Vertical cargo net Keep your cargo organized and secure during transit. This stretchable, envelope-style net secures items of various shapes and sizes and helps contain cargo when opening and closing the liftgate.

Premium all-weather floor liners Count on these custom first- and second-row liners for superior fit and protection. Features include unique 3D design, anti-slip backing, hassle-free installation and Buick script on the first row.

Cargo organizer Dividers and attachment straps that connect to the tie-down rings make this folding organizer a versatile storage solution. It even adds a custom touch with the Buick Tri-Shield.

Sport pedal and cover package Elevate the look and feel of your Envista with custom-designed pedal covers. These stainless-steel covers feature raised traction pads and fit seamlessly over existing pedals.

Integrated cargo liner This thoughtful solution for Envista helps protect the cargo floor as well as the back of the rear seats—whether the seats are up or down. The liner also adds a touch of style with the Buick script.

Chrome wheel locks These locks feature computer-generated key designs and heat-treated hardened steel for enhanced security. The steel collar key design ensures easy installation. One key and four locks are included in the kit.
