Capri

The car that reshapes your life

An exciting package, sheer luxury, all planned to reflect your light-hearted mood — as you see from its handsome styling and sleek fast-back lines.

The performance — spirited and smooth. The seats you slip into — deeply cushioned buckets upholstered in rich, soft vinyls. Underfoot, thick carpeting. Before you, a teak-grained instrument panel. At your left hand, a fully-synchro floor-shift. Under your fingertips, something that only Capri offers — precision handling and a feel for the road; you thread through traffic and wheel into parking spots effortlessly.

You take it from there. Add items to make yours the one-of-a-kind Capri you want it to be. Like sports road wheels; sports steering wheel; racing mirrors; long-range driving lights; white wall tyres. And T-Bar automatic floor-shift. There are lots of items which are well worth their modest price, to tailor your Capri to your mood.
