ACCESSORIES FOR YOUR DRIVING LIFE

ACCESSORIES

Integrated Air-Conditioning

Keep cool come summer, with Ford Selectair integrated air-conditioning. Rigorous testing means it meets the exacting standards of Ford engineering, and performs well in a wide range of operating and weather conditions.

Sunvisor:

A sunshade for the car, it reduces glare and helps protect eyes.

Bonnet Protector

Made of clear acrylic to be unobtrusive, it offers protection from flying stones, tar spatter and insects. A clip-on design makes it easy to fit and remove.

Headlamp Guards

Good looking covers help protect your headlamp assemblies against stones and other flying objects.

Weathershield:

Window down driving without a blast of wind or rain. Available for left and right front window.

Roof Rack:

Just the thing for carrying up to 73kg of extra gear. Its sturdy, stainless steel construction distributes the load evenly. Cross bars are removable when not in use, reducing wind noise.

Pioneer Speaker Kit

Enhance the sound of your radio/cassette player. Fit these onto the rear shelf. The kit comprises two 20 watt, 10cm speakers of dual cone design and 180g hi-density strontium mixed magnets.

Bassinet Restraint

A safety net restrains the bassinet while allowing baby freedom within. Also fits carry cots and pramettes.

Hood Ornament

A touch of class for the discerning motorist. Spring loaded, it yields on impact. Matching body ornaments also available.

Level Ride Bars

These bars offer increased stability and uprate towing capacity to 910kg for hauling heavier loads. For use with Ford Telstar towbar.

Trailer Wiring

The range includes quality brake lamp and turn indicator connectors for trailers and caravans. Round to flat 7-pin wiring adaptors and universal wiring harnesses are also available.

Towbar and Gooseneck

Designed and manufactured for strength and durability by Ford. Capacity 600kg.

Lambswool Seat Covers

Keep cooler in summer, warmer in winter. Available for driver and front passenger seat, in colours that co-ordinate with your car interior.

Child Safety Seat

A strong, single section moulded shell, is upholstered in soft, foam padding. The harness adjusts to fit children aged 6 months to 4 years. Approved to Australian standard 1754.

AM/FM Radio Cassette

Superb sound packed with the latest features. Radio has pre-set and automatic search, inbuilt balance and fade controls. Cassette player has auto reverse, music search, noise control and metal tape selector.

Exhaust Outlet Extension

This chrome exhaust outlet extension adds an attractive finishing touch to your car.

Cruise Control

Takes much of the fatigue out of driving on long trips. By maintaining a constant set speed over long periods it helps improve fuel economy and offers the driver a 'set and forget' speed limit adherence ability.

TELSTAR

Design for your driving life.

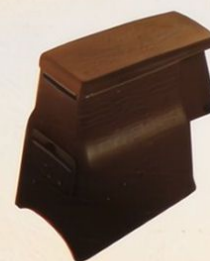

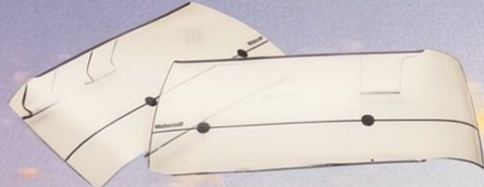

The award-winning design of the Ford Telstar has been refined. The result is a medium sized car even more in tune with your needs. It combines the latest in front-wheel-drive technology with new features for your comfort and convenience. Give your Ford Telstar or TX5 a touch of individual flair. Fit Ford accessories for comfort, convenience, protection or simply to add to its appearance.

TX5

Illustrated left: Ford TX5 fitted with ski bar rear window louvre. RHS weathershield, LHS rear view mirror, number plate frames and exhaust extension.

Illustrated right: Ford Telstar GL fitted with headlamp guards, sunvisor, LHS weathershield, roof rack, lambskin seat covers, rear window venetian shade, LHS mirror, bonnet protector and number plate frames.

Integrated Air-Conditioning:

Keep cool come summer, with Ford Selectair integrated air-conditioning. Rigorous testing means it meets the exacting standards of Ford engineering, and performs well in a wide range of operating and weather conditions.

Sunvisor:

A sunshade for the car, it reduces glare and helps protect eyes.

Bonnet Protector

Made of clear acrylic to be unobtrusive, it offers protection from flying stones, tar spatter and insects. A clip-on design makes it easy to fit and remove.

Headlamp Guards

Good looking covers help protect your headlamp assemblies against stones and other flying objects.

Weathershield:

Window down driving without a blast of wind or rain. Available for left and right front window.

Roof Rack:

Just the thing for carrying up to 73kg of extra gear. Its sturdy, stainless steel construction distributes the load evenly. Cross bars are removable when not in use, reducing wind noise.

Rear Window Venetian Shade

Shades the car interior from the sun, while allowing unhindered rear vision. It helps rear seat passengers ride in comfort.

Console Arm Rest

A practical and good looking accessory, it combines an arm rest with stowage space. Colours to match your car interior.

Ski Bars

These good looking bars, finished in matt black, sit directly onto the roof with rubber mountings and drip rail brackets. Rubber straps hold skis securely.

Number Plate Frames

Add a look of elegance with polished aluminium or matt black frames. The tough perspex cover protects the number plate from stones and other road grime.

Rear Window Louvre

Adds a sporty look to your car while shielding rear seat passengers from direct sunlight. Helps keep the interior cool.

Safety Kit

The neat carrying case contains safety triangles and PVC reflective vest, a range of dressings, scissors and a thermal blanket.

Ski Bars

These good looking bars, finished in matt black, sit directly onto the roof with rubber mountings and drip rail brackets. Rubber straps hold skis securely.

Number Plate Frames

Add a look of elegance with polished aluminium or matt black frames. The tough perspex cover protects the number plate from stones and other road grime.

Rear Window Louvre

Adds a sporty look to your car while shielding rear seat passengers from direct sunlight. Helps keep the interior cool.

Safety Kit

The neat carrying case contains safety triangles and PVC reflective vest, a range of dressings, scissors and a thermal blanket.

Carpet Mats

A range of shapes and colours for front and rear, to help protect fitted carpets from dirt and wear.

Car Alarm

A sophisticated system that operates on all doors, bonnet, and boot/tailgate. The alarm activates hazard flashers and siren.

Electric Boot Release

A button on the dash makes boot opening as easy as pointing your finger. It's convenient when you're shopping, travelling, on business or playing sport.

High Level Brake Lamps

For added safety, these fully adjustable lamps adhere to the rear window and connect into existing brake wiring.

Car Care Products

Maintain the fine finish of your car, inside and out, even under the bonnet, with this quality range of car care products.

Interior Map Light

A courtesy light and individual map lights for driver and front passenger make life easier on dark nights.
