

TORANA SL

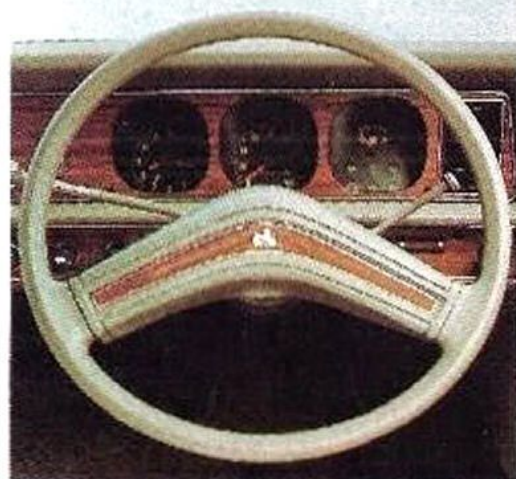

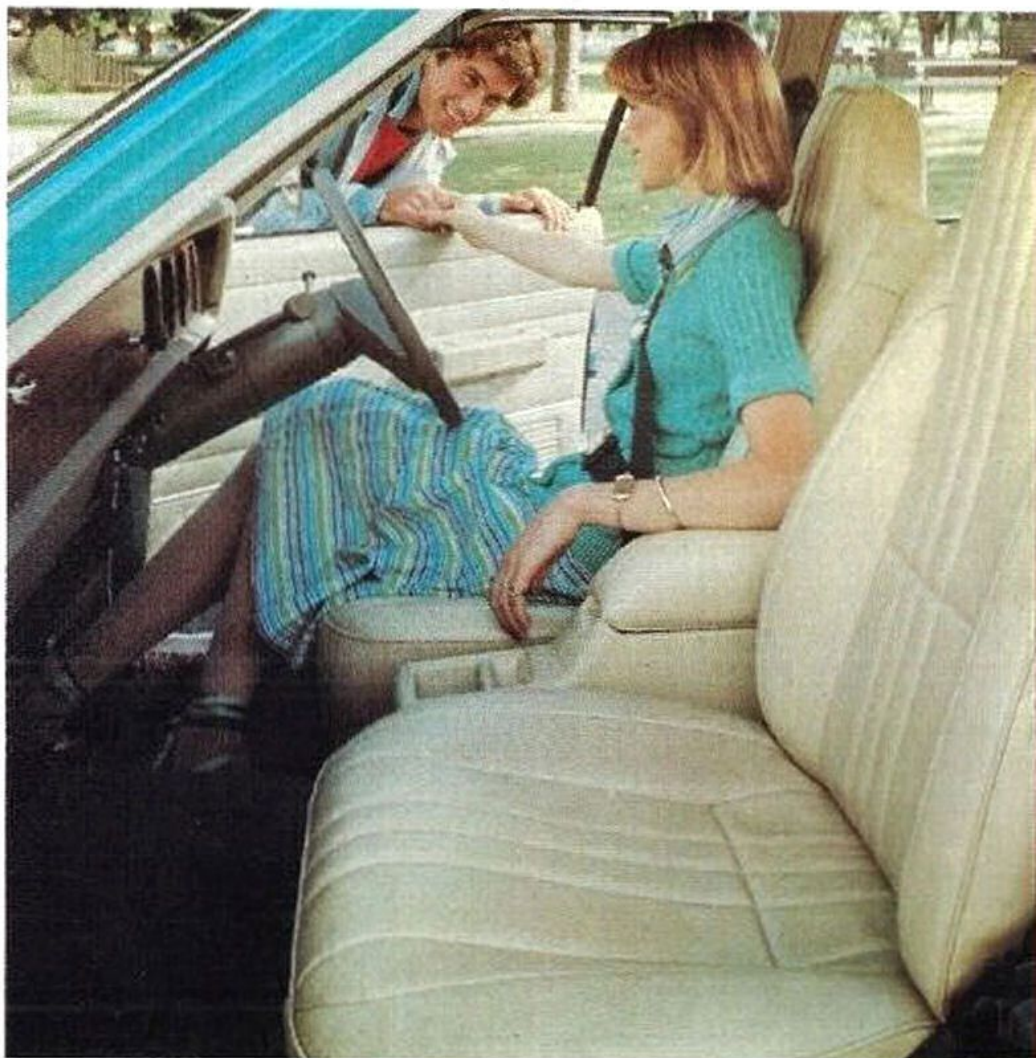

Luxury at a price you can handle

All illustrations and specifications contained in this catalogue are based on the latest product information available at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost. Check with your Holden Dealer for complete information.

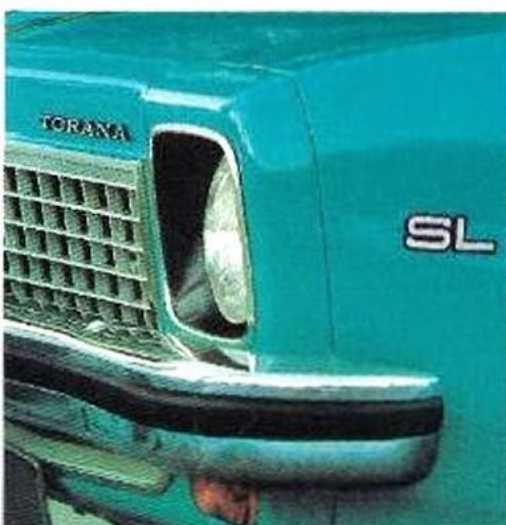

*The lap of luxury:
Reclining full foam buckets
with high-rise centre
console/storage compartment.*

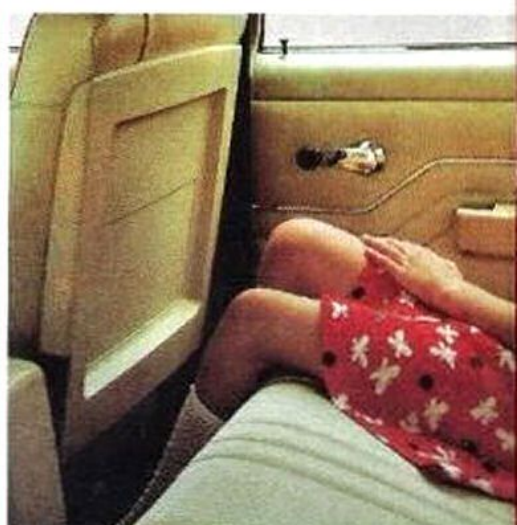

Soft grip steering wheel. Column mounted stalk control. Woodgrain finish dash.

Fan-booster ventilation. In comes the fresh air, out goes the stale air.

Rubber bumper protection strips help your SL look out for itself.

*Sit back and relax.
More rear seat knee room.*

SL.

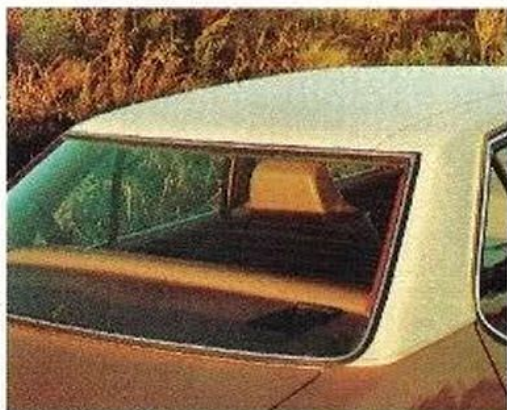

Top off your SL with a smart-looking optional vinyl roof cover and a smart-thinking rear window demister.

Torana SL. If you like the way it looks, you'll love the way it drives. That's because of its great combination of power, size, handling and luxury. It's designed to be rich and roomy inside, agile and compact outside. It steps lightly through traffic and it steps lively on the open road. And it does it all very comfortably, thank you.

An eager '2850' Six is standard equipment. So is smooth-riding full-coil suspension. And precise rack and pinion steering. And power-assisted front disc brakes. Plus competition-proven reliability and performance that won the 1975 Manufacturers' Championship. All on a wide stance, precision-size package.

Inside the SL, the comforts of two-speed fan-boosted ventilation. And full foam reclining front bucket seats that are as comfortable as they are good looking. SL's soft-grip steering wheel as a personal touch, while the column-mounted single control stalk puts the light touch at your fingertips. (For flashing and dimming the headlights, as well as operating the turn signals.)

In front of you: A rich-looking woodgrain finish dash, a functional electric clock and easy-to-read instruments with international symbols. You're surrounded by still more distinctive touches: Woodgrain finish accents on the steering wheel, as well as on the centre console. Underfoot, the extra plush, extra hush of loop pile carpeting. A push-button radio is also standard equipment. New Torana SL: Not just

Take the legwork out of shifting with smooth, quiet Tri-matic automatic.

change for the sake of change. Improvement for the sake of improvement.

If you want your Torana SL to be your own lounge on wheels, there's more you can add to make it just as individual as you are. Some good examples:

Air Conditioning.

Drive in comfort, arrive at your destination fresh and relaxed. Climate control at your fingertips.

Tri-matic Automatic Transmission.

Smooth, quiet, automatic shifting

through three speed ranges. (Column or floor shift available.)

Four-speed Manual Transmission.

If you'd rather shift for yourself, you can order a sporty console-mounted four-on-the-floor.

'3300' Six.

Gross power: 110 bhp (82 kW) at 4000 rpm. Gross torque: 100 lbs/ft. (258 Nm) at 1600 rpm. Comp. ratio 9.4:1. A nice blend of economy, torque and performance.

4.2 litre V8.

Gross power: 175 bhp (130 kW) at 4800 rpm. Gross torque: 240 lbs/ft. (325 Nm) at 3000 rpm. Comp. ratio 9.0:1. Lightweight, heavy duty. Added performance, great durability.
