1987 CHRYSLER

LE BARON COUPE

That it is beautiful is a reality unlikely to come into serious dispute. That it inspires a passion for driving is a reality that demands demonstration. Concede its beauty; make your demands. Succumb to its contemporary styling and prestige as you maintain control of its spirited performance. Indulge yourself in the all-new driving experience of the Chrysler LeBaron Coupe.

Chrysler LeBaron. Beauty...with a passion for driving.

LeBaron Premium Coupe, shown in Radiant Silver Clear Coat/Charcoal Pearl Coat.

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

LeBaron Premium Coupe, shown in Radiant Silver Clear Coat/Charcoal Pearl Coat.

The first impression made by the newest LeBaron's appearance is sportiness. The second is elegance—elegance born of the delicate balance between functional aerodynamics and seductive sculpting. Of LeBaron's dramatically low, swept-back front end. Of its aircraft-styled doors and flush-mounted glass. Of its acutely angled pillars, concealed headlights and wraparound taillights. An elegance flavored with flair.

How long since you've felt the urge to road test the promise of a seductively styled car? Compelled to discover the substance beneath the skin? The very heart of LeBaron is its smooth 2.5-liter EFI balance-shaft engine. Its available 2.2-liter EFI turbo offers invigorating power and acceleration. Central to its nerve system are the stability of front-wheel drive and the responsive handling of road-touring suspension. LeBaron is not merely a car to be driven. It is a car to be experienced.

LeBaron Highline Coupe, shown in Light Rosewood Mist Pearl Coat.

LeBaron Premium Coupe standard all cloth seats, shown in Cordovan.

Luxury is the signature by which the newest LeBaron can be identified. The luxuriousness of both the LeBaron Highline and Premium models can be measured by the comfort of their ride and the elegance of their appointments. Front low-back reclining bucket seats feature four-way adjustable head restraints. The Premium model features a 40/60 split folding rear seatback for more convenient loading and expanded cargo capacity. For easier rear seat access, the front passenger seat can be moved forward with the seatback folded down. A six-way adjustable power seat is available for the driver.

Center console.

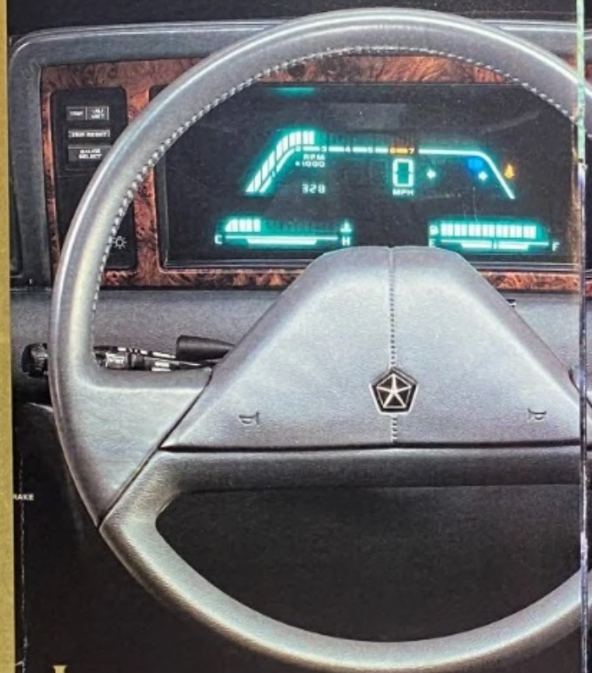
LeBaron Premium Coupe available Corinthian leather with vinyl trim interior, shown in Charcoal.

LeBaron Highline Coupe standard cloth with vinyl trim seats, shown in Twilight Blue.

Luxury isn't just comfort. It's convenience, too. Inside the LeBaron Coupe is a full-length center shift console that incorporates a coin holder, a double cup holder, storage bins, controls for power options and much more. And for your after-dark convenience, LeBaron includes four courtesy reading lights, two over the front seats and two on the rear pillars, trunk and door courtesy lights, as well as lights for the ash receiver, glove box and ignition switch. Comfort. Convenience. And the ultimate travel luxury—a quiet interior. The new LeBaron Coupe is built with an extensive array of noise and vibration silencers that make your ride luxuriously quiet.

LeBaron Premium Coupe standard 40/60 split fold-down rear seat.

LeBaron Premium Coupe, shown in Radiant Silver Clear Coat/Charcoal Pearl Coat.



LeBaron is a car for drivers who *enjoy* the roadway. It is a car to be appreciated by those who favor touches of luxury and convenience. Among the standards:

1. Mini Trip Computer. Digital readouts report: average and present mpg, accumulated trip miles, elapsed trip time, and miles-to-empty.

2. Concealed Quad Halogen Headlights. A convenient switch on the instrument panel controls the opening and closing of headlight doors.

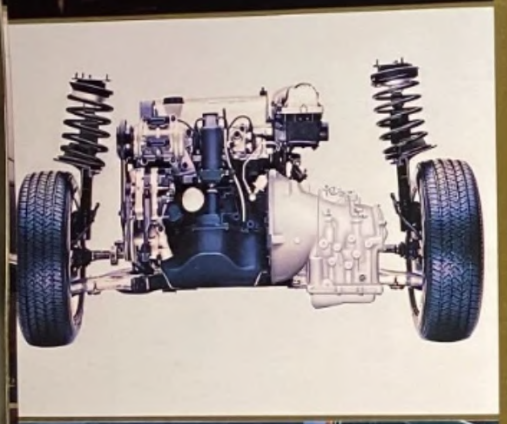
3. Electromechanical Instrument Cluster. Features electronically driven speedometer/odometer; tachometer; trip odometer; magnetic electrical system voltage, engine coolant temperature, fuel level and oil pressure gauges.

4. Remote Release. Both the fuel filler door and the rear deck lid are opened from the driver's seat by remote controls.

5. Deluxe Wipers. Two-speed concealed windshield wipers have intermittent wipe feature and include electric windshield washers. **Electronic Speed Control.** Electronically holds the selected miles-per-hour speed for highway cruising.

6. Flush Glass. A new guidance system keeps door windows flush with the body for improved aerodynamics. All windows are tinted.

LeBaron Premium Coupe standard electronic instrument cluster.



The LeBaron Coupe is a car engineered to be dependable ... and a car engineered to be driven. Like so many of its dependable predecessors, the newest LeBaron is protected by Chrysler's 5/50 Limited Warranty (see limited warranty details on page 18). And LeBaron is as driveable as it is dependable.

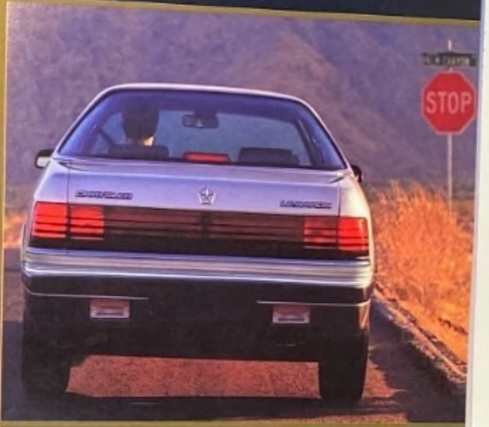
Power Trains: LeBaron's standard high-torque 2.5-liter EFI engine features a fast-burn cylinder head for quicker, more complete fuel combustion, and vibration-reducing balance shafts for smooth operation. A 2.2-liter multipoint EFI turbo engine is available for improved acceleration and passing power. A five-speed manual transaxle is standard, and Chrysler's three-speed automatic TorqueFlite transaxle is also available.

Suspension. The road-touring suspension system features gas-charged front Iso-Struts and gas-charged rear shocks for long-haul smoothness. A sport handling suspension system with higher-control shocks and struts, larger-diameter front and rear sway bars, and firm feel, quick-ratio, power-assisted steering is also available.

Brakes. The power-assisted dual braking system is split diagonally for controlled stops. Vented front disc and rear drum brakes combine for consistently smooth, sure stops.

Steering. The standard power-assisted rack-and-pinion steering system provides precision feel with reduced effort.

LeBaron Premium Coupe, shown in Black Clear Coat.



The enjoyment of being *in* the car *on* the road. That's the luxury of LeBaron. Revel in it by choosing the LeBaron options that will bring even more comfort, convenience and elegance to the ride.

Automatic temperature control is actuated by a microprocessor. Automatic controls provide fast warmup and cooldown of passenger compartment. Soft-touch controls offer precise adjustments for rate and direction of air flow. (Available on Premium model only.)

Ultimate Sound System. AM stereo*/FM stereo radio includes:
- five-band graphic equalizer
- Dynamic Noise Reduction†
- metal tape capability

plus electronic tuning; memory scan; up-and-down scan; cassette tape player with automatic reverse and Dolby B Noise Reduction‡; joystick balance/fader control; ambience sound control; six-speaker system; integral digital clock; 20 station presets.

Illuminated vanity mirrors are concealed on the backs of both the driver's and passenger's sun visors. Available only as part of the Light Package.

Power-adjustable mirrors. Power outside mirrors, for both passenger and driver sides, are remotely controlled for quick, safe adjustments. Available only as part of the Power Convenience Discount Package.

*Some AM stereo broadcasting may not be compatible with this radio.
†Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.
‡Dolby B Noise Reduction is a trademark of Dolby Laboratories.

LeBaron Premium Coupe, shown in Twilight Blue Pearl Coat.

STANDARD AND OPTIONAL EQUIPMENT

POPULAR EQUIPMENT DISCOUNT PACKAGE
- Air conditioning with manual temperature control (Highline only)
- Air conditioning with automatic temperature control (Premium only)
- Deluxe Convenience Package
- Front and rear accessory floor mats*
- Light Package (Premium only)
- Power Convenience Discount Package
- Power drivers seat (Premium only)
- Rear Defroster Package
- Undercoating*

*Available in package only.

- Cornering light (standard on Premium)*
- Driver and passenger illuminated visor vanity mirrors*
- Headlight switch with time delay*
- Illuminated entry system*

*Available in package only.

REAR DEFROSTER PACKAGE
- 500 amp maintenance-free battery*
- Electric rear window defroster*†

*Available in package only.
†Required on all passenger vehicles registered in New York state.

DELUXE CONVENIENCE PACKAGE
- Electronic speed control*
- Tilt steering column*

*Available in package only.

TURBO DISCOUNT PACKAGE
- 2.2-liter multipoint electronic fuel injected turbocharged engine
- AM stereo*/FM stereo electronically tuned radio with cassette tape player; six speakers; integral digital clock
- Fifteen-inch cast aluminum wheels (set of four)*
- Leather-wrapped luxury steering wheel (standard on Premium)*
- P205/60R15 steel-belted radial tires with raised black letters (set of four)‡
- Sport handling suspension

*Some AM stereo broadcasting may not be compatible with this radio.
‡Available on Highline in Turbo Discount Package only.
‡Available in package only.

POWER CONVENIENCE DISCOUNT PACKAGE
- Dual power remote control outside mirrors, black*
- Power door locks*
- Power windows*

*Available in package only.

ELECTRONIC FEATURES DISCOUNT PACKAGE
(Available on Premium model)
- Overhead console: includes compass and outside temperature readouts, storage compartment for garage door opener and sunglasses; twin map/courtesy lights*
- Electronic Monitor with Voice Alert*–Includes visual and verbal warning messages: check brake lights, check engine coolant level, check front disc brake pads, check fuel level, check headlights, check taillights, check transaxle fluid level, door ajar, engine overheating, engine temperature above normal; headlights on; key in the ignition; low washer fluid; oil pressure critical; parking brake on; trunk ajar.
- Electronic Navigator*–Includes vacuum fluorescent alphanumeric display for: average fuel economy; average speed, distance to destination, elapsed time, estimated time of arrival, fuel consumed, instant fuel economy, range in miles, time/day/month/date, trip odometer

*Available in package only.

HANDLING TIRE/SUSPENSION PACKAGE
- Fifteen-inch luxury wheel covers (set of four)*
- P205/60R15 steel-belted radial raised black letter performance handling tires (set of four)*
- Sport handling suspension (includes higher control gas-charged front Iso-Struts, gas-charged rear shocks, larger front and rear antisway bars, and firm-feel quick ratio power-assisted steering)

*Available in package only.

ALUMINUM WHEEL HANDLING PACKAGE
(Available on Premium models only)
- Fifteen-inch cast aluminum road wheels (set of four)*
- P205/60R15 steel-belted radial raised black letter performance handling tires (set of four)*
- Sport handling suspension (includes higher control gas-charged front Iso-Struts, gas-charged rear shocks, larger front and rear antisway bars, and firm-feel quick ratio power-assisted steering)

*Available in package only.

STANDARD SAFETY FEATURES
- Antitheft trunk lock
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Center high-mounted supplemental stoplight
- Double ball joint rearview mirror mount
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Dual throttle return springs
- Electronic windshield washers and wipers
- Energy-absorbing front seatbacks
- Energy-absorbing instrument panel
- Energy-absorbing steering column or steering wheel
- Fade resistant front vented disc brakes
- Fasten seat belt reminder system
- Front seat head restraints
- Glare reduction measures for instrument panel, steering wheel and windshield wipers
- Hazard warning flasher system
- Headlight and wiper circuit breakers with automatic reset
- Ignition and steering column lock
- Impact-actuated fuel supply shutdown relay
- Inside and outside rearview mirrors
- Interlocking door latches
- Key left in ignition warning
- Nonoverride door locks (except drivers door)
- Recessed inside door release handles
- Reinforced windshield header and roof
- Resilient window crank knobs
- Rotary glove box latch
- Safety-Rim wheels
- Two-point passive restraint system for the driver and right front passenger; lap belts for all other passengers
- Seatback latches on folding seats
- Shatter resistant glass
- Side door beams
- Side marker lights and reflectors
- Turn signals with lane-change feature

LeBARON POWER TRAIN CHART†

Type	Displacement	Bore & Stroke	Compression Ratio	Horsepower/Torque SAE Net @ RPM	Transaxle Availability
4-Cylinder OHC single point electronic fuel injection, balance shaft: standard	2.5-liter (153 CID)	3.44" x 4.09"	9.0:1	100 hp @ 4,800 rpm / 133 lb-ft @ 2,800 rpm	5-speed close-ratio manual overdrive (2.51 OTGR): standard 3-speed automatic (3.02 OTGR): optional‡
4-Cylinder OHC multipoint electronic fuel injection, turbocharged: optional‡	2.2-liter (135 CID)	3.44" x 3.62"	8.1:1	146 hp @ 5,200 rpm / 170 lb-ft @ 3,000 rpm	5-speed close-ratio manual overdrive (2.51 OTGR): standard 3-speed automatic (3.02 OTGR): optional

OTGR–Overall top gear ratio. *Emissions controls required at extra cost on all vehicles registered in California; not available otherwise. †Includes bright dual exhaust tips, engine decklid spoiler and turbo identification. Chrysler/Bosch multipoint electronic fuel injection and equal-length drive shafts. Premium unleaded fuel is recommended. Turbocharged engine not recommended for trailer towing, and such use may damage the engine and invalidate warranty. ‡Includes lockup torque converter.

5/50 LIMITED WARRANTY
Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or 50,000 miles (two years or 24,000 miles for fleet vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Export vehicles excluded. See copy at your dealer.

OPTIONAL SERVICE CONTRACT
Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified major components after your vehicle's basic 12-month or 12,000-mile limited warranty expires and continues for five years or 50,000 miles from the original warranty start date. A deductible applies. Allowances for car rental and towing are also included. See copy at your dealer.

TWO-TONE EXTERIOR COLORS
(Standard on Premium only)†
- Light Rosewood Mist Pearl Coat/Dark Cordovan Pearl Coat
- Twilight Blue Pearl Coat/Radiant Silver Clear Coat
- Dark Cordovan Pearl Coat/Light Rosewood Mist Pearl Coat
- Ice Blue Clear Coat/Twilight Blue Pearl Coat
- Radiant Silver Clear Coat/Charcoal Pearl Coat
- White Clear Coat/Charcoal Pearl Coat

†Monotone colors available on Premium if standard two-tone not wanted.
Note: Due to occasional printing irregularities, the colors shown may vary slightly from actual hues. See your Chrysler dealer for accurate color chips.
Clear Coat finish is standard on every 1987 passenger car built by Chrysler Motors.

STANDARD AND OPTIONAL EQUIPMENT

	Highline	Premium
Air Conditioning*–Electronic automatic temperature control: bi-level ventilation	NA	E
Air Conditioning*–Manual temperature control: bi-level ventilation	E	NA

CONSIDER LEASING
More consumers are considering leasing as an alternative to buying. Leasing a new Chrysler LeBaron usually involves a small security deposit and a first months lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Motors for use in your new Chrysler LeBaron. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.
