

# FORD FALCON ACCESSORIES

For comfort, security or protection.  
For a touch of individuality,  
Ford Falcon Accessories are the answer.

**Ford Australia - We're moving with you.**

Illustrated: Falcon GL Sedan, fitted with a selection of accessories from this brochure.

# BEAT THE HEAT

**Air Conditioning:** Drive cool and refreshed with Ford Selectaire air conditioning—the integrated air conditioner designed for your XE Falcon or Fairmont. Selectaire air conditioning has been developed to Ford engineering standards and has undergone rigorous testing to ensure good performance under a wide range of operating and weather conditions. Once considered a luxury in this sun-burned country, air conditioning is now an accepted part of comfortable summer driving.

**Weathershield:** Drive in comfort with the window down. Front passenger's model is also available.

**Metal Sun Visor:** Help protect eyes from overhead glare. Aerofoil style double skin construction reduces wind noise, flutter and streamlines air flow around sun visor.

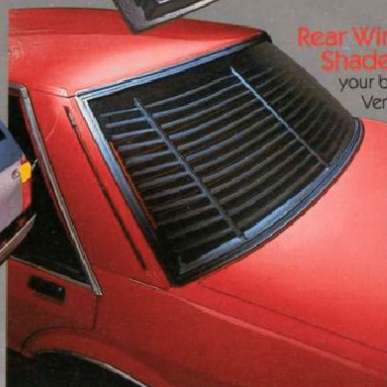

## Rear Window Louvre

Helps keep interior cabin temperatures down and cuts direct sunlight on rear seat passengers. Your Falcon has a sportier look.

## Rear Window Venetian Shade:

Provide a cooler ride for your back-seat passengers. Venetians deflect the sun's rays, yet won't obstruct the view in your rear-vision mirror. Venetian shades available for the side and rear windows of Falcon Wagons.

# PROTECT YOUR INVESTMENT

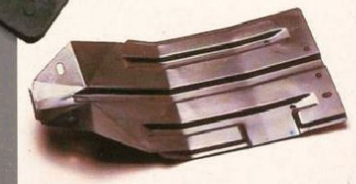

**Mudflaps:** Effective splash guards to help deflect water, mud, stones and tar spatters thrown up by wheels. Recommended for front and rear wheel arches.

**Headlamp Guards:** Help protect your valuable quartz halogen headlamps from flying stones with these good-looking snap-on plastic covers. They're tough. But the light shines clear through.

**Insect Screen:** Keep flying insects out of your radiator core and help avoid overheating problems. Mounted behind grille. (not illustrated).

**Sump Guard Kit:** For protection during rough road and outback motoring. A small detail that could help avoid a bad situation.

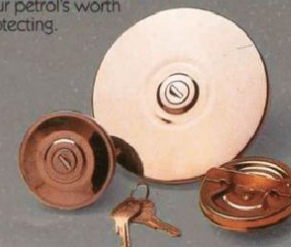

**Fabric Upholstery Protector:** Forms an invisible shield against dirt, grease and many stains. Makes interiors much easier to clean.

**Car Care Products:** A range of quality car care products to help protect your investment.

**Car Wash Brush:** Soft bristles to protect paintwork. Comes with detergent tablets and hose fitting adaptor.

**Locking Petrol Caps:** At today's prices your petrol's worth protecting.

# HOLIDAY MOTORING

**Stylish Sedan Roof Rack:** Great for carrying those extra loads. Sturdy aluminium construction with adjustable tie down points. All cross bars can be removed to eliminate the empty rack wind noise. Good looking too!

**Towbars:** Tested and recommended by Ford for your towing requirements. Available in Class II (towing strength up to 1590 kgs) or Class I (towing strength up to 910 kgs). Adjustable Ball Mount and Spring Bar Kits are available for Class II and Gooseneck ball mounts for Class I bars.

**Caravan Towing Mirrors:** For safer driving with a wide load on tow. Right & Left hand mirrors available.

**Air Adjustable Shock Absorbers:** Compensate for the load you're towing. It's easy to adjust the pressure at a filling station.

**Dust Deflector:** For Falcon Wagons to reduce the downdraught that sucks dust on to your rear window.

**Transmission Oil Cooler:** To reduce the wear on an automatic transmission when towing heavy loads.

**Trailer Wiring Kits:** A range of quality connectors for trailer or caravan brake lamps and turn indicators. Round or flat 7 pin plug and socket, trailer adaptor and universal wiring harness.

**Lashing Strap:** Secure your load on roofrack or trailer. Easy to use 2.4 metres long.

# TOURING

**Fog Lamps:** In the winter, your visibility can drop in moments. Now cut through fog and mist with a long low beam where ordinary headlights just bounce back.

**Front And Rear Spoilers:** Streamline your car, and improve stability. May be painted to suit vehicle colour.

**Moon Roof:** A great way to enjoy open air and sunshine. Tilt, close or completely remove. An open moon roof extracts hot air when moving, and provides increased ventilation.

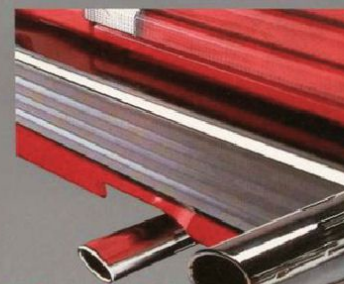

**Sports Instrument Kit:** For the driver who wants to know more about what his engine's doing. Comprehensive instrumentation includes battery voltmeter, oil pressure gauge, speedometer, fuel level, water temperature gauge and tachometer.

**Alpine Horns:** Penetrating dual note warns oncoming motorists in emergencies. High note horn also available.

## GOOD LOOKS!

**Exhaust Outlet Extension:** Add a great finishing touch to your vehicle with an attractive chrome finished exhaust outlet extension.

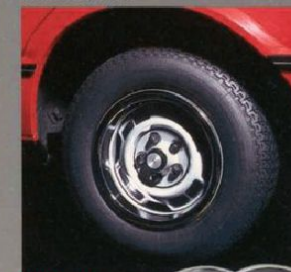

**Wheel Arch Moulding Kit:** Dress-up touches that help protect your paintwork. Four in kit.

**Bonnet Ornament:** Adds a distinctive touch to your new Falcon GL, Fairmont or Fairmont Ghia. Spring loaded to yield upon impact.

**Trim Rings:** Clip-on rings are easily attached to your wheels. High quality chrome finish.

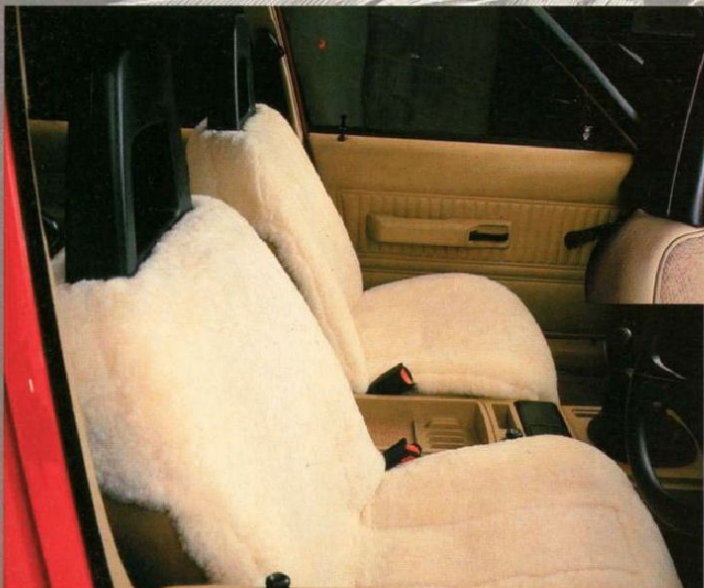

**Wheel Covers:** Give your Falcon the prestige or sporty look without paying the alloy wheel price.

# COMFORT AND CONVENIENCE

# NEW ARRIVALS

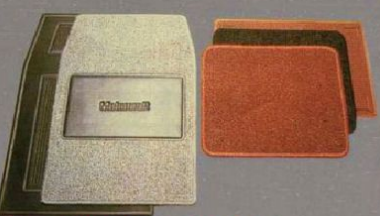

**Head Restraint Kits:** Turn your head restraints into head rests with attractive cloth or vinyl-covered padded inserts.

**Lambswool Seat Covers:** They're cooler in summer and warmer in winter than any man-made material. You'll like sitting in them and looking at them. Colours to harmonise with your Falcon interior; White, Gold, Dusk, Cane and Bone. Available for driver and front seat passenger.

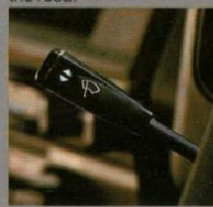

**Carpet-covered Door Bins:** The logical place to stow maps, sunglasses and other items. Easy to fit. Carpet covering to suit your interior protects bins against scuffing. Why not have one for each door?

**Rubber And Carpet Mats:** Protect your car from high heels, mud, gravel and heavy wear. Available in a choice of colours for front and rear.

**Intermittent Wiper Kit:** A great convenience item for those drizzling days on the road.

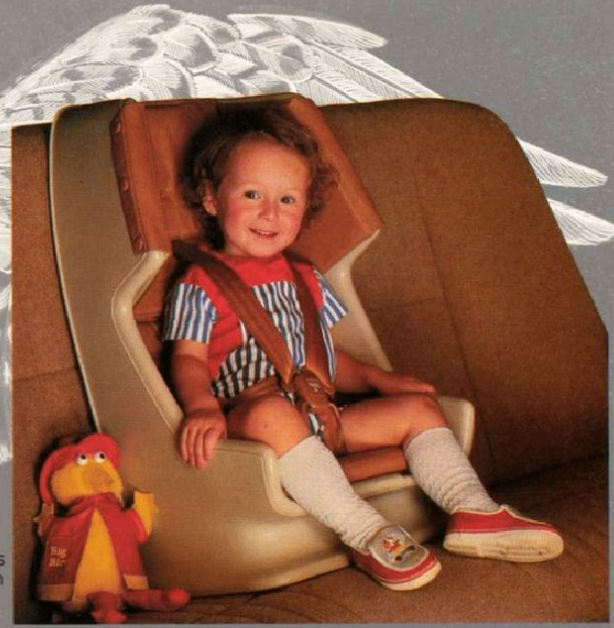

**Electric Boot Release:** One touch of the dash-mounted button and the boot catch releases. Great convenience item for shoppers, sportsmen, travellers and businessmen. Also available: Manual remote control boot release.

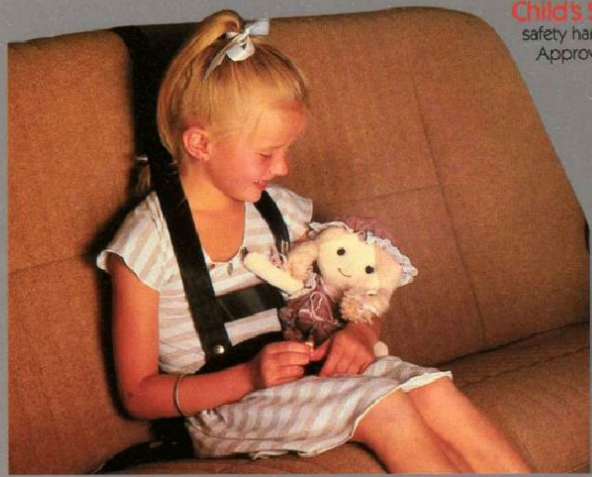

**Left Hand Rear View Mirror Kit:** For those blind spots where the interior mirror cannot reach.

**Digital Clock:** Quartz-accuracy. Easier to read than hands. For any driver with appointments to keep.

**Child Seat:** Suitable for children aged 6 months to 4 years. One piece moulded body shell, cushion padding, adjustable harness. Approved to Australian standard 1754.

**Child's Safety Harness:** This comfortable but secure safety harness is suitable for children aged from 4 to 11 years. Approved to Australian standard 1754.

**Bassinette Restraint:** Safety and freedom from movement for the newest arrival. Fits carry cots, bassinets and pramettes.

## EMERGENCY!

**Tyre Pump:** Be independent of garage air. Take your own.

**Portable Fire Extinguisher:** Better safe than sorry! Easy to use, strong construction, rechargeable.

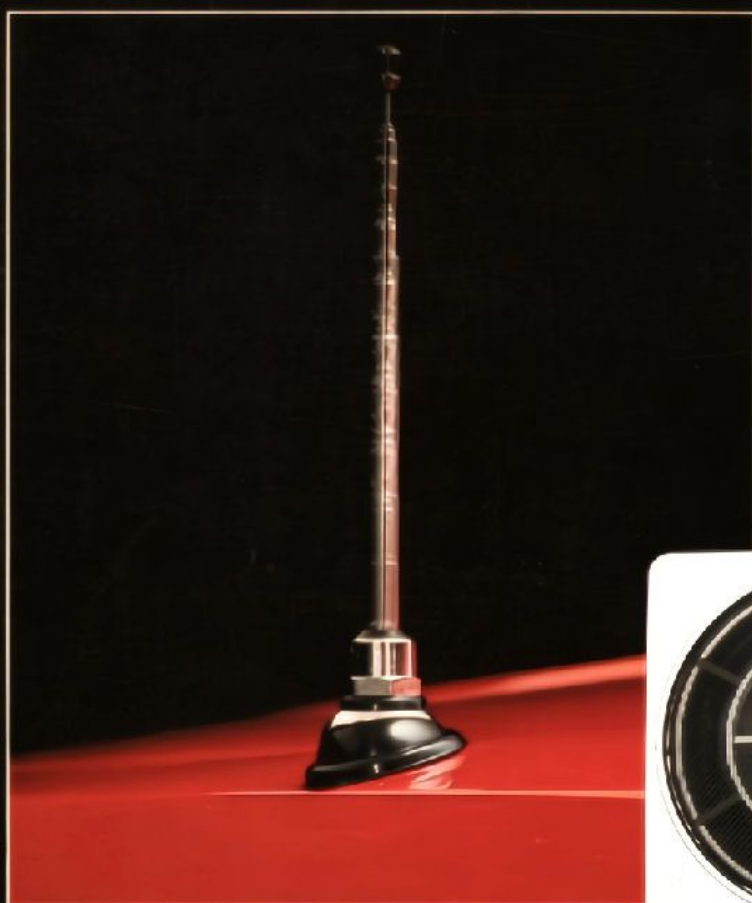

**Jumper Leads:** Don't be caught short with a flat battery. Positive and negative terminals clearly marked. Strong copper core heavily insulated for your safety.

# MUSIC TO GO

## AM/FM Radio With Stereo Cassette Tape

**Player:** A superb Pioneer unit, styled for Falcon. Excellent AM/FM reception, stereo balance control. Output 5 watts (max) per channel. Cassette player features fast forward and rewind and auto or manual eject facility. Kit comprises: radio, tape player and two rear-mounted speakers.

**Aerials:** Reduce the risk of vandalism or other aerial damage - with the turn of a switch the radio aerial can be raised or lowered. Manual lockdown aerials also available.

**Speaker Kits:** For front door mounting. Capture the full sound potential of your Radio/Tape player unit with these 20 watt, 10cm speakers for "all-around" sound.

About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products referred to. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products,

and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in this brochure should be taken as approximate only.
