

METEOR ACCESSORIES

EVEN MORE REWARDING

ACCESSORIES

Air Conditioning. A must for summer motoring. Ford Selectaire fully integrated air-conditioning undergoes extensive testing to ensure excellent performance under a wide range of operating and weather conditions.

Sheepskin Seat Covers.

Driver comfort helps maintain concentration and sheepskin is cooler in summer and warmer in winter. Also available for the front passenger seat in a range of matching interior colours.

METEOR

The new Ford Meteor encompasses stylish and practical design concepts which you are sure to find rewarding. Make your Meteor an even more rewarding car to own and drive by fitting quality Ford Accessories for safety, comfort or simply that touch of extra convenience.

Headlamp Guards. "Snap-on" covers which protect the headlamp and turn indicator assembly from breakage.

Rear Mud Flaps. A must for protecting the body work and keeping the car looking new. They deflect stones, mud and tar spatters.

Venetian Shade. Shades rear seat passengers from the sun's rays without hindering the driver's rear vision or altering your Meteor's exterior lines.

Roof Rack. Styled to complement the vehicle. Sturdy stainless steel construction ensures carrying up to 50kg of extra gear. Cross bars can be removed when not in use to reduce wind noise.

Cruise Control. Permits a constant selected speed on long trips and reduces driver fatigue. Automatically disengages under braking. Helps fuel economy and adherence to speed limits.

Child Safety Seat. Essential for safe carriage of children. The one piece moulding provides strength and the soft foam padding provides comfort for the toddler. Adjustable for children from 6 months to 4 years and most importantly, it meets Australian Standard 1754.

Ford Meteor GL fitted with
● Rear venetian ● Roof rack
● Sunvisor ● Headlamp guards
● Number plate frames
● Weathershield R.H.

Bassinet Restraint. A safety net which restrains the bassinet and keeps baby safe. It will also fit carry cots and pramettes.

Rear Window Louvre. Adds that sporty look to your Meteor while shielding rear passengers from direct sunlight. Helps keep the interior cool.

High Level Brake Lamps. Many accidents are rear impact and these help alert following drivers that you are braking. They attach to the rear window and connect into existing brake wiring.

Sunvisor. Strong, and functional. It reduces glare from the Australian sun and helps protect the eyes.

Weathershield. Allows you to drive comfortably with the window down. Protects against wind and rain.
