S = Standard O = Factory Option that can be ordered before a vehicle is manufactured at an additional cost

P = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost A = Accessory fitted at Ford Dealer at an additional cost

Disclaimer:

1. Performance data measured using 98 RON fuel. 2. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 3. Brake calliper colour changes to red when MagneRide® suspension is optioned on GT Fastback models. 4. Track and drag strip drive modes are for track use only. Do not operate these drive modes on public roads. Driver assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Please see Owner's Manual for more information. 5. Factory Options can be ordered before a vehicle is manufactured at an additional cost. Not available when GT Appearance Pack is selected. GT Fastback models fitted with MagneRide® suspension will receive Red painted Brembo™ brake callipers with a white Brembo™ logo. 6. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 7. Track App features are for track use only. Please do not operate these features on public roads. 8. Race Track exhaust setting is for track use only. Do not operate race track exhaust setting on public roads.

Disclaimer:

9. "Leather accented" refers to seats with a combination of real and artificial leather. **10.** BANG & OLUFSEN© 2024 and B&O© 2024. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive System Manufacturing Kft. All rights reserved. **11.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **12.** Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **13.** Connected Built-In Satellite Navigation is a Connected Service where eligible vehicles receive 1 year of service from the Ford Express New Vehicle Warranty start date, after which time the service may cease to be available or may be subject to a subscription fee. Users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on' to use this feature. **14.** Use of FordPass is subject to the FordPass Terms and Privacy Policy available on ford.com. au/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **15.** Driver assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Please see Owner's Manual for more information. **16.** Pre-collision Assist with Autonomous Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. These do not replace safe driving. See Owner's Manual for Limitations. **17.** Evasive Steer Assist does not control steering. **18.** This feature will return control of the vehicle to the drive if, at any time after the impact, the driver actively operates the accelerator pedal or carries out emergency braking by themself. If there is no such intervention from the driver, the system will brake the vehicle to a complete stop. **19.** Adaptive Cruise Control (ACC) has a minimum operating speed of 20km/h. **20.** Adaptive Cruise Control and Lane Centring has a minimum operating speed of 20km/hr. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Lane Centring feature should be disabled via the Driver Assistance menu in SYNC before towing. Customers should read the Owner's Manual for full details of the limitations of the ACC system before activating the system. **21.** Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. **22.** Subject to State and Territory regulations. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with the heaviest possible combination of factory fitted optional equipment included. Payload is calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Payload (based on Kerb Weight) is the maximum combined value of occupants, cargo, added accessories, added structures and tow ball download (when towing). Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) are not exceeded. **23.** Factory Options can be ordered before a vehicle is manufactured at an additional cost. **24.** Not available when MagneRide Suspension and/or Recaro Sport Seat Options are selected. **25.** Not available when GT Appearance Pack is selected. **26.** Factory Options can be ordered before a vehicle is manufactured at an additional cost. Not available when GT Appearance Pack is selected. GT Fastback models fitted with MagneRide® suspension will receive Red painted Brembo™ brake callipers with a white Brembo™ logo.
