

ADD EVEN MORE BRILLIANCE TO YOUR LASER

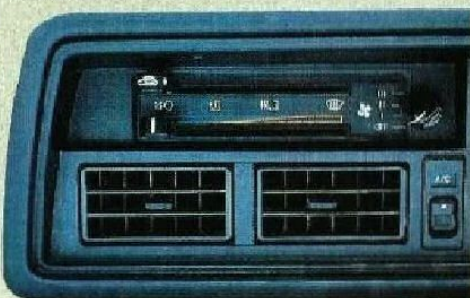

Illustrated: Ford Laser GL fitted with foglamps, headlamp guards, full wheel covers, pinstripe, bonnet decal, weathershield, rear window louvre, and styled rear mudspats.

PARTS AND ACCESSORIES

Air Conditioning

Drive cool and refreshed with Ford Selectair integrated air conditioning. It's been developed to Ford engineering standards and has undergone rigorous testing to ensure good performance under a wide range of operating and weather conditions.

Sunvisor

Helps reduce glare from sun. Also assists air conditioning by restricting direct entry of sun's rays.

Roof Rack

Sturdy stainless steel construction. Great for carrying extra gear. Cross bars can be removed when roof rack is empty to reduce roof rack wind noise. 50 kg maximum capacity with evenly distributed load.

Moon Roof

Enjoy the open air and sunshine. Glass panel can be tilted, closed, or completely removed.

Stylish Rear Mudspats

Match standard equipment front mudspats. Specially contoured to the wheel arch. Add style and help deflect stones and mud.

Sports Gear Knob

Matches sports steering wheel.

Front Seat Covers

Attractively striped poly-print and velour covers in colours to harmonise with the interior trim.

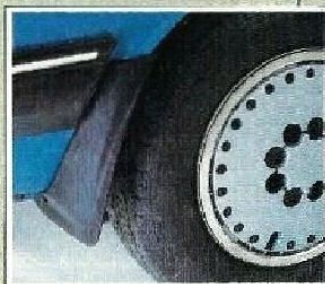

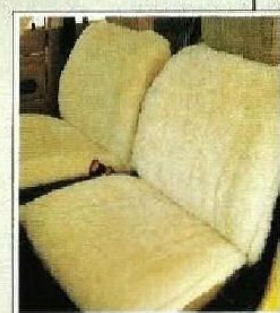

Sports Instrument Cluster

Includes speedometer with trip meter, large tachometer, gauges for fuel level and water temperature plus six selected warning lights.

Lambswool Seat Covers

They're cooler in Summer and warmer in Winter than any man-made material. Available for driver and front seat passenger. Choice of colours.

Rear Window Spoiler

Helps improve aerodynamic efficiency and provides rear window shade.

Venetian Shade

Deflects the sun's rays from rear seat passengers without obstructing driver's rear vision. Matt black finish.

Pinstripes, Bodystripes and Decals

Personalise your car to suit your style with a range of attractive pinstripes, eye-catching bodystripes and distinctive decals.

Wheel Covers

3 distinctive 'Push-On' designs.

Electric Boot Release

A great convenience idea. One touch of the dash-mounted button and the boot lid opens.

Air Deflector

Adds a distinctive aerodynamic look.

Headlamp Guards

Distinctive wraparound plastic covers designed to help safeguard headlamps from "flying" stones, insects, etc.

Twin Fog Lamps

Powerful, long, low beam for penetrating mist and fog. Incorporates in-dash "lamps on" signal. Clear protective covers also available.

Insect Screen

Keeps insects out of the radiator core to help prevent overheating. Strong nylon mesh, easily fitted and removable for cleaning.

Front Spoiler

To add a sporty look.

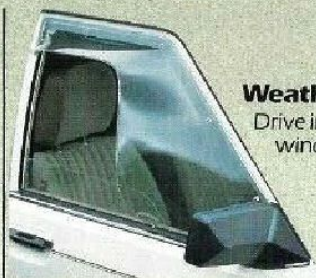

Rear Louvre

Helps deflect the sun's rays and reduce heat build-up without obstructing driver's view.

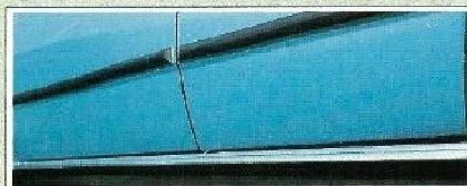

Rear Spoiler

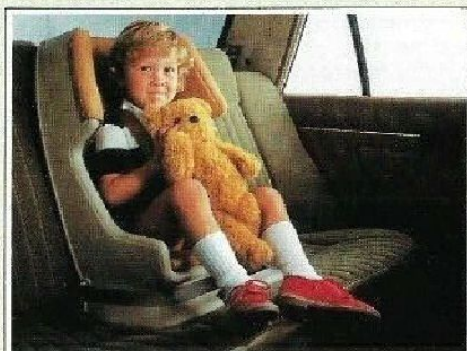

Adds a sports touch to the rear, and assists air flow. Soft rubber construction.
