

The new CALAIS

series II

DRIVE THE PRIDE. DRIVE THE PASSION. DRIVE ON.

The new Holden Calais Series II is a car you can drive as hard as you drive yourself.

Sleek aerodynamic styling combines with new levels of luxury, power, comfort and safety to produce a truly remarkable car.

Beneath the striking contours of the new Calais lies refined, Supercharged V6 power.

And with the option of the all new 5.7 litre Generation III alloy V8 engine, your desire to drive will be matched only by your drive to succeed.

Drive the pride. Drive the passion. Drive on.

Calais

A NEW SENSE OF STYLE.

Unprecedented levels of luxury and convenience ensure a sophisticated, supremely comfortable driving environment.

The interior of the new Calais Series II leaves nothing to be desired.

The luxury and sensuousness of velour and leather predominates. The steering wheel, transmission shifter, handbrake and centre armrest are leather bound, and luxury Howe Leather is available as a seating option.

■ With controls conveniently mounted on the steering wheel, Calais' premium quality sound system is another step towards audio perfection. Features include a boot mounted 10 disc CD changer, 260 watts, 10 speakers and a larger control panel to make it easier to operate.

■ High output dual-zone climate control creates two separate temperature zones so both the driver and front seat passenger can enjoy their own temperature preference.

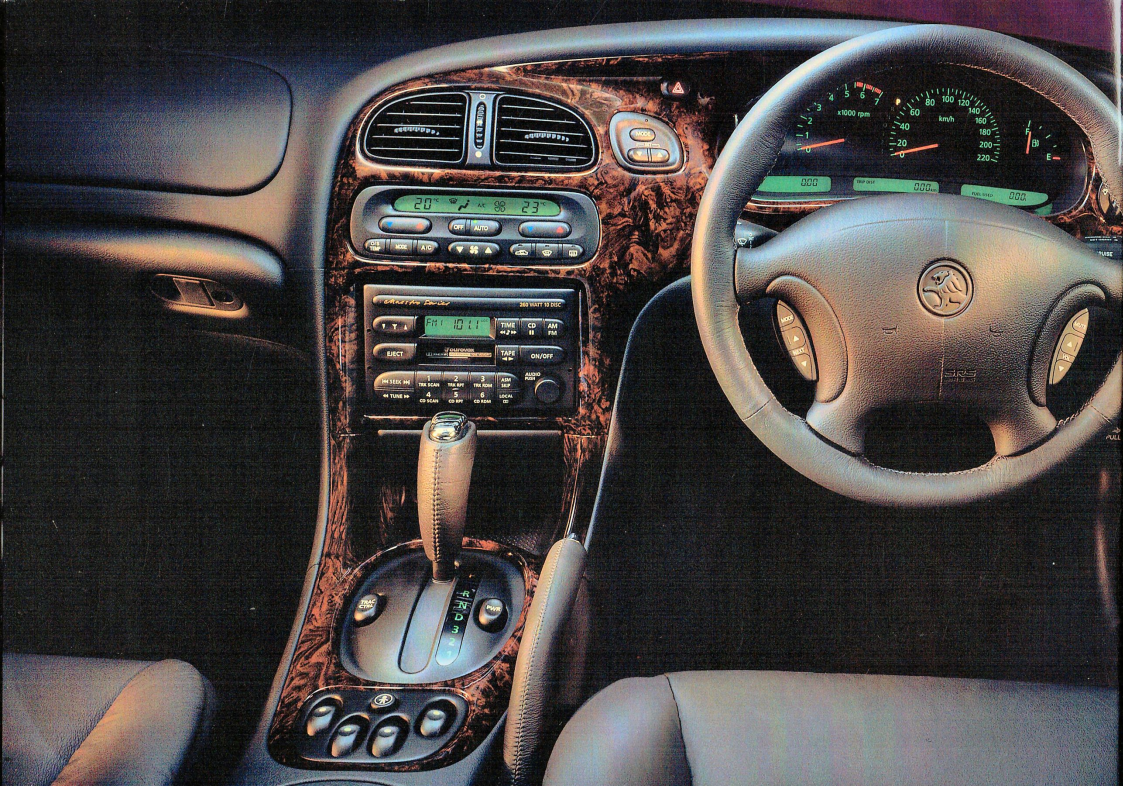

■ Calais' 8 way adjustment of both driver and front passenger seats allows you to find your preferred driving position - at the touch of a button.

■ Electronically controlled 4-speed auto transmission with power and economy mode. Power window and Traction Control buttons are conveniently located for easy operation.

Vehicle shown fitted with optional Howe Leather trim.

DESIGNED FOR MAXIMUM DRIVER LUXURY AND COMFORT.

Every detail of the new Calais Series II has been carefully considered.

The wrap-around driver's cockpit combines a wealth of information with the reserves of space traditionally enjoyed in a luxury car. There is a five-degree tilt on controls and instruments facing the driver.

And with thoughtful, innovative touches like a 12 function trip computer, there is a vast array of information allowing you to plan your driving experience.

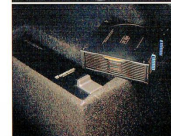

■ Ensuring the highest standard of precision and safety, the Calais steering wheel features adjustment for both height and reach to help achieve the ideal driving position. The Variatronic power steering has been recalibrated to provide assistance when parking and even better road feel on the highway.

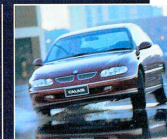

■ Calais' cruise control puts precise speed control at your fingertips to ensure pleasurable, economical long distance touring.

■ An innovative automatic transmission indicator displays the selected gear in the instrument cluster, minimising the need for drivers to take their eyes off the road.

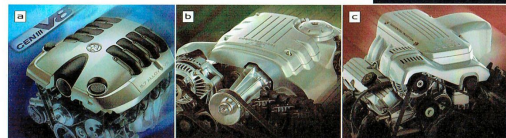

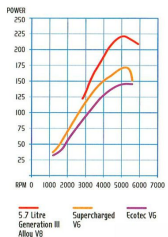

■ Accommodating your 10 favourite CDs, the Calais CD changer, concealed in the boot, can be simply operated, either from the sound system console or from controls conveniently mounted on the steering wheel.

**THE ALL NEW 5.7 LITRE
GENERATION III ALLOY V8.**

- 220kW of power, 446Nm of torque.
- Aluminium alloy construction creates a light weight engine for:
 - Smooth ride. Lower weight allows softer, more supple front suspension.
 - Agile handling. Less weight in the front end allows more precise steering response.
 - Enhanced fuel economy due to minimum addition to body weight.
- One piece induction system made from composite materials for smoother airflow and superior 'breathing'.

SUPERCHARGED 3.8 LITRE V6.

- 171kW of power, 375Nm of torque.
- Outstanding 6 cylinder performance from elite technology, shared with Aston Martin, Mercedes and Jaguar.
- Eaton M90 Supercharger is a crankshaft driven air pump that compresses more air into the cylinders than a naturally aspirated engine.
- More air, and more fuel, increase power. Like a bigger engine.
- Vacuum boost control modulates air pressure to give smooth, progressive power.
- Substantial torque across rev range makes the engine responsive and easy to drive.

ECOTEC V6.

- 147kW of power, 304Nm of torque.
- V6 engine is compact and light, for excellent ride and handling.
- High power with outstanding fuel efficiency from use of:
 - Friction reduction technology on moving parts, especially pistons, rings and valve train.
 - Sophisticated engine management.
- Stainless steel long life exhaust.

INNOVATIVE, POWERFUL YET ECONOMICAL.

Holden's three magnificent engines represent freedom - freedom of choice and freedom of expression.

From the smooth progressive power of the Supercharged V6 to the exhilaration of the optional all new 5.7 litre Generation III alloy V8 and the powerful yet efficient ECOTEC V6, Holden's powertrain choices will satisfy every driver's desire. And with the combination of Independent Rear Suspension, Anti-lock Braking and Traction

Control, Calais takes a prominent position as one of the world's most technically advanced vehicles.

**AS IMPRESSIVE
TO LOOK AT AS IT
IS TO DRIVE.**

The new Calais Series II is stamped with the authority and prestige that comes only with truly distinctive styling.

The low nose and chromed grille sweep elegantly back to the steeply angled windscreen, then smoothly over the roof to the high tail for a truly dynamic design.

Underneath lie bodylines that hint at supercharged performance - a car that is already in motion before it moves away.

■ The new Series II grille stamps this car with purpose, yet allows smooth air flow over Calais' aerodynamic contours.

■ Powerful fog lamps will not only light your way in difficult conditions but contribute to the distinctive look and style of the new Calais.

■ Bold individual styling is further enhanced by sporty 16" spoked alloy wheels and wide tyres with tenacious grip to take supercharged power to the bitumen.

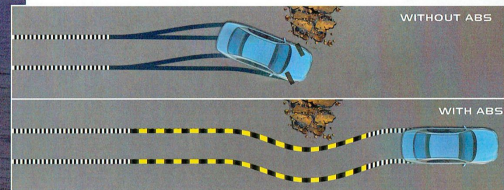

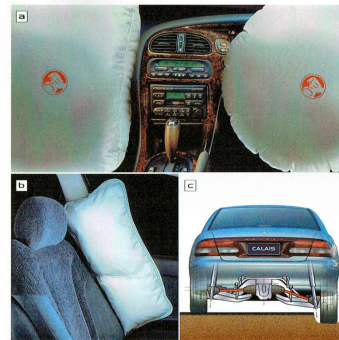

REASSURANCE COMES FROM KNOWING YOUR CAR WILL RESPOND TO THE UNEXPECTED. CONSISTENTLY, ON COMMAND.

Calais' superb roadholding characteristics - derived from Independent Rear Suspension, rear wheel drive and wide track (for a wide stance on the road) will give you all the confidence you want, and the kind of protection you need.

- "Twilight sentinel" automatically switches headlamps on at twilight.
- Variable, intermittent, road-speed sensitive wipers that clear rain faster as the car speeds up.
- Wide track (a wide stance) for stable cornering and minimal body roll.
- Crash pulse optimisation includes enlarged, crimped side rails which crush progressively to provide a less severe impact to occupants.
- An anti-submarining feature in all seats reduces risk of sliding under the seat belt in a collision.
- Lap/sash seat belts in all seating positions.
- Front seats feature seat belt sash height adjustment for best possible fit.

- Driver and passenger airbags are deployed with a flat surface, and work in conjunction with front seat belt pre-tensioners which minimise unwanted forward movement in the event of a collision.
- Calais is the first Australian built car to offer Side Impact Airbags. Each airbag is in the seat bolster for optimum positioning, regardless of seat position and angle.
- Independent Rear Suspension is specifically developed for Australian driving conditions to improve ride and handling over rough and uneven surfaces.

- The Bosch 5.3 Anti-lock Braking System (ABS) assists Calais' powerful 4 wheel disc brakes in an emergency situation by helping to maintain steering control, even under full braking.

- Holden's Traction Control (TC) utilises Anti-lock Braking (ABS) technology to help prevent loss of traction when accelerating and offers stable acceleration on tram tracks, wet roads, snow and ice, or on 'split surfaces' such as gravel on the shoulder of a bitumen road.

A PREMIUM PROTECTION PACKAGE TO SECURE YOUR PEACE OF MIND.

Boasting a host of intelligent security features, the new Calais Series II provides protection not only for you and your passengers, but also for your possessions.

Features like the sophisticated Calais alarm system, all-door deadlocks, and engine immobiliser.

The remote key operates tail lamps, headlamps or parking lamps, as preferred, to show the location of your car in the dark. It also operates the interior dome lamp so you can check the cabin before entering.

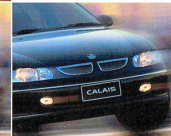

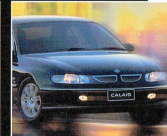

Key security features:

- Remote control key engages and releases door deadlocks for maximum security at the push of a button.
- Key can selectively unlock just the driver's door to help prevent an intruder entering elsewhere.
- Freewheeling door locks that recognise if the wrong key or other implement is inserted in the keyhole.
- Headlamps with programmable time delay to light a path to your door at night.

Calais provides not one, but two Priority Keys, packed with intelligent technological features. Each key holds the memory settings for two separate key holders, including audio and climate control preferences, trip computer read-outs, overspeed alarm limits, headlamp delay times, instrument brightness and radio antenna height.

The Calais Priority Key also provides practical assistance like remote unlocking of the boot, handy when you're in a hurry, or you have your hands full.

■ Striking Shale leather interior provides individually contoured and luxurious seating for the driver and all occupants.

■ The all new HSV enhanced 250kW LS1 V8 engine delivers unprecedented levels of performance and economy.

■ Distinctive body styling packages ensure that each HSV model retains its own sense of individuality.

■ Finely tuned suspension and brake packages, along with premium tyre and wheel packages, are tailored to provide the ultimate driving experience.

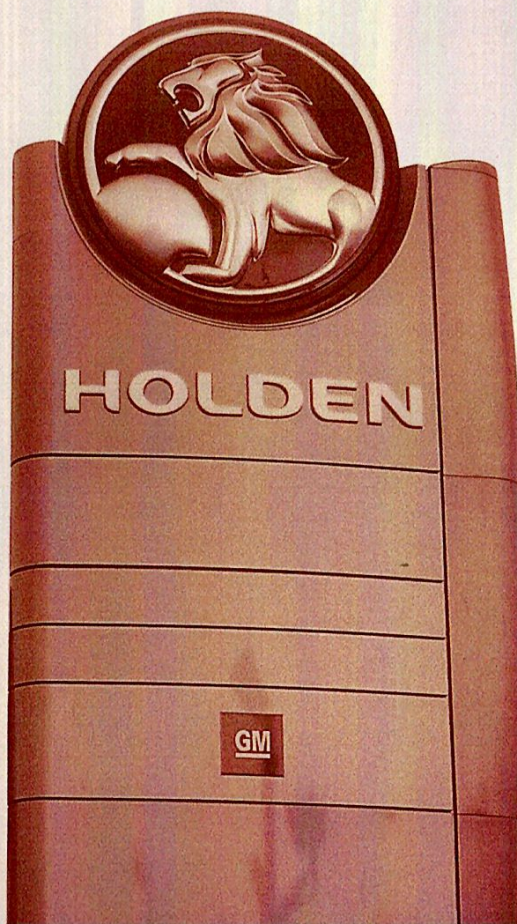

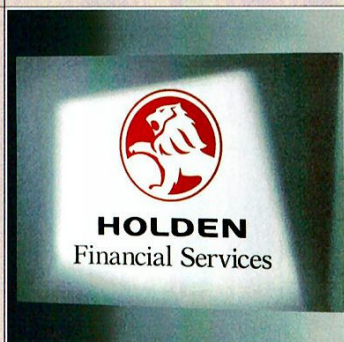

REWARD YOURSELF.

To experience the individuality of a Holden Special Vehicle is to experience the ultimate in Australian luxury performance motoring.

Each hand finished and individually numbered road car matches brilliant handling with unrivalled power and a distinctive style that will stand you apart from any crowd.

The smartest way to own a new Calais.

HOLDEN FINANCIAL SERVICES SMARTCHOICES.

Holden Financial Services offer you a most extensive range of options designed to assist you in owning a new Calais more affordably.

The SmartChoices range of vehicle finance allows you to select the terms, conditions and pricing structure to best suit your circumstances.

SMARTBUY offers affordable, flexible finance with low monthly repayments* and the security of a guaranteed minimum buyback price.** For more information and a detailed brochure see your Holden Dealer or freecall the SmartBuy Hotline on 1800 642 000.

SMARTDRIVE offers you competitive small business lease options with flexible terms, payment and maintenance options normally only enjoyed by large fleet buyers. Now that's smart!

SMARTCARE offers a range of insurance products that protects your vehicle and finance in the event of the unexpected happening. SmartCare Comprehensive even offers new car replacement, agreed value, genuine Holden parts guarantee and a range of additional premium benefits.*** For more information and a detailed brochure see your local Holden Dealer or call the SmartCare Hotline on 1800 060 094.

Calais fleet buyers enjoy access to HNL Fleet Services# which offers a wide range of fleet leasing, management and financial services to

approved customers. Consult your Holden Dealer or HNL Fleet Services direct, toll-free on 1800 226 772.

THE GM CARD. A GREAT DEAL MORE REWARDING.

Simply by putting everyday expenses like bills and shopping on your GM Visa or GM MasterCard, you'll be saving towards your next new Holden.##

For every \$20 you spend on credit purchases Holden will contribute \$1 towards your next new Calais. You can swipe thousands of dollars off the best price you can negotiate on a new Calais.##

The Rebate can be transferred to other eligible members of your family.### So even if you're a fleet buyer you can save hundreds, even thousands, off a second new car.##

The GM Card offers no annual fee in the first year (an \$18 fee currently applies in subsequent years), and a competitive interest rate with up to 55 days interest free on credit card purchases.###

Unlike other credit cards, it doesn't take long to accumulate significant rewards. In fact, The GM Card offers extra rewards to enjoy immediately.

Every quarter The GM Card Rewards Extra Program brings you exciting new savings and special bonuses. You are also entitled to special privileges such as free entry into selected Golf events and Motor Shows.

To apply, visit any Westpac/Challenge Bank/Bank of Melbourne branch, Holden Dealer, or call The GM Card 24 hour Customer Service Line on 131 200.

The package wouldn't be complete without extra peace of mind.

WE'RE WITH YOU ALL THE WAY.

Your new Holden Calais comes with the added peace of mind of the nationwide support of Holden and its dealer network.

3 YEAR OR 100,000KM NEW VEHICLE WARRANTY.

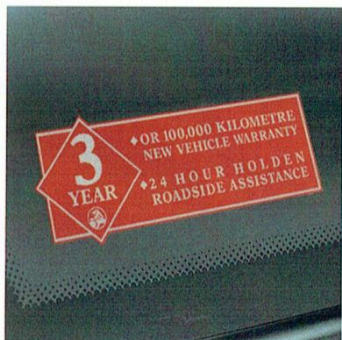

Every Holden Calais comes with a 3 year or 100,000km New Vehicle Warranty, whichever comes first.

This factory backed bumper to bumper warranty

covers everything from the engine, transmission, clutch, interior and exterior components including corrosion.

An Extended New Vehicle Warranty is also available.

THE REASSURANCE OF 3 YEAR/24 HOUR HOLDEN ROADSIDE ASSISTANCE.[†]

Peace of mind is also provided in the form of 3 year/24 hour Holden Roadside Assistance.

One of Australia's most comprehensive assistance packages, it is complimentary for the full term of your new Holden Calais warranty.

In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, help is readily available by simply calling the toll-free number 1800 817 100.

Calais receives the added benefits of Holden Roadside Assist Ultra which includes accommodation, alternative transport, rental car, assistance in case of accident, theft and medical emergency and Australia-wide vehicle recovery.

This service is delivered from over 900 centres by Assist Australia and the combined resources of the Australian motoring organisations.

EXTENSIVE NATIONAL DEALER SUPPORT.

With over 350 dealers strategically located nationwide, the Holden service network is the largest in the country. Each Holden Service Centre is staffed by a team of trained technicians who have access to regular factory training bringing them up to speed on the latest technology.

Should you require more information on any of our products contact our Customer Assistance Centre on 1800 033 349.

*Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Dealer. Subject to credit approval and current terms and conditions. **Conditions apply. A disposal fee of \$350 applies plus charges for excess wear or excess kilometres may also apply. For full terms and conditions please refer to the relevant policies at your local Holden Dealer. ***For full terms and conditions please refer to relevant policies at your local Holden Dealer. #HNL Fleet Services is a registered business name of Holden National Leasing Ltd. A.C.N. 008 589 562. ##Subject to The GM Card from Holden Program Rebate Rules. Vehicle sales for which a fleet allowance is paid are not eligible for GM Card Rebate. Full details of terms and conditions are available on request from your local Westpac/Challenge Bank/Bank of Melbourne branch. ###Where account is fully paid by the due date each month. Interest rate where account is not fully paid and for cash advances is currently 15.4%pa as at May 1999. Government charges also apply. †For full terms and conditions regarding Holden Roadside Assistance please refer to our customer booklet available from our Customer Assistance Centre.

MAKE YOUR MARK.

Stamp your individual style on Calais ownership.

The exclusive Holden By Design range allows you to infuse your Calais with a sporting image, enhance its inherent good looks, or simply add practical touches to increase its appeal and turn more heads.

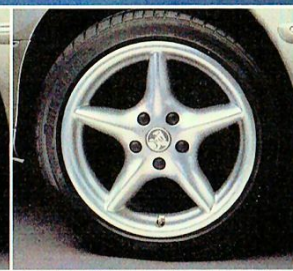

Factory fitted and factory backed, all HBD enhancements are totally covered by Holden's 3 year or 100,000km warranty.

(16 x 7.5) 16 spoke alloy, P225/50 R16 V-rated tyres.

(17 x 8) 5 spoke alloy, P235/45 R17 V-rated tyres.

(17 x 8) 5 spoke alloy, P235/45 R17 V-rated tyres.

The HBD tailored sunroof is electronically controlled from convenient ceiling mounted controls for preferred positioning in the slide or tilt mode, and even automatically closes when you lock your car.

CALAIS SPECIFICATIONS.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, Holden Ltd. reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden Ltd. A.C.N. 006 893 232 or General Motors-Holden's Sales Pty. Ltd. A.C.N. 004 688 831 in its published sales literature, and neither company accepts any liability for any such unauthorised action. Holden Ltd. and General Motors-Holden's Sales Pty. Ltd. have authorised dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such dealers carry adequate stocks of service parts, but neither Holden Ltd. nor General Motors-Holden's Sales Pty. Ltd. makes any promise other than that contained in the New Vehicle Warranty given by Holden Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden product are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. *Fuel consumption figures based on A52877 tests. These figures are provided to assist you in comparing the fuel consumption of Calais with other vehicles. The actual fuel consumption will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. Copyright Holden Ltd. YOUR CALAIS IN DETAIL.

S = Standard Feature. O = Option. P = Option in package with one or more others. H = Holden By Design. A = Accessory.

POWERTRAIN	
147kW, 3.8 litre ECOTEC V6 engine.	O
171kW, 3.8 litre Supercharged V6 engine.	S
220kW, 5.7 litre Generation III alloy V8 engine.	O
Multipoint fuel injection & engine management system.	S
Electronic control 4-speed automatic transmission.	S
Power or economy mode. Oil-to-air cooler for towing to 2100kg.	
Cruise control.	S
Limited slip differential.	O
75 litre long range fuel tank. Seamless, laminated plastic anti-rupture type for safety.	S
MECHANICAL	
Rack & pinion steering with power assist.	S
- Variatronic road speed sensitive assist.	S
Independent Rear Suspension (IRS).	S
Self-levelling suspension.	H
FE2 Sports Suspension. (Inc. gas pressure rear dampers.)	O
Four-wheel power disc brakes.	S
Anti-lock Braking System (ABS).	S
Traction Control (TC). Auto 'on', manual switch off control.	S
Engine hood gas strut assist.	S
On-board computer co-ordination of electrics, with self diagnosis.	S
WHEELS	
16 x 7 alloy wheels. 225/55 R16 95V tyres.	S
16 x 7.5 16-spoke alloy wheels. 225/50 R16 92V tyres.	H
17 x 8 5-spoke alloy wheels. 235/45 R17 93V tyres.	H
EXTERIOR	
Grille with chrome surround & on leading edge of vertical bars.	S
Sports grille.	H
Bumpers in body colour.	S
Chrome window surrounds.	S
HBD body kit: front, rear & side skirts & sports grille.	H
- Rear deck spoiler with high-mounted stop lamp.	H
- Rear deck spoiler – lip-type.	H

Foglamps, front.	S
Headlamp guards.	A
Bonnet protector.	A
Radiator insect screen.	A
Country roo bar. (Avail. in black or silver.)	H/A
Mudflaps (moulded) front & rear.	A
Metallic paintwork.	S
Rocker panel below doorline in two-tone paintwork.	S
Exterior mirrors in body colour.	S
Door handles in body colour.	S
Chromed exhaust outlet.	S
Licence plate frames, standard height or slimline.	A
Full immersion body corrosion protection.	S
Full stainless steel long life exhaust system.	S
DRIVER	
Four spoke leather-wrap steering wheel.	S
Steering wheel height & reach adjust.	S
Dual horns.	S
Leather & chrome on gear shift & handbrake levers.	S
Illuminated ignition.	S
Electric remote boot release.	S
Remote fuel filler door release.	S
Electric remote control exterior mirrors.	S
Twin jet windscreen washers & intermittent wipers.	S
- Variable intermittent, road speed sensitive wipers.	S
Electric rear window demist. Auto off timer.	S
Digital clock, in radio.	S
Headlamps auto on at twilight.	S
Headlamps auto off after leaving parked car.	S
Trip computer, including:	S
• Average speed. Odometer. Average economy on trip.	
• Elapsed trip time. Trip distance. Fuel used on trip.	
• Audible & visual speed warning (4 adjustable settings.)	
Distance to empty. Instant economy.	
• Trip distance to go. Time to go. Remaining fuel.	

Service reminder. Appears 1,000km before service is due.	S
Global positioning system (GPS).	H
Auto transmission 'gear selected' (PRND321) indicator in instrument cluster.	S
Tachometer.	S
Variable instrument dimming.	S
Warning lamps include: Oil pressure. Alternator. Check engine. Brake failure. Parking brake on. Fasten seat belt reminder at engine start. Rear lamp failure.	S
Lamp & chime warning: Parking brake on while vehicle moving. Low fuel. High engine temperature.	S
Mobile phone power point.	S
SOUND SYSTEM	
AM/FM stereo electronic tune radio. Local/distant selector switch. Automatic station store memory.	S
Separate bass & treble control.	S
Sound system remote controls on steering wheel.	S
Cassette player. Auto reverse. Automatic program search. Dolby noise reduction. Metal tape equalisation. Blank tape skip.	S
Compact disc changer (10 disc).	S
10 speaker elements, inc. subwoofers. Total 260 watts.	S
Premium sound system: 2 amplifiers. Upgraded speaker system. Premium control panel. 10 disc CD changer. Total 540 watts.	H
Power antenna, fully automatic. Driver adjustable pre-setting for height. Auto retract with remote control Priority Key.	S
Rear window 'diversity' FM antenna.	S
SEATING	
Seat trim in woven velour.	S
Seat trim in leather.	O
Bucket seats with high rise padded leather console armrest.	S
Side support wings on front seat cushion.	S
Front seat head restraints, padded, height & fore/aft adjust.	S
8-way electric adjustment of front seats: Slide fore/aft. Cushion tilt. Height. Recline.	S
Driver's seat adjustable lumbar support.	S
Passenger's seat adjustable lumbar support.	S

Driver's left footrest, adjustable.	S
Driver airbag (full size).	S
Front passenger airbag.	S
Driver & front passenger side impact airbag.	S
Front lap/sash seat belts have webbing clamps & pyrotechnic pre-tensioners. Buckle mounted to seat for improved fit & increased occupant protection.	S
Concealed front & rear window-seat belt sash guides protect the head with cover over belt anchor mechanism.	S
Front seat belt sash height adjust.	S
Anti-submarining ramps in all seats reduce risk of sliding under seat belt in a collision.	S
All seat belts lap/sash, retracting.	S
Rear seat centre fold-away tray.	S
Rear seat centre armrest.	S
Two height adjustable rear head restraints.	S
CHILDREN	
Rear seat child restraint anchor points.	S
Childproof rear door locks.	S
Rear power window override switch.	S
CABIN COMFORT	
Electronic climate control. Auto/manual mode. Rear outlet vents.	S
- Dual temperature zone: driver & front passenger.	S
Priority Key for 2 people automatically restores, when unlocking car, settings for: climate control, sound system, trip computer, speed alert, transmission power/economy mode, instrument dimmer, antenna height, headlamps-off time delay.	S
Power windows, front & rear. Express down driver's window. Remain powered on time delay after engine switched off.	S
Electric sunroof. Auto close when vehicle immobilised.	H
Power socket, cigarette lighter type.	S
Cigarette lighter & ashtray, front. (No extra cost.)	A
Cigarette lighter & ashtray, rear.	A
Vanity mirror, driver & passenger side, illuminated, with cover.	S

Centre dome lamp, time delay on entry.	S
- Automatic illumination at night when ignition is turned off.	S
- Auto off after 1 hour.	S
'Courtesy' lamps on front & rear doors.	S
Footwell lamps, front.	S
Front reading spotlamps.	S
Rear reading lamps.	S
Plush cut pile carpet.	S
Rubber floor mats.	A
Carpeted floor mats, tailored, front & rear.	A
Padded fabric in door trim.	S
Suede style trim on lower instrument panel & doors.	S
Woodgrain style instrument facia.	S
Passenger overhead assist handles, folding, front & rear.	S
Aero windscreen sunshade, front.	A
Weathershield, in standard width or slimline, driver & front passenger window.	A
Rear Sunguard.	A
STORAGE, CARGO, TOWING	
Twin cup holders in centre console.	S
Twin cup holders in rear seat centre fold-away tray.	S
Glovebox with lamp.	S
Centre facia storage compartment.	S
Centre console compartment, with liner.	S
Console compartment lamp.	S
Glovebox lined.	S
Front door storage bins.	S
Storage pocket rear of driver & passenger seat.	S
Fold-down rear centre 'ski' hatch for long loads.	S
Boot lid gas strut assist.	S
Carpeted boot floor & spare wheel cover.	S
Boot lid lining.	S
Lamp in boot.	S

Aero style roof carry bars.	A
Towing equipment (see specifications).	A
Superlift shock absorbers.	A
SECURITY	
Remote control Priority Key, with rolling security code, operates dome lamp.	S
- Operates head & tail lamps to show location of car at night.	S
- Disables remote boot release button in glovebox (when locking).	S
- Engages door deadlocks when pressed twice.	S
- Releases deadlocks.	S
- Operates central locking for keyless entry through driver's door only.	S
- Operates all doors when button kept pressed.	S
- Enables/disables alarm system.	S
- Enables ignition.	S
- Opens boot.	S
Horn chirps if door is ajar when remote locking.	S
Flashing red interior warning lamp shows vehicle is protected.	S
Engine disabled to immobilise vehicle when key removed from ignition. Unique code for each vehicle.	S
Doorlock in driver's door only. Lock cylinder 'freewheels' if anything other than correct key is inserted.	S
Slip-type steering lock. If steering wheel is forced, front wheels will not turn.	S
Lockable glovebox.	S
Radio/cassette security electronics using PIN.	S
Headlamps auto off: programmable time delay.	S
ROAD SAFETY	
Emergency mode after seat belt pre-tensioners are triggered. On-board computer turns engine & fuel pump off. Unlocks doors. Turns dome lamp on.	S
Warning triangle for roadway.	A
First aid kit.	A
