All part of the **FORD TRUCK FORCE**

A fast growing force of vans, pick-ups and light trucks—now numbering thirty seven separate models. Around 400 authorised Ford Dealers Australia-wide can assist you with details of the right model for your application.

And remember, all Ford vehicles are backed by the Ford Dealer Network.

Service and replacement parts are doubly important when you're buying a commercial unit.

About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at their discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.

PLEASE NOTE:

■ 1. This specification sheet contains a general description only of the Ford Product referred to on the sheet, its specifications and features and the optional equipment which is currently available for use on or in connection with such product. Generally the optional equipment referred to is available at extra or variable cost. Certain optional equipment can only be used or ordered in combination with other optional equipment. ■ 2. The illustrations, information and specifications presented and referred to in this specification sheet were correct at the time when the specification sheet was approved for printing. However, Ford Motor Company of Australia Limited and/or Ford Sales Company of Australia Limited reserve(s) the right, subject to the laws of Australia and/or any applicable State or Territory thereof and/or the regulations of any competent Authority which may apply from time to time, at their or its discretion at any time and without prior notice to discontinue or change the models, features, specifications, designs and prices of the product referred to in this sheet and any optional equipment thereof without incurring any liability whatsoever to any purchaser or prospective purchaser of any of such products. ■ 3. All capacities, measurements, dimensions and weights quoted in this specification sheet are approximate only. ■ 4. Because of the possibility of changes in models and the information, specifications, features, standard equipment and optional equipment of or for the product referred to in this specification sheet a prospective purchaser is strongly advised to consult an Authorised Ford Dealer for the latest information on models, specifications, features, standard equipment, optional equipment, prices and availability before placing an order. ■ 5. From time to time deliveries are delayed by causes outside the reasonable control of Ford Motor Company of Australia Limited, Ford Sales Company of Australia Limited or their Authorised Ford Dealers. When an order has been placed, please keep in touch with your Authorised Ford Dealer.
