FALCON CLASSIC.

\$3000 EXTRA VALUE THAT WON'T COST AN EXTRA CENT.

HAVE YOU DRIVEN A FORD...LATELY?

NEW FALCON CLASSIC.

Falcon has always represented exceptional value for money. And now, for a strictly limited time, Australia's top

Alloy wheels and P205-R15" tyres

selling car gives you even more. The special-edition Falcon Classic offers \$3000 worth of extra value, at no extra cost in the sedan or wagon.

For the same recommended retail price as a standard Falcon GLi or Futura, you also get sporty alloy wheels, air-conditioning, and a stylish Classic decal.

Plus you get all the outstanding features that you've come to expect from the Falcon range. Such as the only range of Australian cars which all have a standard driver's airbag, anti-lock brakes*, and the *Smartlock*

Passenger airbag optional on both GLi and Futura Classic

vehicle security system, which automatically immobilises the car's engine when the ignition key is removed.

Factory air-conditioning

Falcon also features a six speaker AM/FM stereo system, the most powerful engine in its class, and an invisible "safety compartment"

designed to provide excellent occupant protection. And for a little extra, you can choose the added peace of mind of the optional front passenger airbag, the latest evolution in Falcon's on-going safety program.

Unlike other systems, Falcon's airbag uses three sensors instead of one, to better decide when the airbag should be activated.

You can make a Falcon Classic your very own from \$29,950*.
