

Ford Corsair Liftback.

Have you driven a Ford... lately?

STYLISH AS A SEDAN,
SPACE LIKE A WAGON.

Give yourself the lift you deserve,

with the new five door Corsair Liftback.

The new Corsair Liftback range, including GL and Ghia models, adds a new dimension

to motoring and offers the value you expect.

It has the sleek stylishness of a modern sedan, along with interior space that is more

like a wagon. Space that is functional and versatile. That's the beauty of Corsair Liftback.

It's the best of both – sedan and wagon.

Loading is made easier by Corsair Liftback's low lift over.

Corsair Liftback Ghia's plush interior offers you comfort and convenience. Automatic transmission, optional at extra cost. A 60/40 split rear seat back provides you with the versatility to carry both loads and rear seat passengers.

Corsair Liftback has achieved an excellent balance between stylishness and functionality, And the interior matches the elegant good looks of the exterior.

You'll find a relaxed atmosphere inside, with comfortable seating for five. You and your passengers can relax and enjoy the quietness created by the car's solid construction and extensive use of modern sound proofing materials.

Power operated windows, door locks and exterior mirrors standard on Ghia.

Basketweave cloth and see-through head restraints on GL.

The centre console with armrest fitted to Ghia offers you valuable storage space.

Advanced engineering and integrated design provide solid dependability and confidence on the road as well as an excellent ride and responsive handling, to please the most discerning driver.

Corsair's dash layout and controls have been carefully designed for easy reading and operation.

In Corsair Liftback you have a car which boasts a long list of convenience features, a high level of quality and an enjoyment of ownership which add a value way beyond mere transportation.

From the driver's seat, controls and instrumentation are carefully positioned for easy reading.

Power assisted rack and pinion steering on Corsair Ghia helps make driving a pleasurable experience.

Remote releases open liftback and fuel lid.

The driver's seat features multiple adjustments, including lumbar support on Ghia, and along with the tilt adjustable steering column, make it easy for you to find a driving position that best suits you.

And with tinted glass, intermittent wipers, a large centre console, a 60/40 split fold rear seat back, and an electronically tuned AM/FM radio and auto reverse cassette deck with programmed anti-theft feature, you'll find all the comfort and convenience you expect in a modern medium sized car.

The Corsair Liftback is unique, and it will fit easily into your lifestyle, because it combines the practicality of a wagon with the stylish looks of a sedan.

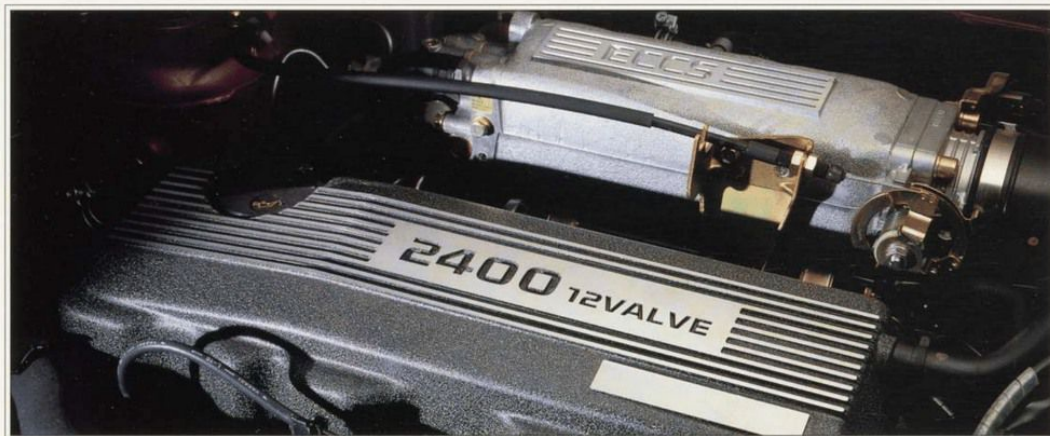

An illuminated glovebox with vanity mirror on Ghia.

Corsair features a tilt adjustable steering column.

The new Corsair Liftback offers you powerful four cylinder engines. Whether you choose the GL or the Ghia, you'll find yourself driving a vehicle with plenty of performance and excellent fuel economy.

A 12 valve 2.4 litre fuel injected engine powers the Corsair Ghia models.

The 2.4 litre EFI engine which powers Corsair Ghia has twelve valves, multipoint fuel injection, overhead camshaft and an aluminium cross flow cylinder head.

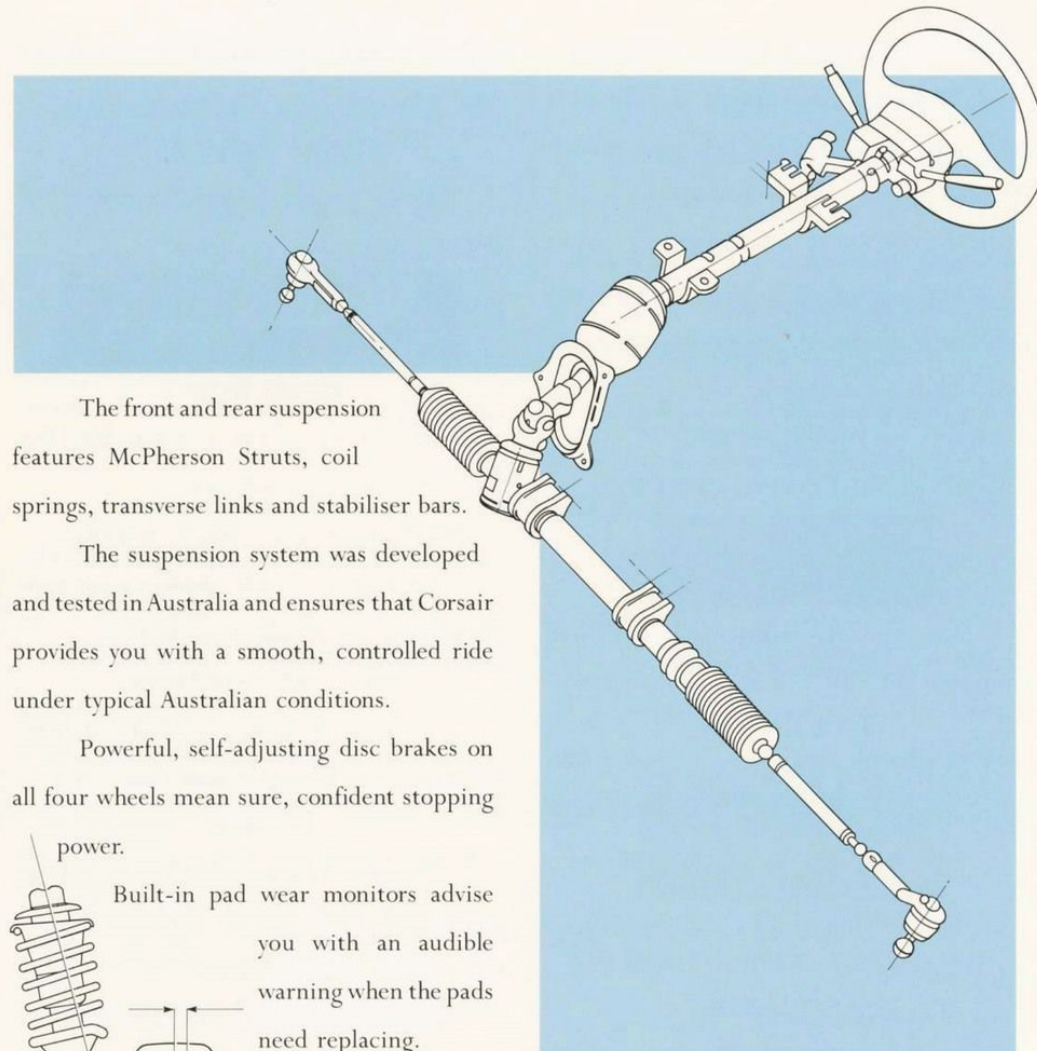

It can deliver 96kW of power at 5,600 rpm, and 189Nm of torque at 2,800rpm, to provide you with sparkling performance, coupled with economy and reliability.

Corsair GL is fitted with a highly efficient 2.0 litre EFI 4 cylinder engine.

The Corsair GL is fitted with a fuel efficient 2.0 litre power plant that couples sophisticated cylinder head design with multipoint fuel injection.

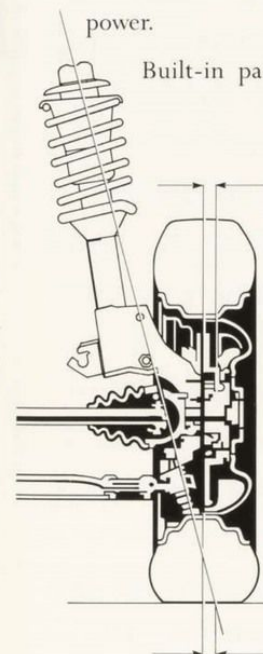

This unit can deliver 83kW of power at 5200rpm and 168Nm of torque at 4,000 rpm, providing an excellent blend of power and economy.

The front and rear suspension features McPherson Struts, coil springs, transverse links and stabiliser bars.

The suspension system was developed and tested in Australia and ensures that Corsair provides you with a smooth, controlled ride under typical Australian conditions.

Powerful, self-adjusting disc brakes on all four wheels mean sure, confident stopping power.

Built-in pad wear monitors advise you with an audible warning when the pads need replacing.

Corsair Ghia is fitted with power assisted rack and pinion steering to help make parking a breeze.

Front suspension uses negative scrub geometry, which helps to maintain straight line tracking when braking on a slippery road surface.

The precise rack-and-pinion steering system also features a tilt-adjust steering column.

When you compare the new Corsair Liftback with others, you'll find few cars that offer as much for the price.

This innovative combination of functionality and style, versatility and spacious interior, all add up to a car that few others can match.

DRIVE THE VALUE EVEN FURTHER.

Ford offer a wide range of fashionable accessories to enhance and help protect both the interior and exterior of your Corsair.

FORD SELECTAIRE AIR-CONDITIONING.

Keeps occupants cool on hot days and provides de-humidified air for de-misting in cold and damp conditions.

SEMI-AUTOMATIC AIR-CONDITIONING CONTROL.

Allows you to pre-set in-vehicle temperature. Self adjusts to maintain desired level.

REAR LOUVRE.

Helps eliminate glare and shades rear seat passengers.

HEADLAMP GUARDS.

Help protect headlamps from chipping and breakage.

TAILORED CARPET MATS.

Styled, hard wearing mats in fashionable

colours to match

Corsair's interior.

WEATHERSHIELDS.

Tough acrylic weathershields help

protect vehicle occupants from wind and light rain.

BONNET PROTECTOR.

Helps protect paintwork from stone chipping and minor scratching.

CARRY BARS.

Easy to fit to sedan or wagon. Ideal for skis, windsurfers or surfboards.

HEADLAMP AND GRILLE GUARD.

Unobtrusively helps protect paintwork from flying objects and insect matter.

CAR CARE PRODUCTS.

A range of quality products to help maintain Corsair's appearance inside and out.

TOWBAR.

Specially designed by Ford for Corsair to tow up to 910kgs. Meets Australian Design Rule (ADR 44) specifications.

TRAILER WIRING ACCESSORIES.

All the items necessary to connect Corsair's electrical system to a caravan or trailer.

CENTRAL LOCKING.

Fully approved by Ford for use in Corsair. Allows vehicle doors to be locked or unlocked from drivers door.

Remote control available as an extra cost option.

FORDCARE

OUR COMMITMENT TO CUSTOMER SATISFACTION.

We are committed to ensure that you enjoy your new Ford from delivery, through all of its lifetime. We meet that commitment with Fordcare – a range of services and benefits designed for Ford vehicles and their drivers.

At the front-line of Fordcare are highly trained technicians backed by advanced equipment and parts support.

- Sophisticated diagnostic, tuning and servicing equipment.

- Oasis (On-line Automotive Service Information System), an extensive Ford Engineering data base that helps technicians pin point problems quickly and helps save you money – available at most Ford dealers.

- Ford Approved Service Parts – the ones you can trust to perform like original equipment – are covered by the Ford dealer 12 month/20,000 kilometre Express Parts Warranty for your protection.

You can relax knowing that Fordcare will always be there to help keep your vehicle at the peak of performance.

The in-built quality of your Ford is backed by the following additional warranties.

12/20 EXPRESS

FORD VEHICLE WARRANTY.

Covers your Ford against defects in materials or workmanship for the first twelve months or 20,000 km – whichever comes first.

FIVE YEAR PERFORATION

CORROSION WARRANTY.

Covers the original vehicles' body against perforation corrosion for the first five years of its life.

LIFETIME SERVICE WARRANTY.

Covers the majority of part replacements, including labour carried out by your Ford dealer after the expiration of the initial 12 month/20,000km warranty. You will only ever pay once for such replacements.

LIFELONG PANEL WARRANTY.

Covers replacement outer body panels against perforation corrosion for the life of the vehicle.

Further information on these warranties may be obtained from your Ford dealer.

FORDcare

Corsair Liftback is a rewarding car to drive on city streets or country roads.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
