

***Falcon Sedan
and Station Wagon***

Falcon Sedan and Wagon

The Falcon Sedan and Falcon Wagon undoubtedly represent the greatest value for money in their class. No other manufacturer can offer their size, style, performance, comfort with standard features that include front disc brakes, inertia reel front seat belts and all synchro transmissions in one complete value packed package.

The Great Australian Road Car.

New Falcon Sedans and Wagons are built bolder, tougher, sleeker and stronger than Falcon has ever been built before. Ford stylists and engineers have gone over Falcon with a fine tooth comb to make Falcon an even better car for you to drive. And like every Falcon before it, new Falcon has been designed for a country as challenging as Australia. Falcon Sedan still with the widest track and lowest centre of gravity for the surest, most road-hugging ride of any car in its class. Falcon Wagon—with a 116 inch wheelbase—the longest in its class—providing 82.6 cubic inches of load space and a load length (with the rear seat down) of 87.5 inches.

Falcon bold new style—unmatched value.

Unmatched Standard Equipment:

Both models feature the following items:

Front disc brakes • Car and body sensitive inertia reel front

seat belts • High back front seats • New quality pleated vinyl trim • New column control for turn indicators, lane change warning, hi-lo beam, headlight flasher and horn • Improved aeroflow ventilation system • Blendaire 2-speed heater demister • Steering and transmission lock • Fully-padded cockpit type instrument panel with speedo calibrated in MPH and KPH • Rocker switch controls • Insulated roof • Safety items which include controlled collapsible front end • 'Friction disc' collapsible steering column • Double-grip safety door locks—double-sided safety rim wheels • Dual line braking system • High-density headlights • Reversing lights.

Performance Highlights:

Falcon Sedans and Wagons are equipped with the economical and flexible 200 CID O.H.V. 130 horsepower 'Six' with an all synchromesh 3-speed manual transmission mounted on the steering column. Optional engines and transmissions are available to enable you to tailor performance to suit your needs. (See chart on right.)

Option Highlights:

4 wheel power disc brakes with 351 CID V8 engine • Power front disc brakes • Power tailgate window • Dual action tailgate and rear facing 3rd seat for Wagons • Reclining bucket seats • Carpeting • Combined Radio/Stereo tape player • Sports road wheels • Outback package comprising heavy duty shock absorbers, engine stoneguard, fuel tank guard, heavy duty air-cleaner (High-ride suspension included with Falcon Sedan) • Styled wheel covers • Radial ply tyres.

Your dealer can provide the complete listing of Optional Dress-up and Performance equipment available to you.

Wheels and Tyres:

Sedan: 6.95 L14 Black Side Wall 4 ply on 5JJ safety rims.

Wagon: 7.35 L14 Black Side Wall 4 ply on 6JJ safety rims.
