This colour chart illustrates the available exterior colours of the VT Series II Holden Commodore, Calais and Ute range of vehicles. As these are printed colours and not actual samples, variations between those illustrated and actual paint may occur. As such we recommend that these illustrated colours be accepted as indicative only. Metallic and Mica paints may be an extra cost item and certain colours may not be available from time to time or on certain models. It is important that your Holden Sales consultant confirms with you such variations by reference to the latest Holden Order Procedure. Availability of colours was correct at the time of printing, however Holden Ltd. A.C.N. 006 893 232 reserve the right to make changes at any time and without notice.
