

*The
Flagship
of the
Fleet*

CADILLAC FLEETWOOD SEVENTY FIVE

L I M O U S I N E

The flagship of the fleet. The epitome of VIP treatment, exclusive of Cadillacs. The Fleetwood Seventy Five. These Cadillacs embody the latest developments in the art of the limousine, combining their traditional heritage with contemporary styling and advanced technology. The Fleetwood Seventy Five Limousine seats eight passengers. While the Fleetwood Seventy Five Formal Limousine accommodates seven passengers.

And as you know, a warranty is an expression of a company's belief in its products. That's why Cadillac offers a 4-year/50,000-mile limited warranty. When you buy a new Fleetwood Seventy Five Limousine, you have the long-term peace of mind of this special warranty.

The Cadillac Commitment

We believe that when you buy or lease a Cadillac, you deserve to be treated like a Cadillac owner. And when you take your car in for service, you have the right to expect the type of consideration traditionally reserved for Cadillac owners. We intend to keep that tradition alive.

*Spirit of Outstanding
Citizenship*

Best of all... it's a Cadillac.

The flagship of the fleet. The epitome of VIP treatment. The most exclusive of Cadillacs. The Fleetwood Seventy Five Limousine.

These Cadillacs embody the latest developments in the evolution of the limousine, combining their traditional heritage with contemporary styling and advanced technology.

The Fleetwood Seventy Five Limousine seats eight passengers. While the Fleetwood Seventy Five Formal Limousine accommodates seven passengers.

And as you know, a warranty is an expression of a company's belief in its products. That is why Cadillac gives you a 4-year/50,000-mile limited warranty.* When you buy or lease a new Fleetwood Seventy Five Limousine, you're getting the long-term peace of mind of this special warranty.

*Some engines, a deductible applies. See your dealer for details.

**A WORD ABOUT ASSEMBLY,
COMPONENTS AND OPTIONAL EQUIPMENT
IN THESE CADILLAC PRODUCTS.**

The Cadillacs described in this brochure are assembled at facilities operated by General Motors. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Cadillac products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Cadillac products and will provide the quality performance associated with the Cadillac name.

With respect to extra cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes the optional equipment you ordered or if there are changes, that they are acceptable to you.

A WORD ABOUT ENGINES.

Cadillacs are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

UPDATED SERVICE INFORMATION.

Cadillac regularly sends its dealers useful service bulletins about Cadillac products.

Cadillac monitors product performance in the field. We then prepare bulletins for servicing our products better.

Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

**FINANCING OR LEASING, IT'S AS EASY
AS GMAC.**

The good feeling that comes when you buy or lease a new Cadillac can be enhanced when it comes to making the financial arrangements.

Which is why so many people finance with General Motors Acceptance Corporation. With GMAC it's done right in the showroom. Terms are tailor-made to suit your personal needs. You can choose your own monthly payment date. And the rates are friendly as can be.

So when the time comes, just tell us "I want GMAC." We'll take it from there while you relax.

You'll be in good company. All told, nearly 100 million cars and trucks have been financed the GMAC way. The easy way whether you buy or lease.

The flagship of the fleet. The epitome of VIP treatment. The most exclusive of Cadillacs. The Fleetwood Seventy Five Limousine.

These Cadillacs embody the latest developments in the evolution of the limousine, combining their traditional heritage with contemporary styling and advanced technology.

The Fleetwood Seventy Five Limousine seats eight passengers. While the Fleetwood Seventy Five Formal Limousine accommodates seven passengers.

And as you know, a warranty is an expression of a company's belief in its products. That is why Cadillac gives you a 4-year/50,000-mile limited warranty.* When you buy or lease a new Fleetwood Seventy Five Limousine, you are getting the long-term peace of mind of this special warranty.

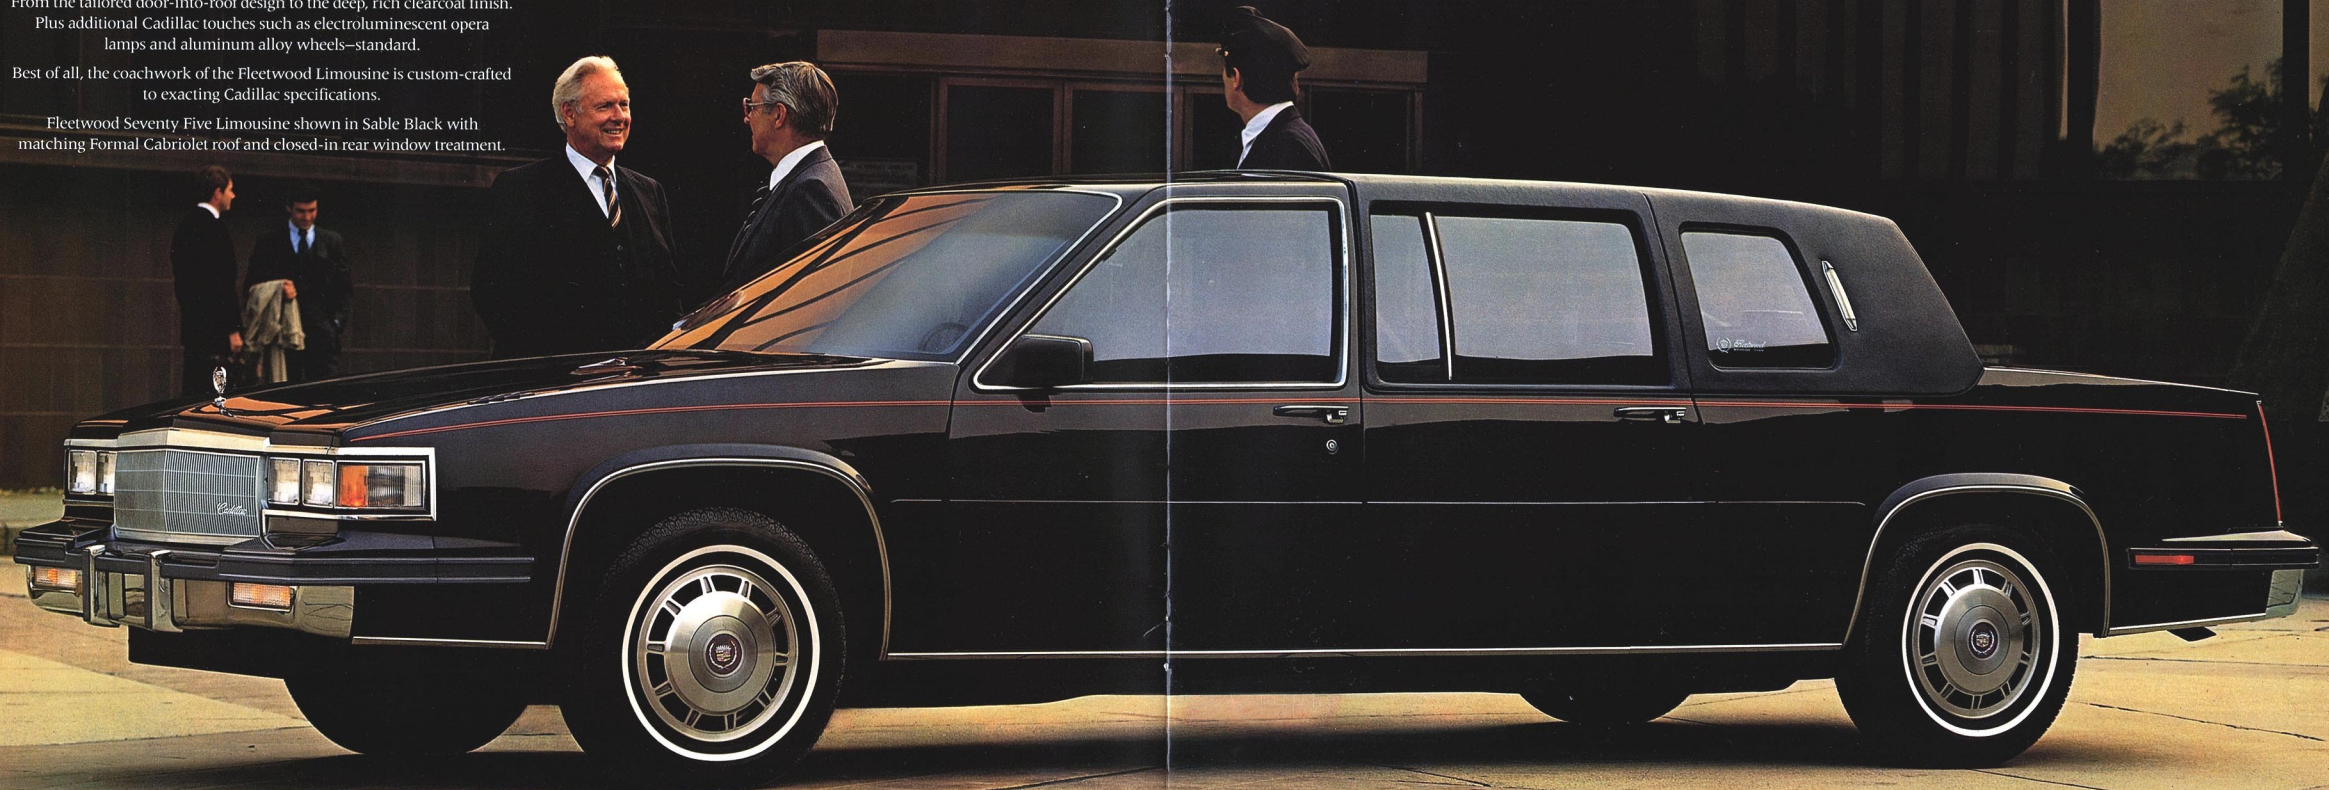

*In some cases, a deductible applies. See your dealer for details.

The Fleetwood
SEVENTY FIVE
Limousine

Here is a limousine that is as aerodynamic as it is elegant. From the tailored door-into-roof design to the deep, rich clearcoat finish. Plus additional Cadillac touches such as electroluminescent opera lamps and aluminum alloy wheels—standard.

Best of all, the coachwork of the Fleetwood Limousine is custom-crafted to exacting Cadillac specifications.

Fleetwood Seventy Five Limousine shown in Sable Black with matching Formal Cabriolet roof and closed-in rear window treatment.

A black and white photograph showing the interior of a Fleetwood Seventy Five Limousine. The view is from the driver's side looking towards the rear. The front seats are large, upholstered in dark leather with vertical ribbing, and have high, padded headrests. The dashboard and center console are visible, featuring wood trim and various controls. The rear of the vehicle shows a three-passenger bench seat with similar upholstery. The overall atmosphere is one of luxury and executive style.

Room at the top.

Inside every Fleetwood Seventy Five Limousine (shown) you'll find the ultimate executive environment. There is room for eight in a world of tasteful elegance.

Standard features include 45/55 Dual Comfort (three-passenger) Front Seats, a Six-Way Power Seat Adjuster on the Driver's Side, automatic door locks and power unlatch feature for the rear doors. Plus a roomy three-passenger rear seat and two auxiliary seats (two-passenger).

The Fleetwood Seventy Five Formal Limousine (not shown) has room for seven passengers, including a three-passenger rear seat and two auxiliary seats (two-passenger). Plus 45/45 individual Front Seats (two-passenger) with a Front Seat Console.

The interior seating areas are offered in Royal Prima cloth (shown) or available leather. The interior colors are Black (shown), Dark Blue or Gray.

*The eight
most important reasons
to own a Fleetwood
SEVENTY FIVE
Limousine.*

It's the eight people who can ride in your new Fleetwood Seventy Five Limousine who are most important. But consider also some other important practical reasons to add a Cadillac Limousine to your Fleet.

It's ideally suited to a myriad of corporate tasks. You'll show important clients around town. Bring valued executives to the office. Transport your Board of Directors to top-level meetings. And all the while, the Fleetwood Seventy Five Limousine will add a special measure of dignity and prestige to your business reputation.

The ride, as always, is tailored for passenger comfort. But in this new-generation limousine, an independent rear suspension provides a smooth ride. And enhancing passenger convenience are amenities such as power-operated rear door unlatch push buttons and a rear seat control panel (shown right) for the electronic climate control.

And there is a new cellular telephone available that's concealed in a locking storage compartment in the front seat center armrest. In addition, there is an available AM/FM Stereo (ETR)TM with Cassette Tape Player and rear controls (also shown right).

Fleetwood Seventy Five Limousine shown in Sable Black with matching Formal Cabriolet roof treatment.

The Fleetwood
SEVENTY FIVE
Formal
Limousine.

All corporate decisions should be as simple as choosing a Fleetwood Seventy Five Formal Limousine.

This Cadillac gives something you can never have enough of. Time.

A chauffeured Cadillac Limousine makes commuting time more productive by letting you conduct business in a virtual office on wheels.

The spacious interior lets you transport valued business associates in Cadillac comfort. And the contemporary styling says your company's going places. Today.

The Fleetwood Formal Limousine has room for seven and an easy-to-operate sliding divider window (shown right) to assure your privacy.

Fleetwood Formal Limousine shown in Sable Black with matching Formal Cabriolet roof treatment.

The latest developments in the evolution of the Limousine.

Power-assisted rack and pinion steering.

Digital fuel gauge.

On-board computerized self-diagnostics system helps service technicians find service solutions quickly.

Front-drive, transverse-mounted V8
—a Cadillac exclusive.

Front-wheel drive for impressive traction in adverse weather.

Front seat lumbar support.

Extensive simplification of electronics designed to help increase dependability.

Door-into-roof design for quality fit, custom-tailored appearance, reduced wind noise and wind resistance, and ease of entry and exit for driver and passengers.

For your convenience...power windows that can operate up to ten minutes after you turn off the ignition (or until a door is opened).

Power rear door unlatch push buttons located in each rear control panel so that rear passengers can exit conveniently. (They operate only when transmission shift selector is in Park.)

Auxiliary seats (two-passenger) repositioned for passenger comfort.

Electronic climate control with additional push buttons for rear passengers to control the interior temperature setting as precisely as one degree. Plus a push button that lets rear passengers display the outside temperature.

Eight-passenger seating capacity (seven-passenger in Formal Limousine).

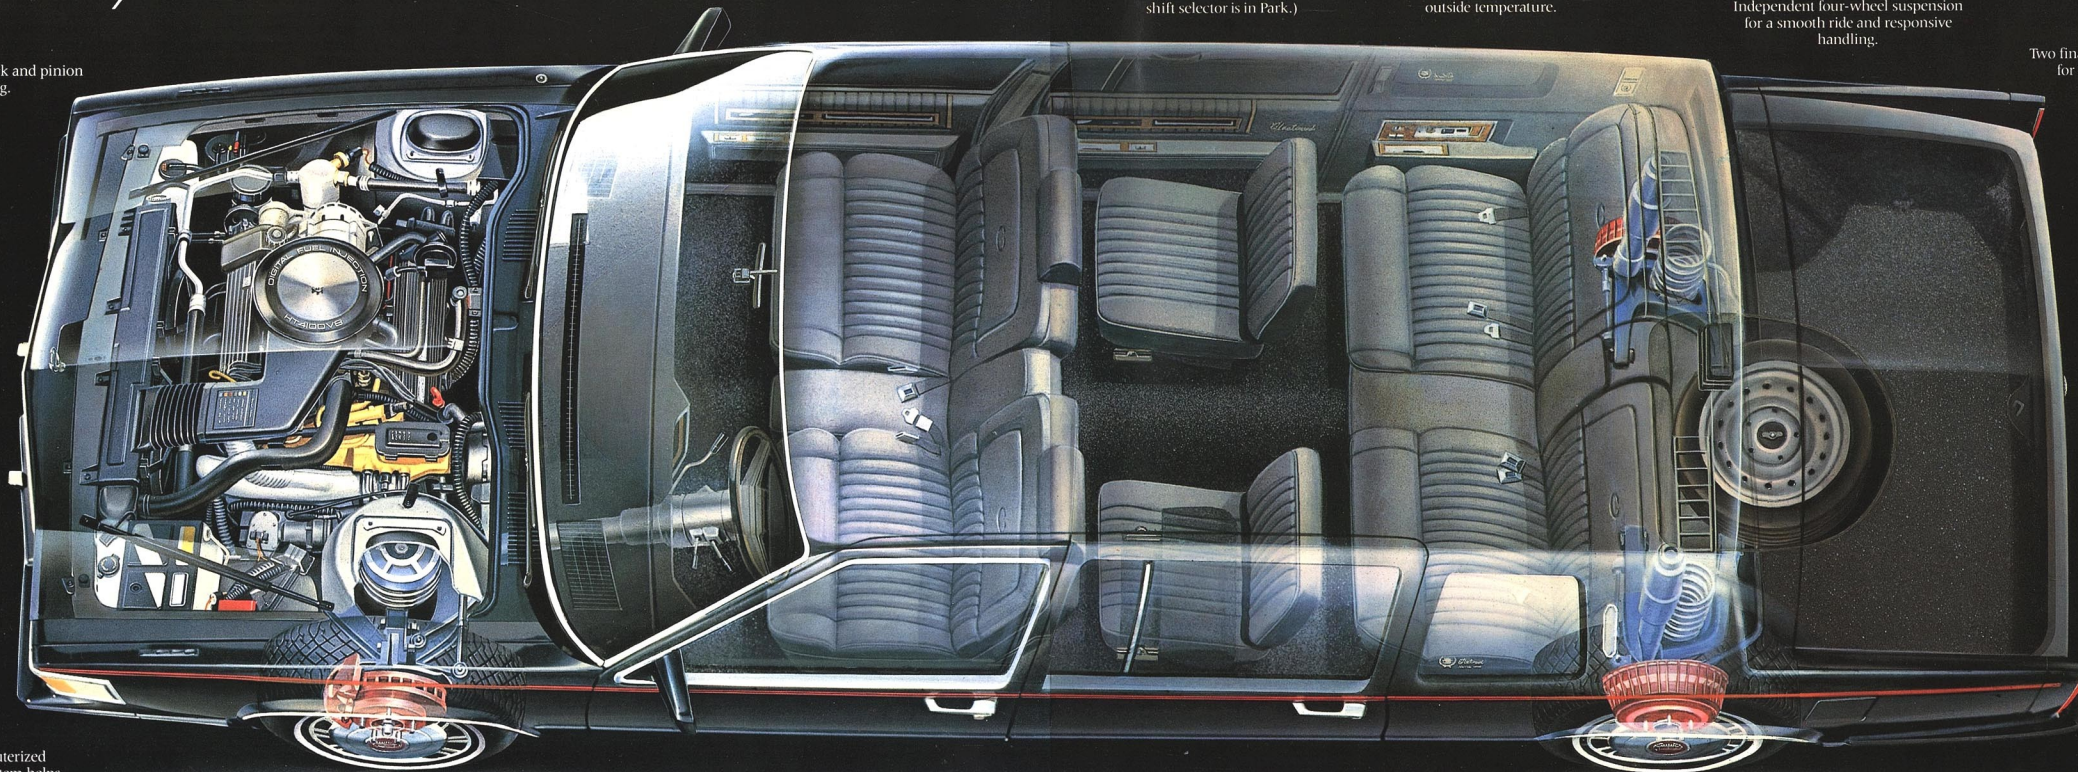

Electronic level control helps keep the car level and trim with changing loads.

Independent four-wheel suspension for a smooth ride and responsive handling.

Body-frame integral construction to enhance solid structural feel.

Two final coats of clear acrylic for a deep, rich luster.

More functional trunk space than last year in the Fleetwood Seventy Five Limousine.

Standard Features

COMFORT AND CONVENIENCE

Power Rear Door Unlatch Push Buttons. Located in each rear control panel, each push button controls one rear door so that rear passengers can exit conveniently. Push buttons operate only when the transmission selector is in Park.

Rear Electronic Climate Control Panel. Located on the right passenger side, the rear electronic climate control panel has additional push buttons that control the interior temperature setting as precisely as one degree. Plus a push button that lets rear passengers display the outside temperature.

Retained Accessory Power. Allows you to operate the power windows or the available remote trunk lid release for up to ten minutes after you turn off the ignition or until a door is opened. It's part of the Cadillac-exclusive Body Computer Module, a precise digital control system which enhances the function of many body-related passenger convenience features.

Gold Key Delivery System. Preferential treatment that includes a thorough inspection of your new Cadillac, an orientation driver, two sets of 23-karat gold-plated keys, a personalized Gold Key identification card and much more. Please ask your dealer for all the details.

Let's Get It Together...Buckle Up.

Every new Cadillac delivered by a Cadillac dealer in the United States comes with a one-year, \$10,000 safety belt insurance certificate

from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

A WORD ABOUT THIS CATALOG.

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you will find may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Cadillac dealer for complete information.

BEST OF ALL...IT'S A CADILLAC.
