

FORD FAIRLANE

CLASSIC

Rare Style.

Classic Elegance.

Fairlane Classic is a special limited edition of Australia's most popular prestige car, combining traditional Fairlane attributes with distinctive style and flair.

Its stylish appearance means Fairlane Classic will stand apart in any company.

Attractive alloy wheels with body colour highlights, a choice of three two-tone exterior colour schemes, and subtly contrasting trims help create an air of individuality.

And the tasteful use of fashionable grey crushed velour adds a further touch of elegance to the traditional interior comfort of Fairlane.

*For those who require even more, most of the 'Classic' saloons have been equipped with selected extra cost options—including the advanced Ford EFI electronic fuel-injected engine and power windows and door locks. A small number are available with electrically operated Moonroof and Premium Sound System.**

The Fairlane Classic is a car for those who like to live in style, for those who like the idea of being a little different. It may be just the car for you.

Green Jade/Silver Grey

Charcoal/Silver Grey

Ice Blue/Silver Grey
