR AND SLEEPER

OLD-SCHOOL GRIT MEETS NEW-SCHOOL COMFORT.

The Mack Pinnacle is designed with the comfort drivers need and the durability the road demands. Whether the haul is off-road or cross-country, Pinnacle's new interiors for Day Cab, 48-inch Flat Top Sleeper and 70-inch Stand Up Sleeper are purpose-built to keep drivers comfortable and driving strong.

BORN READY.

MACK® PINNACLE™ INTERIOR AND SLEEPER

UNMATCHED COMFORT

A spacious cab, generous head-room in the 70-inch Stand Up Sleeper and 48-inch Flat Top Sleeper, and premium materials create an interior that's as comfortable as it is functional. Sleepers offer a TV, refrigerator and microwave, while new, Mack-exclusive seats feature air suspension, an optional swivel base and more than 30 feature and fabric combinations.

CONTROL AT YOUR FINGERTIPS

New controls, steering wheel and instrument panel give drivers total confidence and control in the cockpit. An industry-first flat-bottom steering wheel allows more belly room and clearance for entry or exit. Automotive-inspired controls provide a familiar feel while the 5" digital display constantly monitors truck health and performance.

ALL-PURPOSE STORAGE AND WORK SPACES

Cabinets, work surfaces and shelving keep Pinnacle organized and functional. Overhead cabinets and a non-slip electronics tray with charging port provides convenient and secure storage. The sleepers boast best-in-class storage with wardrobe closet, lighted under-bunk storage, pullout work surfaces and blackout windows.

CUSTOMIZE YOUR PINNACLE.
