HOW TO USE THIS GUIDE

The GM Envolve Fleet Guide is a digital resource packed with detailed specs and feature information on our commercial vehicle lineup.

The images to the right offer guidance to help you explore the guide. Click below for answers to frequently asked questions.

Click the ● buttons for tips on how to navigate this guide.

FREQUENTLY ASKED QUESTIONS

X

FAQ

QUESTION	ANSWER
Can I download the GM Envolve Fleet Guide or individual pages?	You can create a PDF of the GM Envolve Fleet Guide by clicking the download button in the lower-right corner of the screen. To save a specific page, first download the entire guide, then use Adobe Acrobat to extract the pages you need. Keep in mind that downloading the guide disables interactive features.
How often is the GM Envolve Fleet Guide updated?	The GM Envolve Fleet Guide is updated monthly, so check back regularly for the latest information.
What's the best way to view the GM Envolve Fleet Guide?	For the best experience with the GM Envolve Fleet Guide, use Google Chrome on a desktop or tablet and clear your browser's cache monthly to access the latest information.
Can I view the GM Envolve Fleet Guide on a mobile device?	The GM Envolve Fleet Guide is accessible on mobile, but, for optimal viewing, we recommend using a desktop or tablet.
Who can I contact if I have questions or issues with the GM Envolve Fleet Guide?	Submit your questions or issues about the GM Envolve Fleet Guide at gmenvolve.com/contact.

OUTSMART CHANGE WITH GM ENVOLVE

GM Envolve is working to solve business issues with leading-edge technologies to help create a new era of efficiency. We offer a suite of reliable products and advanced technologies that can help boost your fleet's productivity.

Powered by GM's electric, fuel cell and software platforms, along with consultative support and complete fleet services, GM Envolve helps you stay ahead of change. It combines powerful brands, such as HYDROTEC, OnStar®, Chevrolet, Cadillac, GMC and Buick, providing comprehensive support to propel your business into the future.

Whether you're a small business, a worldwide corporation or even a local government entity/agency, we can help you find what your business needs.

CONTACT US

MAKING IT EASY TO EV

Whether you're thinking about adding electric vehicles or already have them in your fleet, GM Envolve can bring clarity to any challenges you may face. Get as much support as you need – at any point along the way.

VIEW EV CHARGERS

2025 Equinox EV 3LT and Chevrolet Equinox ACTIV shown.

GM Envolve is with you at every step.

Tailored Fleet Planning

Get help defining what an EV program looks like within your organization, establishing the right support to help you present to management and plan the transition properly – all backed by data.

Streamlined Charging Solutions

Decide where and how your vehicles will charge with the help of a knowledgeable project manager, and take advantage of software that makes reimbursing your drivers for charging as simple as it is with gas.

Flexible Financing & Maintenance

Bundle EV products, services and maintenance – including chargers and financed vehicle cost – into one deal, or purchase only what you need.

Personalized Training & Support

Train your drivers ahead of delivery so they're ready to get behind the wheel of their new EV. Plus, offer them the confidence of 24-hour call center support for any immediate needs.

EV CHARGERS

Get Expert Installation
Choose your charging solution and leave the installation to us. We work with industry experts that can determine the best plan of action for getting your infrastructure in place and execute the installation process.

x

LEVEL 1 / LEVEL 2

Dual Level Charge Cord Set[1]

Portable cord with two interchangeable grid plugs for Level 1 and Level 2 charging.

- Expands Level 2 charging capabilities to anywhere there is a 240-volt outlet (up to 7.7 kW/32 amps[2])
- Compatible with all electric vehicles with an SAE J1772 vehicle connector
- Eliminates the need to buy separate charging units for at home and on the go
- Outdoor-rated, 25-ft. cord is easy to connect and convenient to store

Fast Charging, Exceptional Range

With a GM-estimated range of up to 286 miles[1] on a full charge and fast charging capabilities of up to 160 miles[2] of range per hour with DC fast charging, BrightDrop helps keep your fleet moving.

1 Requires 600 AWD with optional Max Range battery pack. On a full charge based on development testing and/or analytical projection consistent with SAE J1634 revision 2017 – MCT. Range subject to change prior to production. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle. EPA estimates not yet available. **2** Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations.

- Super Cruise®

OnStar DualCam[1]

Equipping your fleet with this in-vehicle dashcam can help you mitigate financial liability, coach your drivers and connect seamlessly with OnStar Vehicle Insights®[2].

1 Requires aftermarket camera hardware purchase and eligible active service plan. Availability and accessibility of data may depend on factors such as camera angle, view obstruction, power supply, device failure, cellular connectivity, transmission limitations. Does not include emergency or security services. May provide in-cab audible safety alerts, if enabled. Not all issues will deliver alerts. 2 Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward trucks and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostic capabilities vary by vehicle model. Not all issues will deliver alerts. See https://www.gmenvolve.com/software/onstar for details and limitations.

Designed, Engineered, Tested and Backed

To help ensure you're getting the quality you deserve, our accessories have been put through a lineup of demanding tests. And if accessories are installed before vehicle delivery, they are covered under the applicable portion of the New Vehicle Limited Warranty[1]. An additional offering of Associated Accessories is also available from renowned manufacturers like LUND®, Thule®, UWS®, CURT™ and others — each with their own individual warranty coverage.

- Equip your vehicles specifically for your vocation
- Enhance capability and performance
- Add protection inside and out
- Make the workday easier by organizing tools and equipment

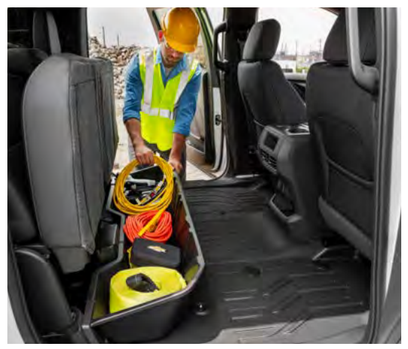

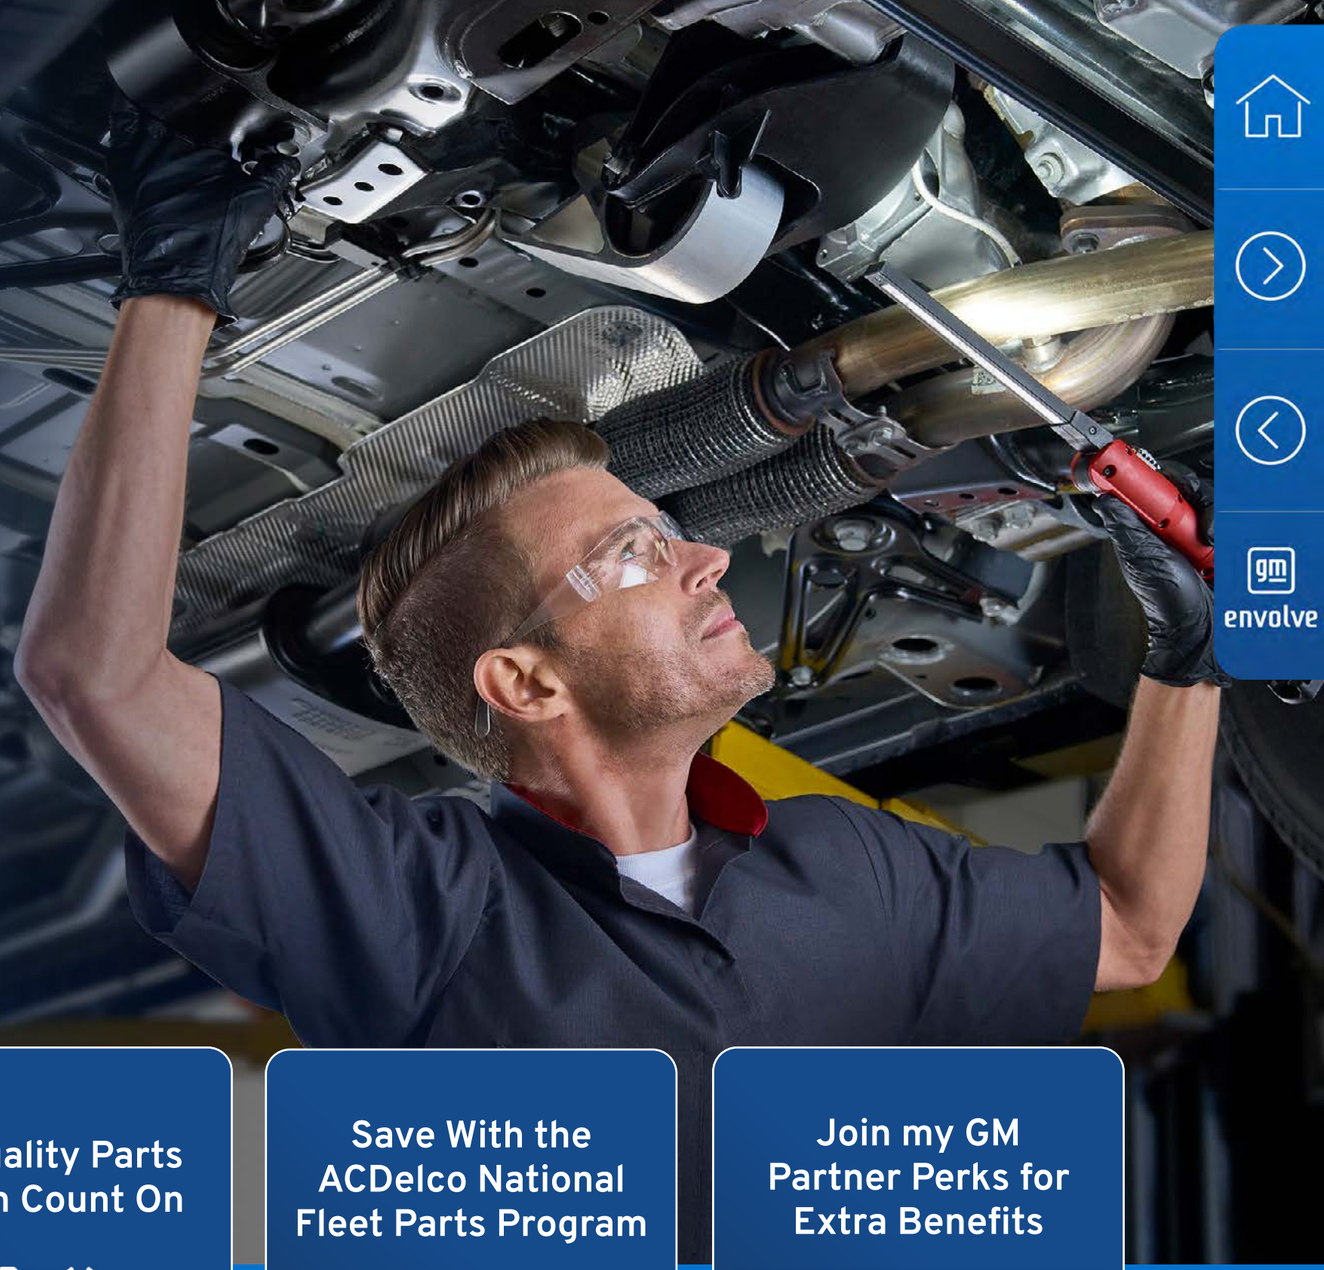

Talk to your GM Envolve Account Executive about adding Accessories to your fleet.

1 Associated Accessories are not tested by GM, or necessarily undergo the same third-party testing procedures as GM Accessories. GM reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, features, specifications, models, accessories and availability. Most GM Parts and Accessories sold and installed on a GM vehicle by a GM Dealer or a GM-approved Accessory Distributor/ Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If GM Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. GM Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. GM warranties do not apply to Associated Accessories. See your dealer for details. Vehicles shown with accessories from an independent supplier which are not warranted by GM or its dealers. GM is not responsible for the safety or quality of independent accessories. Any warranty is provided by the accessory manufacturer. This brochure shows many vehicles that have been altered or upfitted with equipment, bodies or components supplied to the Division or its dealers by independent suppliers. Division is not responsible for the safety or quality of design features, materials or workmanship of any alterations by any such supplier. Copyright 2025, General Motors. All rights reserved. Less paperwork is always a better use of your time and resources. GM Envolve can provide simplified administration with a single bill, even if you service multiple vehicles and/or your vehicles are located across the U.S.

Our commercially focused Business Elite Dealer Network can accommodate your unique needs with extended service hours, custom bays made for big vehicles with upfits and technicians specially trained for your fleet's needs.

GM Genuine Parts and ACDelco Original Equipment are designed specifically to the precise engineering of Chevrolet, Buick, GMC and Cadillac vehicles. Plus, we offer ACDelco Gold and Silver parts for all your aftermarket needs.

Our ACDelco National Fleet Parts Program gives you access to resources and tools needed to help simplify your service workflow, from standardized pricing on GM Original Equipment and ACDelco aftermarket parts to consolidated billing.

Give your fleet the advantage of my GM Partner Perks. Program benefits include no-charge service training and GM OE service information that can help drive your productivity and, most importantly, your bottom line.

1 Premium paint; additional charge. **2** On a full charge based on development testing and/or analytical projections consistent with SAE J1634 revision 2017 – MCT. Range subject to change prior to production. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle. EPA estimates not yet available. **3** Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. **4** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **5** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. **6** Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See Owner's Manual for additional limitations. **7** Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. **8** May require a new outlet, sold separately, and professional installation. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations. **9** Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. **10** Map coverage available in the U.S., Puerto Rico and Canada. See onstar.com for details and limitations. **11** Does not detect people or items. Always check rear seat before exiting vehicle. **12** Some features, including steaming content and listening recommendations require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations. **13** Not compatible with all devices. **14** OnStar services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. Does not include security services; Super Cruise vehicles are connected to emergency services. See onstar.com for details and limitations. Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Visit https://www.chevrolet.com/super-cruise for compatible roads and full details. **15** The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn for details or consult your carrier.

Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. **3** On a full charge. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle. **4** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **5** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. **6** Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. **7** Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. **8** May require a new outlet, sold separately, and professional installation. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations. **9** Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. **10** Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. **11** Does not detect people or items. Always check rear seat before exiting vehicle. **12** Some features, including streaming content and listening recommendations require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations. **13** Not compatible with all devices. **14** OnStar services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. Does not include security services; Super Cruise vehicles are connected to emergency services. See onstar.com for details and limitations. Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Visit https://www.chevrolet.com/super-cruise for compatible roads and full details. **15** The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn for details or consult your carrier.

KEY STANDARD FEATURES

Features based on BrightDrop 400/600 models with EJZ/EJY equipment group.

SAFETY + SECURITY

- Adaptive Cruise Control[3]
- Blind Zone Steering Assist[3]
- Buckle to Drive[3]
- Embedded OnStar® hardware, includes 8 years of OnStar Fleet Basics[4]
- Enhanced Automatic Emergency Braking[3]
- Following Distance Indicator[3]
- Forward Collision Alert[3]
- Front and Rear Park Assist[3]
- Front Pedestrian and Bicyclist Braking[3]
- HD Surround Vision[3]
- IntelliBeam[3] auto high beam control
- Intersection Automatic Emergency Braking[3]
- Lane Keep Assist with Lane Departure Warning[3]
- Rear Cross Traffic Braking[3]
- Reverse Automatic Braking[3]
- Safety Alert Seat[3]
- Speed Limit Assist[3]
- StabiliTrak® Electronic Stability Control System with Traction Control and Hill Start Assist
- Step Bumper View[3]
- Tire Pressure Monitoring System (excludes spare tire) with Tire Fill Alert and Tire Leak Detection
- Traffic Sign Recognition[3]

PERFORMANCE

- Battery system, Standard Range (GM-estimated range: up to 172 miles[1] [400 models]; up to 170 miles[1] [600 FWD]; up to 176 miles[1] [600 AWD])
- Drive system, FWD, 1 motor (electric drive unit) (233 hp/300 lb.-ft. of torque) or Dual Motor AWD (300 hp/390 lb.-ft. of torque)
- 12-volt battery with rundown protection, 800 cold-cranking amps with 80 amp-hour rating
- Level 2 (AC) charge rates up to 19.2 kW[5]
- 400-volt DC fast charging for charging rates up to 120 kW[6]
- Auto Vehicle Hold
- Electronic Precision Shift
- One-Pedal Driving[7] capability

PRODUCTIVITY + DRIVE EXPERIENCE

- In-Vehicle Wi-Fi® Hotspot[8] capable
- 11-inch diagonal Driver Information Center
- 12-volt auxiliary power outlet
- 110-volt power outlets (2)
- All-weather, front cabin area floor covering
- Automatic climate control
- Cargo tie-downs (up to 6 with 400 models, 8 with 600 models)
- Delivery Mode, automates repetitive tasks for the driver to speed package delivery
- Google built-in[9] infotainment experience with 11.3-inch diagonal advanced color LCD display
- Heated driver-seat cushion and seatback
- Heated, power-adjustable outside mirrors with puddle lamps
- Heated steering wheel
- LED headlamps, taillamps, Daytime Running Lamps and turn signal indicators
- Passenger jump seat
- Push Button Start
- Rainsense™ front wipers
- Rear step bumper
- Remote Keyless Entry[10]
- Remote Start
- Roll-up rear cargo door
- Storage bins (upper instrument panel on driver side, upper instrument panel on curbside, lower floor area on curbside)
- Upfitter[11] wiring provisions
- USB ports[12], Type-A (1) and Type-C (1), located within the instrument panel

KEY AVAILABLE FEATURES

Optional features and packages vary by trim level. See Order Guide for details.

- Battery system, Extended Range (GM-estimated range up to 196 miles[1] [400 FWD]; up to 199 miles[1] [400 AWD]; up to 197 miles[1] [600 FWD]; up to 204 miles[1] [600 AWD])
- Battery system, Max Range (GM-estimated range up to 285 miles[1] [400 model]; up to 286 miles[1] [600 model]) (AWD only)
- Black-painted steel wheels
- Offboard Power, 7.2-kW split-phase, AC power, includes 11.5-kW high-voltage charging module
- Power open/close bulkhead and passenger doors
- Spare tire with jack and tools
- Universal Vehicle Module

1 On a full charge based on development testing and/or analytical projection consistent with SAE J1634 revision 2017 – MCT. Range subject to change prior to production. Actual range may vary based on several factors, including ambient temperature, terrain, battery age and condition, loading, and how you use and maintain your vehicle. EPA estimates not yet available. **2** Cargo and load capacity limited by weight and distribution. **3** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **4** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. Availability subject to change. **5** Replaced with rates up to 11.5 kW when equipped with available power offboarding. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. **6** Requires public DC Fast Charger. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and outside temperature. See the vehicle Owner's Manual for additional limitations. **7** Feature may be limited when the battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details. **8** Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. **9** Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. **10** Requires active service plan. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. See onstar.com for details and limitations. **11** Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations. **12** Not compatible with all devices.

AVAILABLE LIVERY PACKAGE (RPO: ZR3)

Includes Cadillac's Professional Vehicle Limited Warranty for 3 years or 150,000 miles[12]

1 Premium paint; additional charge. **2** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **3** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. **4** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. Availability subject to change. **5** Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. **6** Some features, including streaming content and listening recommendations require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations. **7** OnStar services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. Does not include security services; Super Cruise vehicles are connected to emergency services. See onstar.com for details and limitations. Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. Visit https://www.cadillac.com/technology/super-cruise for compatible roads and full details. **8** Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay®, Siri®, iPhone® and Apple Music® are trademarks of Apple, Inc., registered in the U.S. and other countries. **9** Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android and Android Auto are trademarks of Google LLC. **10** The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter or back cover. To check for phone or other device compatibility, see my.cadillac.com/learn for details or consult your carrier. **11** Not compatible with all devices. **12** Whichever comes first. See dealer for limited warranty details.

- USB ports[8], single or dual rear charge-only
- Wireless device charging[13]

1 Premium paint; additional charge. **2** Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. **3** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **4** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. **5** Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. **6** Requires active service plan. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. See onstar.com for details and limitations. **7** Some features, including streaming content and listening recommendations require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations. **8** Not compatible with all devices. **9** Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay®, Siri®, iPhone® and Apple Music® are trademarks of Apple, Inc., registered in the U.S. and other countries. **10** Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android and Android Auto are trademarks of Google LLC. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. **11** Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. **12** To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual. **13** The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn for details or consult your carrier.

1 Premium paint; additional charge. 2 Maximum trailering ratings are intended for comparison purposes only. 3 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. 4 These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. 5 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. 6 Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. 7 Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. 8 Requires active service plan. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. See onstar.com for details and limitations. 9 To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual. 10 Some features, including streaming content and listening recommendations require GM connected vehicle services. GM connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. See onstar.com for details and limitations. 11 Not compatible with all devices. 12 Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. 13 Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay®, Siri®, iPhone® and Apple Music® are trademarks of Apple, Inc., registered in the U.S. and other countries. 14 Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android and Android Auto are trademarks of Google LLC. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 15 The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, see my.gmc.com/learn for details or consult your carrier.

1 Premium paint; additional charge. **2** Requires **3500** Regular Cab 2WD DRW with 6.6L Duramax® Turbo-Diesel V8 engine with 18- or 20-inch wheels. Max Trailering Package and Gooseneck hitch. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. **3** Requires 6.6L V8 gas engine and 18- or 20-inch wheels on **2500** Heavy Duty. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. **4** Services subject to user terms and limitations. Certain services require working electrical system, cell reception and GPS signal. OnStar links to emergency services. See https://www.gmenvolve.com/software/onstar for details. **5** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important safety and driver assistance feature limitations and information. **6** To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of the Owner's Manual. **7** Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. **8** Requires active service plan. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. See onstar.com for details and limitations. **9** Service varies with conditions and location. Requires active service plan. See onstar.com for details and limitations. Vehicle must be on or in the accessory position for Wi-Fi to function. **10** Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay®, Siri®, iPhone® and Apple Music® are trademarks of Apple, Inc., registered in the U.S. and other countries. **11** Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android and Android Auto are trademarks of Google LLC. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. **12** Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer. **13** Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Android Auto, Google Play and Google Maps are trademarks of Google LLC. **14** Upfits from an independent supplier are not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety and quality of independent supplier alterations. **15** Does not include spray-on liner on tailgate due to Black composite inner panel. **16** The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter or back cover. To check for phone or other device compatibility, see my.gmc.com/learn for details or consult your carrier.

1 A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. **2** Whichever comes first. See dealer for limited warranty details. **3** See warranty booklet/manual for details.

WARRANTY BENEFITS

ENJOY ADDED CONFIDENCE WITH COURTESY SERVICES

Every new vehicle purchase comes with a bundle of benefits that can help keep your drivers on the road and your business running smoothly.

ROADSIDE ASSISTANCE[1]

Help is waiting if your drivers have a flat tire, run out of gas or find themselves needing a tow. Specially trained advisors are available 24 hours a day, 365 days a year to help them get back on the road.

- **Chevrolet/GMC Qualified Fleet Customers:** 5 years/100,000 miles[2]
- **Chevrolet/GMC Retail Customers:** 5 years/60,000 miles[3]
- **Buick:** 5 years/60,000 miles[3]
- **Cadillac:** 6 years/70,000 miles[3]
- **Qualified Cadillac Professional Vehicles With the ZR3 Option:** 3 years/150,000 miles[3]
- **Qualified XT5 Fleet Vehicles With the BQ9 and V4U Options:** 6 years/100,000 miles[3]
- **Electric Vehicles:** 8 years/100,000 miles[3]

(NOTE: Eligible non-tow service coverage duration varies for Chevrolet, GMC, Buick and Cadillac EVs.)

COURTESY TRANSPORTATION[4]

Courtesy Transportation provides alternative means of travel and/or reimbursement of certain transportation expenses if your eligible fleet vehicle requires warranty repair.

- **Chevrolet/GMC Qualified Fleet Customers:** 5 years/100,000 miles[2]
- **Chevrolet/GMC Retail Customers:** 5 years/60,000 miles[3]
- **Buick:** 5 years/60,000 miles[3]
- **Cadillac:** 6 years/70,000 miles[3]
- **Qualified Cadillac Professional Vehicles With the ZR3 Option:** 3 years/150,000 miles[3]
- **Qualified XT5 Fleet Vehicles With the BQ9 and V4U Options:** 6 years/100,000 miles[3]
- **Electric Vehicles:** 8 years/100,000 miles[3]

(NOTE: Eligible non-tow service coverage duration varies for Chevrolet, GMC, Buick and Cadillac EVs.)

INCLUDED MAINTENANCE

Technicians at more than 4,000 Chevrolet, GMC, Buick and Cadillac dealers nationwide are trained to help keep your vehicles running in optimum condition for the road ahead. With your new vehicle purchase, enjoy one maintenance visit within the first year of vehicle delivery[5]. Depending on the model, services could include:

- **Oil and Filter Change**
- **Tire Rotation**
- **Multi-Point Vehicle Inspection (MPVI)**

1 Roadside service provided by third-party supplier for vehicles only. Limitations and restrictions apply. **2** Whichever comes first. A "Qualified Fleet User" is defined as, subject to below exclusions, any company: (a) which has purchased or leased five (5) or more new cars and/or trucks (any combination of vehicle manufacturers) principally for business use in its operation within the last 12 months; (b) that currently owns or leases five (5) or more medium duty trucks used in its company service; or (c) that currently owns or leases fifteen (15) or more cars and trucks used in its company service. **3** Whichever comes first. See dealer for limited warranty details. **4** If the vehicle has a warrantable failure, see your Owner's Manual for full details on the Courtesy Transportation program. **5** Includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of oil change, tire rotation, and Multi-Point Vehicle Inspection. Service will be performed using ACDelco dexos1® Full Synthetic oil and ACDelco filter. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9. For Chevrolet/GMC Diesel models, maintenance includes first required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change, tire rotation, and Multi-Point Vehicle Inspection and Diesel Exhaust Fluid (DEF) II. Service will be performed using ACDelco dexos2 or Mobil Delvac™ 1300 CK4 oil and ACDelco filter and ACDelco Diesel Exhaust Fluid. Service visit must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9. Chevrolet Corvette maintenance includes one required maintenance visit as stated in vehicle maintenance schedule. Maintenance visit consists of an oil change and Multi-Point Vehicle Inspection. Service will be performed using Mobil 1 ESP 0W40 oil and ACDelco Filter. Service visits must occur within the first year of ownership from date of purchase. Does not include air filters. See participating dealer for other restrictions and complete details. Excludes vehicles ordered with fleet delete option RY9.

BUSINESS ELITE & MEDIUM DUTY DEALER NETWORKS

2024 GMC Sierra 3500HD Chassis Cab and 2024 Chevrolet Silverado 3500 HD Chassis Cab shown.

BUSINESS ELITE

Our Chevrolet and GMC Business Elite dealers understand your business and uptime needs. Their primary focus is on you, the commercial customer. You can rely on their expertise to help you get the right vehicle selection, services and solutions you need, keeping your vehicles on the road and helping your business grow.

CUSTOMIZED SOLUTIONS

Business Elite dealers take the time to learn about your challenges and offer solutions to help build a fleet that grows with your business.

- Offer a diverse lineup of commercial vehicles
- Connect you with an upfitter[1] that can equip your vehicle to meet your job requirements
- Discuss total cost of ownership while offering business financing and leasing options

EXCEPTIONAL CUSTOMER SERVICE

Business Elite service departments are set up to provide business-centered benefits.

- Facilities, tools, equipment and certified technicians to accommodate your specific needs
- Extended service hours and priority service to minimize downtime

MEDIUM DUTY TRUCKS

A nationwide network of more than 550 Chevrolet Medium Duty dealers, ready to meet your fleet's needs.

Chevrolet Medium Duty dealers have the ability to order, sell and service Silverado Medium Duty and Low Cab Forward vehicles in addition to offering the full lineup of Chevrolet vehicles.

CHEVROLET

MEDIUM DUTY TRUCKS

Dealers are equipped with:

- Capable-sized lifts and service bay areas
- Facilities to provide maintenance on your units
- Specialty tools
- Model-specific training provided by the factory

Visit gmenvolve.com/fleet and select "Locate a Dealer" to find a Business Elite or Medium Duty dealer near you.

1 Upfits are provided by independent suppliers. GM is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by any such supplier.

FLEET ACCOUNT NUMBERS

HOW TO ESTABLISH A NEW GM ENVOLVE

FLEET ACCOUNT NUMBER (FAN)

DETERMINE IF A PROSPECT IS QUALIFIED

Fleet Account Numbers are assigned to Qualified Fleet Users (defined below) upon application to General Motors and GM Envolve (GM) through the Global FAN Portal.

ENROLLMENT FORM TERMS AND CONDITIONS

A "Qualified Fleet User" is defined as, subject to below exclusions, any business entity that: (a) has purchased or leased five (5) or more new vehicles (any combination of vehicle manufacturers) principally for business use by such business entity in the United States within the last 12 months; (b) currently owns or leases five (5) or more medium duty trucks (any age or manufacturer) principally for business use by such business entity in the United States or purchases/leases one (1) medium duty truck from a participating Medium Duty Assistance Program (MDAP) distributor; or (c) currently owns or leases fifteen (15) or more vehicles (any age or manufacturer) used principally for business use by such business entity in the United States. Vehicles must be titled and registered in the business name or the bank/lessor (Fleet Leasing) name (personal vehicles are excluded). If a proposed enrollee is qualified as a customer, a GM dealer is required to submit a fleet enrollment application. Supporting documentation must be retained by the dealer and made available to GM upon request (including all titles, registrations, and proof of insurance). The proposed enrollee may be asked for additional documentation.

NOTE: Entities deemed eligible for a Government FAN, with a minimum of one (1) vehicle, are exempt from having to provide vehicle eligibility documents. Examples of government entities are federal/state/county/city agency, town/township/village or municipality, public education system, or government owned-operated utility or railroad. Dealers can refer to the current 24-00 Government Bid Assistance Policies and Procedures bulletin.

New Fleet or Commercial motor vehicles ordered must be delivered to the same Qualified Fleet User (using the same FAN). Vehicles delivered to a Qualified Fleet User must be reported with a fleet delivery type. In addition, vehicles must be kept in fleet service by the same Qualified Fleet User for a minimum of twelve (12) months, or 12,000 miles, whichever occurs first, from the date of delivery unless a different fleet service requirement is specified in the program guidelines provided by GM under a Competitive Assistance Program agreement.

The Qualified Fleet User, by executing the enrollment form, certifies it is a Qualified Fleet User, acknowledges the GM Envolve Program Guidelines referenced herein, and agrees to comply with any and all GM requirements, including the terms and conditions of the Fleet Enrollment Form and any Competitive Assistance Program agreement if one is signed.

The Qualified Fleet User further agrees to provide, upon request by GM or the selling dealer, access to review original business records confirming that vehicles were, and continue to be, registered, used, and transferred only in accordance with GM Envolve Program Guidelines. In the event (1) a Qualified Fleet User orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Envolve programs and those vehicles are not used by a Qualified Fleet User in accordance with Program Guidelines or (2) GM declares that any other actions of a Qualified Fleet User are inconsistent with this program, GM will take appropriate action, in its sole discretion and with or without notice to the Qualified Fleet User, which may include the disqualification of the Qualified Fleet User and/or dealer from future participation in GM Envolve, and the issuance of fleet charge back against the dealer or identified Qualified Fleet User for any special allowances, incentives, special option packages or other promotional programs which GM paid or credited the dealer or identified Qualified Fleet User as a result of inaccurate representation. In the event of such a chargeback to the dealer, the Qualified Fleet User agrees to reimburse the dealer.

IF A PROSPECT IS QUALIFIED

A General Motors dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANS website. The following information is required:

SCROLL FOR MORE CONTENT

FLEET ACCOUNT NUMBERS

HOW TO ESTABLISH A NEW GM ENVOLVE

FLEET ACCOUNT NUMBER (FAN)

IF A PROSPECT IS QUALIFIED

A General Motors dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANS website. The following information is required:

1. Name of business
2. Physical address
3. Phone number
4. Copies of titles, registrations or proof of insurance of minimum vehicle requirement, in the company name
5. Completed Qualified Fleet User enrollment form

Upon completion of the enrollment form on the website, the dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued, and the requesting dealer will be advised of the FAN via online application and email.

All supporting documentation of the prospect's fleet eligibility must be retained by the dealership submitting the enrollment application.

STANDARD FLEET ELIGIBILITY GUIDELINES

Unless otherwise indicated, the following eligibility guidelines will apply to all fleet incentive/allowance programs:

A. The order period will begin with the announcement of the 2026 model year fleet incentive programs and end when dealers are notified that 2026 model year orders are no longer being accepted by the respective GM divisions.

B. The delivery period is the start of 2026 production.

C. Qualified Fleet Users are not allowed to export vehicles outside of the United States, and upon any violation in GM's sole discretion, the FAN will be immediately terminated.

D. All qualified fleet orders for eligible models received from dealers must contain a valid fleet order type.

E. All qualified fleet orders for eligible models received from dealers must contain the FAN of record and the FAN account name.

F. Dealer Order Acknowledgments must be checked to verify accuracy of orders submitted.

G. Dealer orders currently on hand or in the system that qualify under these programs, except that they do not contain the appropriate processing options, can be amended or canceled and reordered if they have not been approved for production. This is the ordering

SCROLL FOR MORE CONTENT

FLEET ACCOUNT NUMBERS

HOW TO ESTABLISH A NEW GM ENVOLVE

FLEET ACCOUNT NUMBER (FAN)

G. Dealer orders currently on hand or in the system that qualify under these programs, except that they do not contain the appropriate processing options, can be amended or canceled and reordered if they have not been approved for production. This is the ordering dealer's responsibility.

H. Vehicles delivered to unqualified customers are ineligible for purchase under a FAN, and the dealer's open account will be debited for the amount of the credit and any other fleet allowance paid. Failure to comply with these guidelines may also result in the dealer being disqualified from future participation in GM Envolve programs and/or termination of the dealer's Sales and Service Agreement. Failure to report a FAN and valid fleet delivery type on the delivery record, if required by the GM division, will automatically generate a debit to the dealer's open account.

I. Eligible deliveries must be made to the ultimate customer through a dealership representing the GM marketing division. Deliveries made through any entity or individual other than a General Motors dealer are ineligible for payment of incentives. Eligible light-duty truck orders may be delivered through body builders if the end user is a qualified fleet or political subdivision, including the federal government.

J. Dealers must take full responsibility for including the proper processing option on the orders. No additions or changes will be accepted after orders are approved for production.

K. Fleet orders submitted with both a fleet processing option and any ineligible fleet or retail incentive option will be rejected with an error message.

L. Acceptance of an order on any vehicle line does not constitute a commitment to build or to build in a requested time frame.

M. Those orders not produced during the 2025 model production period will be canceled. There are no provisions for dealers to receive any allowance for those canceled orders.

N. Order Workbench delivery codes reported by dealers must be the same as the Order Workbench codes provided in incentive program guidelines.

IMPORTANT

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program dealer letters or guidelines. To ensure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to the GM Envolve Solutions Center at 800-353-3867 or gmenvolvesolutionscenter@gm.com.

ABOUT THIS GUIDE

USE IN, ADVERTISING

We reserve the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release, please check with your GM dealer for complete details. Competitive comparison claims are based on most current competitive information. GM reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

The vehicles described in this guide are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly. Some of the equipment shown or described throughout this guide may be available at extra cost and/or supplied by an independent supplier.

See your local GM Envolve Account Executive or Dealer Fleet/Commercial Sales Manager or go to gmenvolve.com for up-to-date information.

TRADEMARK

The marks appearing in this guide including, but not limited to: (i) GM and the GM Logo; (ii) Chevrolet, Buick, Cadillac and GMC and their respective logos, emblems, slogans and vehicle model names and body designs; and (iii) other marks such as ACDelco, Autotrac, Duralife, Duramax, ECOTEC, GM Envolve, Magnetic Ride Control, QuietTuning, Regen On Demand, SkyScape, StabiliTrak, UltraView, Z71 and ZR2 are trademarks and/or service marks of GM, its subsidiaries, affiliates or licensors. OnStar and the OnStar emblems are registered trademarks of OnStar LLC.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto™ is a trademark of Google LLC. Brembo is a registered trademark of FRENI BREMBO S.P.A. The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. Wi-Fi is a registered trademark of Wi-Fi Alliance. Bose and Centerpoint are registered trademarks of the Bose Corp. SiriusXM, the SiriusXM logo, channel names and logos are trademarks of SiriusXM Radio Inc. and are used under license. HD Radio is a registered trademark of iBiquity Digital Corporation in the United States and/or other countries. Allison Transmission is a trademark of Allison Transmission, Inc. Goodyear is a trademark of the Goodyear Tire & Rubber Company. Michelin Selfseal is a registered trademark of Michelin North America.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
