

THE ALL NEW HOLDEN COMMODORE
ACCESSORIES

The only thing Australia's most exciting new car needs is your personal touch

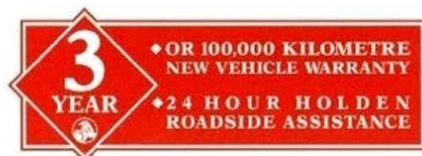

It's hard to imagine improving the most exciting, new family car in a decade.

But it is possible to personalise your new VT Commodore with the Holden range of accessories.

Whether you're looking for a quality accessory that adds style and luxury or safety and protection, this leaflet contains some great items from our extensive range.

Whatever you finally choose, it will give you a great sense of pride and enormous satisfaction making your new VT Commodore as individual as you are.

Not only does every accessory meet the Australian Design standards, each part is also backed by a 3 year 100,000km warranty

when installed by your Holden Dealer at the time of purchase.

(Other Warranty conditions apply when accessories are fitted after new car purchase).

Weathershield: Let the fresh air in and keep the wind and rain out with this full sized weathershield. Stylish, slimline version also available.

Cargo blind: Stylish, integrated design draws out to provide protection from the sun and provides added security for the back of wagons.

Bonnet Protector: Don't let stone chips and scratches detract from the superb paint finish. This durable acrylic custom design can be easily removed for cleaning.

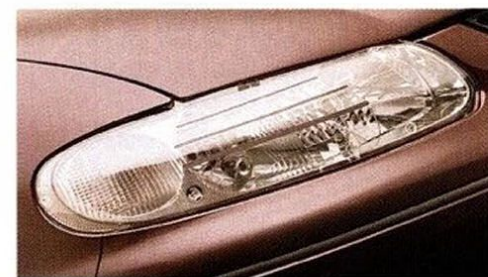

Cruise control: By maintaining a set speed, cruise control helps long country kilometres glide by effortlessly and improves fuel economy.

Carpet mats: Help keep your Commodore in its original condition with these fully tailored, high quality long pile carpet floor mats, now with a new anti-slip backing.

Towing packages: A specially designed range of towing packages are available to suit your specific towing needs. See your Holden Dealer for full details.

Headlight Protectors: Specially engineered for Commodore headlights in durable acrylic they provide the ideal protection against annoying stone chips and breakages.

Moulded mud flaps: Integrated in Commodore's fascia design, these fully moulded mudflaps are both practical and stylish. (Not designed for S and SS models).

Third seat package: Turn your wagon into a seven seater family mover with this third seat package. Designed to accommodate children, up to the size of an average 12 year old. Available in matching trim for all wagons.
