CENTAFOLD

**The new front
seat for three.
From Ford.**

It's the best thing that's happened to family motoring in years. And we've called it Centafold — a front seat that can accommodate two or three at the drop of a hat. Or, more correctly, at the flip of an armrest.

CENTAFOLD

CENTAFOLD

The new front seat for three. From Ford.

It's the best thing that's happened to family motoring in years. And we've called it Centafold — a front seat that can accommodate two or three at the drop of a hat. Or, more correctly, at the flip of an armrest.

From five to six seater at the flip of an armrest

CENTAFOLD

To provide legroom for the centre front seat passenger, Centafold will only be fitted when ordered in conjunction with a column shift automatic or manual transmission and a centre console will not be installed.

Centafold is optional at extra cost on Falcon GL Sedans and Wagons and Falcon Utes and Vans and is a mandatory extra cost option on Fairlanes and Fairmont Sedans and Wagons ordered with column shift transmissions.

Centafold is fitted as a standard feature at no extra cost on Falcon GL Utes and Vans ordered with column shift transmissions.

Before deciding to place your order consult your Authorised Ford Dealer regarding the availability and price of model/engine/transmission combinations and the fabric and colour availability and price of Centafold.

PLEASE NOTE: Ford Motor Company of Australia Limited and Ford Sales Company of Australia Limited each reserves the right, subject to the laws of Australia and/or any applicable State or Territory thereof and/or the regulation of any competent authority which may apply from time to time at its discretion, and without notice, to discontinue or change the specifications, features, design and prices of the products referred to in this brochure or to either permanently or temporarily withdraw any such products from the market at any time without incurring any liability whatsoever to any prospective purchaser or purchaser thereof. Your Authorised Ford Dealer should be consulted on the correct use and operation of fitted options. Always consult your Authorised Ford Dealer for the latest information on specifications, features, prices, options and availability before deciding to place an order.

With the new Centafold front seat you can enjoy the comfort of seating for two, with individually adjustable bucket style backrests. And, simply by raising the centre armrest, there's ample space for three.

Speak to your Ford Dealer about specifying the new Centafold front seat in your new Falcon GL, Fairmont, or Fairlane (with column shift transmission).

From now on, two's company, and three doesn't have to be a crowd.
