ACCESSORIES WARRANTY

For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessories Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage (third-party installation labor costs excluded). For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide, or see your Toyota dealer.

THIRD-PARTY ACCESSORIES

Third-party accessories available through Toyota are not designed, manufactured or evaluated by Toyota. Installation may impact your vehicle's warranty. The accessories and any damage to other components or altered performance of the vehicle that may be caused by them are not warranted by Toyota and Toyota disclaims all liability therefore. See each third-party supplier's warranty for more information.

DISCLOSURES

1: Activity Mount not intended for towing. Power back door kick sensor (if equipped) should be disabled when Activity Mount is in use. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **2:** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] See Owner's Manual for limitations. **3:** Genuine Paint Protection Film by 3M is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory warranty only applies when installation is performed by a trained Toyota-approved installer. Please see Toyota dealer for details. **4:** Do not overload your vehicle. See Owner Manual for weight limits and restrictions. **5:** This floor mat/liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/liner on top of an existing floor mat/liner. **6:** Cargo and load capacity are limited by weight and distribution. Always properly secure cargo and cargo area. **7:** Dashcam may not record under certain conditions. Always respect the privacy rights of others. See your dashcam Owner's Manual for details. **8:** iPhone® is a registered trademark of Apple, Inc. All rights reserved. May not be compatible with all mobile phones, MP3/WMA players and like models. **9:** The Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately. **10:** Homelink® and the HomeLink® house icon are registered trademarks of Gentex Corporation.
