

HOLDEN
CALAIS / BERLINA

Calais

A passion for driving. A demand for comfort. An unwillingness to compromise.

*These are something special.
Holden's new range of luxury
cars. They're designed for people
who expect more from their cars.
People who believe the journey is
as important as the destination.
That how you get there is as
important as where you're going.
Superior levels of luxury, superior
style, superior handling, superior
performance: it's the way you've
always felt driving should feel.*

*You're not
just another driver.
Why buy
just another car?*

BERLINA/ FEATURES

Berlina is a car to take pride in. A car that sets you above the pack. A car which raises your expectations, then meets them. The look of the car says you demand more. The superior performance and handling reflect an unwillingness to compromise your standards. And the superior levels of comfort set new standards. Slip behind the wheel: this feels right.

- The combination of rear wheel drive, Independent Rear Suspension and ABS offers superb control.
- 12 function trip computer, with 'trip planner' to estimate trip distance to go, time to go, remaining fuel.
- Remote control Power Key operates exterior lamps and interior dome lamp for added safety at night.
- Headlamps with programmable time delay, to light a path to your door at night.
- Variable intermittent road speed-sensitive wipers.
- Driver and passenger vanity mirrors.
- Height adjustable front seat belt guides.
- Improved fuel economy with ECOTEC V6 auto transmission.
- Traction control now standard.
- Smoother more refined acceleration due to dual damper propshaft with rubber couplings at each end.

Big 6 speaker sound system with CD player, tape deck and automatic power antenna with driver pre-set height adjustment.

Automatic Transmission Indicator displays the selected gear in the instrument cluster.

Climate Control System for a comfortable environment in any weather.

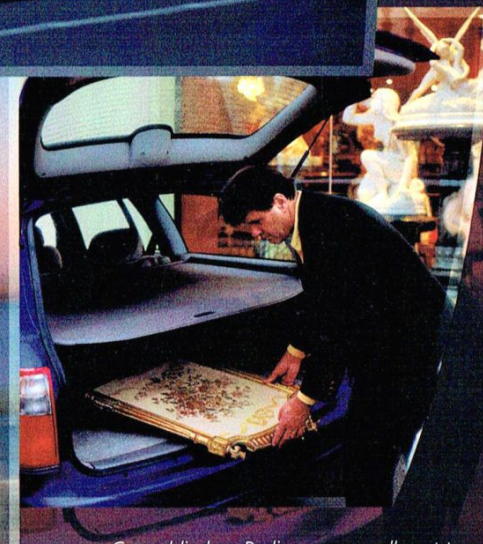

*When you want
to go in comfort,
but need to take
your life with you.*

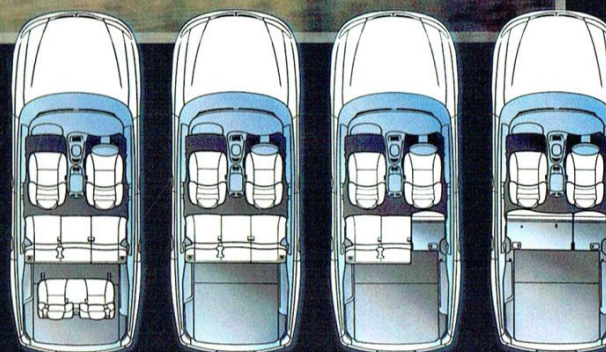

BERLINA/ WAGON

From the driver's seat it feels like a luxury sedan. The Berlina wagon is specifically designed for people who need the practicality of a wagon but demand those extra touches of comfort. The superior carrying capacity is matched only by its road holding capabilities: taking five people, and their luggage, as easily as it takes a corner.

- Remote control Power Key can unlock tailgate as you approach.
- Carpeted cargo area with storage locker for small items.
- Tailgate window wiper switches intermittent up to normal speed to improve vision when wagon is in reverse.
- Three lap sash safety belts across rear seats for added safety.
- Rear seat head restraints with height adjustment.
- Wide rear cargo area allows you to carry items up to 1.2 metres wide.
- Aero style roof bars, for added versatility.
- Cargo barrier, available as an accessory, provides protection from items stacked in the rear, and includes quick release fittings, and multi-positional attachments.

Cargo blind on Berlina wagon rolls out to provide protection from the sun and added security for items in the back.

Imagine seating you can tailor to your requirements! New Berlina wagon offers a variety of seating and storage configurations. The 60/40 split folding second row seat means longer objects can still be carried with one or two rear passengers, while the Holden 'Plus 2' accessory seat provides a forward-facing, split 3rd row seat for two children up to 12 years old.

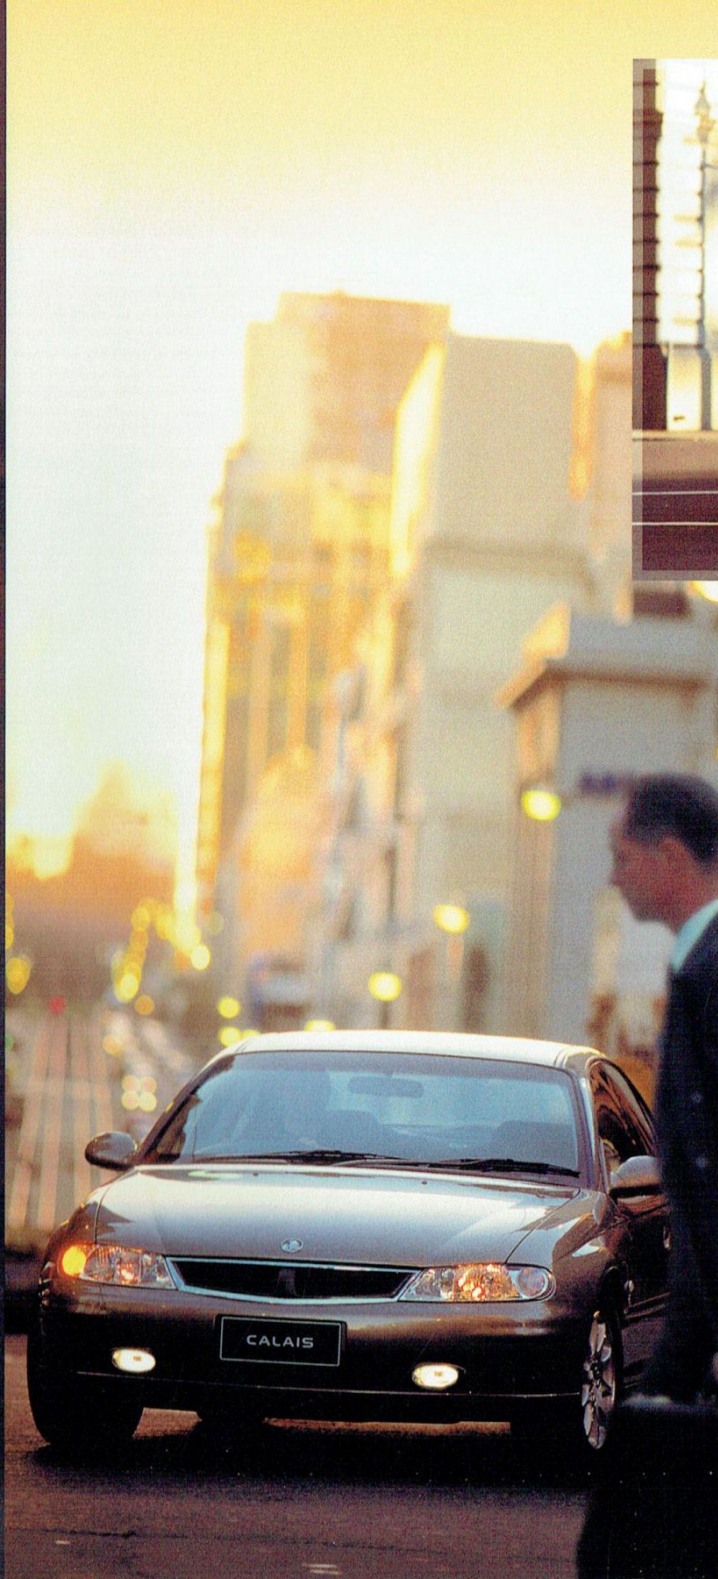

Refined. Advanced. Luxurious.
*This is a different
kind of power.*

CALAIS / FEATURES

Holden Calais is the refined driver's car. A car which raises your expectations about what a car can be. No ordinary car can match its level of luxury. And no ordinary car can match the performance of the Supercharged V6. Responding instantly and confidently to your every whim, it makes you feel like the road was made for your Calais.

- Refined Supercharged V6 power delivers powerful performance.
- Distinctive new grille stamps Calais with purpose, yet allows smooth air flow over the aerodynamic contours.
- Headlamps with clear lenses bring improved low beam spread and penetration.
- Headlamps can be set to switch themselves on when night falls.
- Steering wheel with two-texture leather.
- Leather clad transmission and handbrake levers.
- Variatronic steering recalibrated to give driver maximum assistance when parking and reduces assistance to bring great road feel on the highway.
- Luggage net in boot keeps smaller items from rolling or sliding around.
- Two tone paint accentuates Calais' sleek bodylines.

Bold individual styling is further enhanced by sporty 16" spoked alloy wheels and wide 225/55 V-rated tyres with tenacious grip to take supercharged power to the bitumen.

Powerful foglamps will not only light your way in difficult conditions but contribute to your Calais' distinctive look and style, now handsomely set into chrome surrounds.

*Controls designed
to give you control.*

CALAIS / INTERIOR

Holden Calais is designed for people with a passion for driving. The ergonomic wrap-around cockpit acknowledges that. It has been designed so you're more aware of what the car is doing, so you have all the information you need to make the decisions you need, when you need to make them. It's the way driving should feel. You're in control.

High output, dual-zone climate control creates two separate temperature zones so both the driver and front seat passenger can enjoy their own preference.

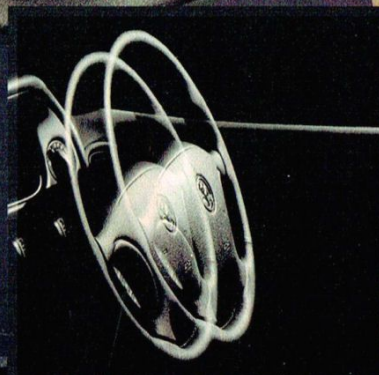

Calais' premium quality sound system is another step towards audio perfection with 260 watts capacity and 10 speakers. A large control panel makes it easy to set it up just the way you like it, then you can operate key functions from the steering wheel.

The electronically controlled 4-speed auto transmission has an 'economy' and 'power' mode to complement your driving style in changing traffic conditions and terrain. Power window and Traction Control buttons are conveniently located for easy operation.

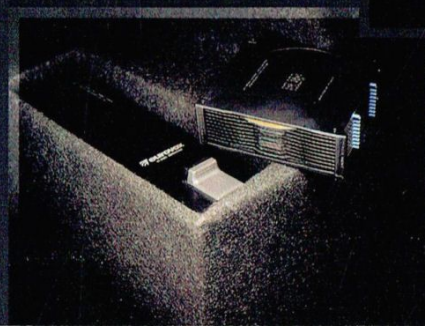

Calais' 8 way adjustment of both driver and front passenger seats allows you to find your preferred position - at the touch of a button.

Ensuring the highest standard of precision and safety, the Calais steering wheel features adjustment for both height and reach to help achieve the ideal driving position. The Variatronic power steering provides maximum assistance when parking and reduces assistance to bring great road feel on the highway.

Accommodating your 10 favourite CDs, the Calais CD changer, concealed in the boot, can be simply operated, either from the sound system console or from controls conveniently mounted on the steering wheel.

Vehicle shown fitted with optional Howe Leather trim.

Berlina and Calais were the first Australian built cars to offer side impact airbags. Each airbag is in the seat bolster for optimum positioning regardless of seat position and angle.

Traction Control (TC) provides smooth, stable acceleration in slippery conditions by helping to prevent loss of traction. It also assists on 'split surfaces' such as when one wheel is on gravel on the shoulder of a bitumen road.

Safety first, second and third.

SAFETY/FEATURES

We want you to feel safe. Both Berlina and Calais have been engineered to instantly respond to the unexpected. Consistently, and on command. Their superb roadholding characteristics and wide track design give you all the confidence you want. And the combination of active and passive safety systems give you the security you need.

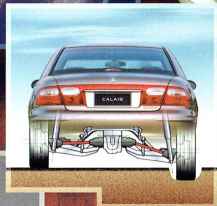

The Bosch 5.3 Anti-lock Braking System (ABS) assists Berlina and Calais' powerful 4 wheel disc brakes in an emergency situation by helping to maintain steering control, even under full braking.

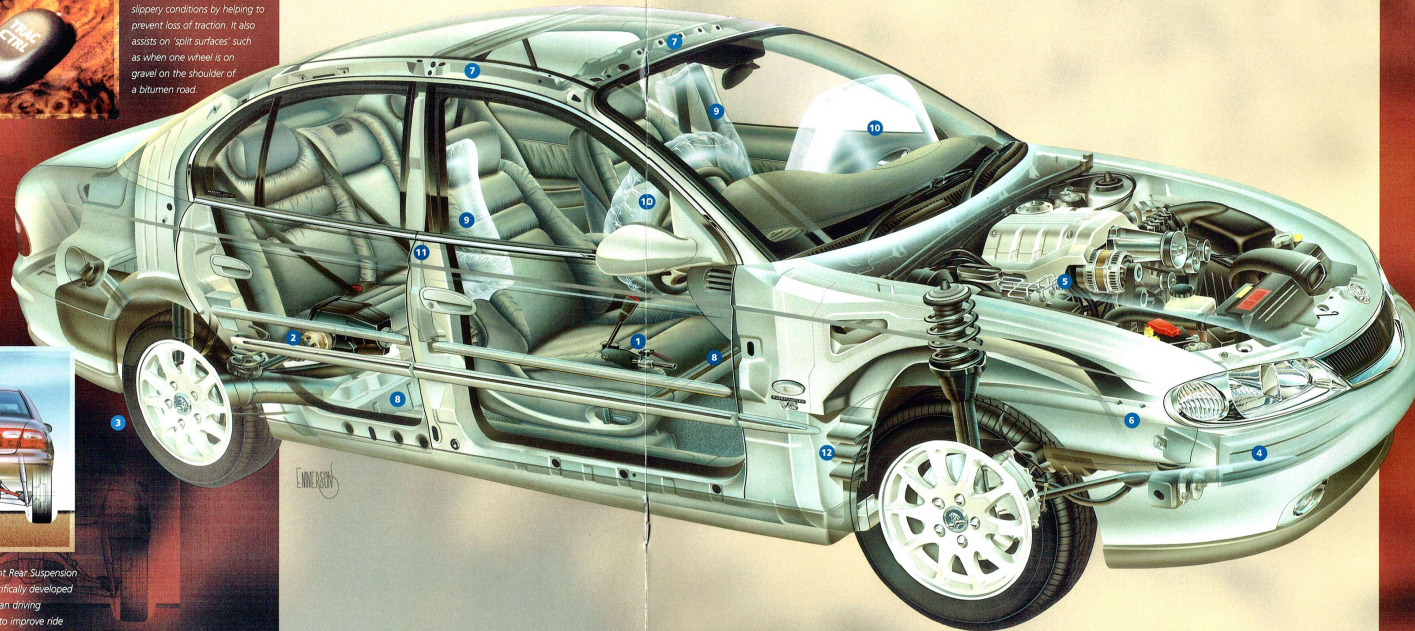

Without ABS.

With ABS.

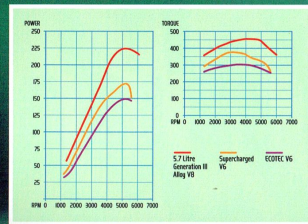

Independent Rear Suspension (IRS) is specifically developed for Australian driving conditions to improve ride and handling over rough and uneven surfaces.

1. Pyrotechnic front seat belt pre-tensioners to minimise forward movement in a frontal collision.
2. Independent Rear Suspension (IRS) for traction when accelerating, cornering and braking.
3. Traction Control (TC) for stable acceleration on difficult road surfaces.
4. Front bumper side beams to share an offset frontal impact over both sides of car.
5. Bosch 5.3 Anti-lock Braking System (ABS) to help maintain full steering, even under full braking.
6. Crash Pulse Optimisation allows front to crush progressively for less severe impact.
7. Integrated safety cell engineered to withstand high energy loads.
8. Front and rear anti-submanning ramps to reduce risk of sliding under seat belt in a collision.
9. Driver and front passenger side impact airbags to reduce risk of head, neck and chest injury in a side collision.
10. Driver and front passenger airbags have low pressure inflator designed to prevent injury from airbag inflation.
11. Strengthened upper B pillar is computer modelled to reduce side impact velocity to head, neck and chest.
12. Frontal Offset Enhancement Package helps prevent the front wheel intruding into foot well in a frontal collision.

Powered by the passion to drive.

All Calais and Berlins are powered by passion. Whether you're after the big car performance of a classic V6, the sophisticated technological rush of a Supercharged V6 or the sheer power of an alloy V8, the power at the heart of every Berlina and Calais is engineered to constantly provide the response you expect. Every time you expect it. Regular as a heartbeat.

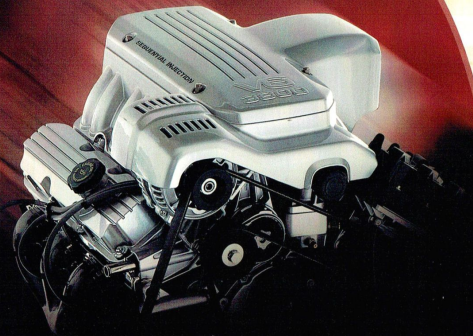

Supercharged V6

- 171kW of power, 375Nm of torque.
- Outstanding 6 cylinder performance from elite technology, shared with Aston Martin, Mercedes and Jaguar.
- Eaton M90 Supercharger is a crankshaft driven air pump that compresses more air into the cylinders than a naturally aspirated engine.
- More air and more fuel, increase power. Like a bigger engine.
- Vacuum operated boost control modulates air pressure to give smooth, progressive power.
- Substantial torque across rev range makes engine responsive and easy to drive.

- 225kW of power, 460Nm of torque.
- Aluminium alloy construction creates light weight engine for:
 - Smooth ride. Lower weight allows softer, more supple front suspension.
 - Agile handling. Less weight in front end allows more precise steering response.
- One piece induction system made from composite materials for smoother airflow and superior 'breathing'.
- Inlet manifold has improved air flow for performance and fuel economy.

5.7 litre Generation III alloy V8

ECOTEC V6

- 152kW of power, 305Nm of torque.
- V6 engine is compact and light, for excellent ride and handling.
- High power with outstanding fuel efficiency from use of:
 - Friction reduction techniques on moving parts, especially pistons, rings and valve train.
 - Faster, more powerful new engine management for individual cylinder spark control, to improve performance, driveability and economy.
 - Die cast inlet manifold smoother for improved air flow to increase power.
- Stainless steel long life exhaust.

SECURITY

The new Berlina and Calais boast a host of intelligent security features from remote deadlocks to an engine immobiliser, tailored to your touch, to protect your car. So you'll feel relaxed, even when you're not driving.

- Remote control key engages and releases door deadlocks for maximum security at the push of a button.
- Key can selectively unlock just the driver's door to help prevent an intruder entering elsewhere.
- The Freewheeling door lock recognises if the wrong key or other implement is inserted in the keyhole.
- Headlamps with programmable time delay can be set to light a path to your door at night.
- Anti-theft alarm.

Calais provides not one, but two Priority Keys, packed with intelligent technological features. Each key holds the memory settings for its key owner, including audio and climate control preferences, trip computer read-outs, overspeed alarm limits, headlamp delay times, instrument brightness and radio antenna height.

*We have the key
to peace of mind.*

Both Berlina and Calais provide practical assistance like remote unlocking of the boot, handy when you're in a hurry, or you have your hands full.

*Getting personal
with your Holden.*

Your car is a reflection of your personality. You're not like anyone else.

Why should your car look the same as anyone else's? And that's what Holden By Design is all about. Added to that is the knowledge that Holden By Design personalised enhancements are factory fitted and carry Holden's comprehensive 3 year or 100,000km warranty.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, Holden Ltd. reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden Ltd. A.B.N. 84 006 893 232 or General Motors-Holden's Sales Pty. Ltd. A.B.N. 80 004 688 831 in its published sales literature, and neither company accepts any liability for any such unauthorised action. Holden Ltd. and General Motors-Holden's Sales Pty. Ltd. have authorised dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such dealers carry adequate stocks of service parts, but neither Holden Ltd. nor General Motors-Holden's Sales Pty. Ltd. makes any promise other than that contained in the New Vehicle Warranty given by Holden Ltd. that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. *Fuel consumption figures based on AS2877 tests. These figures are provided to assist you in comparing the fuel consumption of Berlina and Calais with other vehicles. The actual fuel consumption will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. Copyright Holden Ltd. The smartest way to own a new Holden.

Holden Financial Services SmartChoices, Smart Move.

Holden Financial Services offers an extensive range of options designed to assist you in owning a new Holden more affordably.

The SmartChoices range of vehicle finance allows you to select the terms, conditions and pricing structure to best suit your lifestyle.

SmartBuy offers affordable, flexible finance with low monthly repayments¹ and the security of a guaranteed minimum buyback price.² For more information and a detailed brochure see your local Holden Dealer or freecall the SmartBuy hotline on 1800 642 000.

The SmartCare range of competitively priced insurance products provide tailor-made protection to suit your specific financial needs.

The Holden SmartCare Comprehensive Policy even offers new car replacement, agreed value, genuine Holden approved parts guarantee and a range of additional premium benefits.³

For more information and a detailed brochure see your local Holden Dealer or call the SmartCare Hotline on 1800 060 094.

SmartDrive offers you competitive small business lease options, with flexible terms, payment and maintenance options normally enjoyed only by large fleet buyers. Now that's smart! For more information and a detailed brochure see your local Holden Dealer or freecall the SmartBuy hotline on 1800 642 000.

Holden fleet buyers enjoy access to HNL Fleet Services⁴ which offers a wide range of fleet leasing, management and financial services to approved customers. Consult your Holden Dealer or HNL Fleet Services direct, toll-free on 1800 226 772.

The Holden MasterCard.

Simply by putting your everyday expenses like bills and shopping on it you'll be saving towards your next new Holden.⁵

5% of every dollar you spend on the new Holden MasterCard can be used as savings towards your new Holden. Savings from Holden on top of the best deal you can negotiate with your Holden Dealer.

Just through your everyday spending you could save up to \$3000 Holden Rebate plus any earned Bonus Partner rebate.⁵

The Holden MasterCard offers no annual fee in the first year, and a competitive interest rate with up to 45 days interest free on credit card purchases.⁶

Cardholders also enjoy special privileges such as free entry into selected Golf events and Motor Shows. They can even transfer rebate to a family member.⁵

To apply, visit any Westpac/Challenge Bank/Bank of Melbourne branch, your Holden Dealer, or call the Holden MasterCard 24 hour Customer Service Line on 1300 650 696.

The package wouldn't be complete without extra peace of mind.

We're with you all the way.

Holden drivers are backed by the most comprehensive customer care package on the road. With over 300 dealers and 900 Roadside Assistance centres nationwide, few other cars in Australia are supported with the level of customer care offered to Holden owners.

3 year or 100,000km New Vehicle Warranty.

Your peace of mind, guaranteed. Every Holden comes with a 3 year or 100,000km New Vehicle Warranty,⁷ whichever comes first. This factory backed bumper to bumper warranty covers everything including the engine, transmission, clutch, interior and exterior components.

An extended New Vehicle Warranty is able to be purchased. For more details, contact your Holden Dealer.

3 year/24 hour Roadside Assistance.

Go anywhere, anytime, with complete confidence. Holden Roadside Assistance, one of Australia's most comprehensive assistance packages, is complimentary for 3 years or 100,000km, whichever comes first.⁸

In the event of the unexpected happening, from your keys being locked in the car to mechanical and accident advice, you can get in touch with our 24 hour hotline, 365 days of the year, by calling the toll-free number 1800 817 100.

Holden Calais receives the added benefits of Holden Roadside Assist Ultra which includes accommodation, alternative transport, rental car, assistance in case of accident, theft and medical emergency and Australia-wide vehicle recovery.

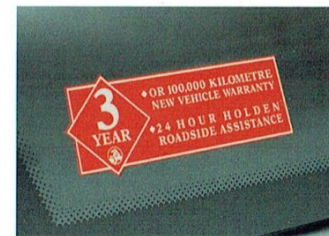

This service is delivered by Assist Australia and the combined resources of the Australian motoring organisations.

A decidedly different level of service.

Dealer support when you need it, where you need it.

With dealers strategically located nationwide, the Holden Service Network is the largest in the country. Our service centres are staffed by a team of trained technicians who have access to regular factory training, bringing them up to speed on the latest technology.

If you want to know more about the extensive benefits of Holden ownership, contact Holden Customer Assistance on 1800 033 349, Monday – Friday, 8am – 6pm. EST.

1. Fees and charges apply. For the annual percentage rate applicable to you contact your local Holden Dealer. 2. Conditions apply. A disposal fee of \$385 (incl GST) applies plus charges for excess wear and tear or excess kilometres may also apply. 3. Refer to the policy wording for specific terms, conditions and exclusions. 4. HNL Fleet Service is a registered business name of Holden National Leasing Ltd. A.C.N. 008 589 562. 5. Subject to the Holden MasterCard from Holden Program Rebate Rules. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard Rebate. Full details of terms and conditions are available on request from your local Westpac/Challenge Bank/Bank of Melbourne branch. 6. Where account is fully paid by the due date each month. Interest rate where account is not fully paid and for cash advances is currently 16.90%pa as at August 2000. Government charges also apply. 7. Refer to your owner's handbook or see your Holden Dealer for full terms and conditions. 8. Roadside Assistance may not be available in some rural areas. Refer to your Holden Roadside Assistance booklet or see your Holden Dealer for terms and conditions.

Success
is never dull.
