

2001 Ranger

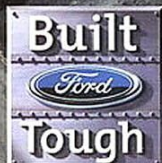

T W O T H O U S A N D A N D O N E

2001 Ranger.

Set your own pace.

The all-new Ranger Edge is a tough-performing truck that includes colour-keyed bumpers, grille and wheel lip moldings for a rugged look.

Whether it's work or play,
Ranger is always willing.

Whether it's back roads, city streets or no roads at all, Ranger is ready and able to take on the challenge. Available in Regular Cab or SuperCab models, you can choose the one that best suits your style.

Ranger XLT SuperCab 4x4 shown with optional dealer-installed hard tonneau cover, in Woodland Green Clearcoat Metallic.

2001 Ranger

exterior exterior exterior exterior exterior

When the going gets tough, the tough drive Ranger.

No matter how rough the roads are outside, you'll always be comfortable inside Ranger. A 60/40 cloth split bench seat reclines back and gives you plenty of leg room. Dual rear jump seats are included on SuperCabs. The electronic AM/FM stereo with CD player lets you enjoy your favourite music, while the sliding rear window brings in the fresh air.

Ranger interior shown in Dark Graphite.

6-disc in dash and single cd changer

All Ranger models include an electronic AM/FM stereo with single CD player (right). Enjoy the added convenience of an electronic in-dash 6-disc CD changer with the optional XLT Premium Group (available on XLT SuperCab only).

controls

Right within reach, you'll find Ranger's climate controls are easy to use.

storage console

The optional cloth sport bucket seats include a handy storage console (a feature within the XLT Premium Group option).

floor covering

Ranger Edge features unique black textured vinyl floor covering.

instrument panel

Ranger's instrument panel design is clean and functional. Metric instrumentation is standard in Canada.

bench seat

The 60/40 split-fold bench seat in Ranger Edge in cloth and vinyl trim (available on Ranger Edge only).

Ranger has all the safety features you deserve.

To help keep you safe on all your road adventures Ranger features many standard safety technologies.

Driver and front passenger air bags include a manual standard passenger-side deactivation switch. New for 2001 is the improved 4-wheel anti-lock braking system (ABS) that's now standard on all models. It gives Ranger straighter stopping capability and greater steering control on wet or slippery road conditions. We've also included a protective safety structure plus a SecuriLock™ anti-theft system that requires a specially encoded key to be used to start the engine.

truck frame

Ranger's rigid, fully boxed front frame offers better fit and finish due to precise welds. It also achieves excellent front torsional rigidity, which contributes to better ride and handling.

DEALER ACCESSORIES**

accessories dealer accessories dealer accessories dealer accessories

The wraparound aero hood/bug deflector is constructed of virtually unbreakable G.E. Lexan®.

Tubular pickup box rails add function and style to your Ranger.

A bed-mounted bike carrier rack allows you to haul bikes securely in the truck bed.

All-weather floor mats feature a moulded grid pattern to collect water, slush, mud and dirt.

Moulded running boards reduce step height and add a customized look.

A soft tonneau cover snaps to the rail system for quick attachment.

** All accessories optional.

THE FORD CONSUMER COMMITMENT

the ford consumer commitment the ford co

24-Hour Roadside Assistance

You can count on Ford Quality now and down the road. That's because every new Ford of Canada car and light truck includes the assurance of an emergency no-cost Roadside Assistance Program during the 3-year/60,000 km warranty period. Help is just a toll-free phone call away - 24 hours a day anywhere in Canada or the continental United States - should you ever need trip planning, towing assistance, fuel delivery, a tire change, a jump start, emergency travel reimbursement or even help when you're locked out of your vehicle.

36-Month Warranty

The 36-month/60,000 km limited warranty covers the complete vehicle (except tires, and other items listed in the Warranty Guide) against defects in factory-supplied materials or workmanship. Ford of Canada's corrosion warranty covers against corrosion perforation on body sheet metal panels for 5 years/unlimited distance. Each vehicle is protected with an enhanced corrosion protection system.

Customer Information Hotline

1-800-561-FORD

Should you require any additional general or program information, call our toll-free Customer Information Hotline for prompt, courteous assistance.

CIBC Run For The Cure

Ford of Canada proudly supports the Canadian Breast Cancer Foundation CIBC Run for the Cure.

Ford & The Environment

Ford of Canada is dedicated to sound environmental practices and is an industry leader in supporting a cleaner environment.

- Ford is continuing to develop alternative fuel and electric-power vehicles. In fact, Ford offers more alternatives in alternative fuel vehicles than any other automaker.
- Ford Motor Company has made a major investment in Canada's Ballard Power Systems and their revolutionary new hydrogen fuel cell.
- This catalogue is printed on recycled paper which contains 10% de-inked post-consumer materials and uses vegetable inks.
