Ford. Winner Australian  
Quality Award 1993.

Falcon Futura Classic depicted.  
\*Four alloy wheels, one steel spare.

**HAVE YOU DRIVEN A FORD...LATELY?**

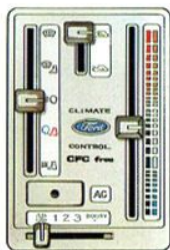

## \$3000 WORTH OF EXTRAS

### AT NO EXTRA COST.

The Falcon GLi and Futura sedans and wagons have so many features they've become best sellers in their own right. Now they're available as Classics, special limited editions. And the list of extra no-cost Classic features makes very enjoyable reading.

*Classic Comfort.* Air conditioning is included for year-round comfort. But not just any kind of air conditioning. All Ford Falcon air conditioning systems are CFC-free and more environmentally friendly.

*Classic Style.* It's quite distinctive. Falcon Classics have been released in a selected range of prestige paint colours. Nothing wrong with a finish that looks just that little bit more discriminating and individual is there?

Also adding a sharp touch of extra style to the Classic exterior, a distinctive red insert enhances the wide body side protection mouldings and front and rear bumpers.

*Classic Roadholding.* Falcon Classic's new design alloy sports wheels truly enjoy the road. So do the P205-R15 steel belted radial tyres that are fitted to them.

*Classic ID.* A tasteful Classic decal

distinguishes these Falcons from all others on the road.

*Classic Wagons.* They offer all the features of their sedan counterparts plus the extra convenience and carrying versatility of a roof rack.

*Classic Performance.* These Falcons are powered by the same brilliant 4.0 litre multipoint EFI six cylinder engine that's under the bonnet of all Falcon Futura and

GLi models. It's controlled by the advanced EEC4 computerised engine management system. And this great engine is matched to your choice of 5-speed manual or 4-speed automatic transmission.

(Futura Classic wagon available in automatic only.) In addition to the extra value equipment referred to above, Falcon Classic models

come with all the standard features of their GLi and Futura derivatives, including

*Smartlock*, arguably the world's finest vehicle immobilisation system.

For classic value, test drive the Falcon Classic sedans and wagons at your Ford Dealer.

*Government buyers excluded. \*Alternate alloy wheels available on some Classic models.*
