1985 DODGE Lancer

Lancer

THE BEST OF ALL THE WORLD

Out of this world comes a car of refined balance: The first American-built front-wheel drive touring sedan with liftback versatility and available turbocharged power. An automobile that blends rapid acceleration, superb handling, riding comfort, and controlled braking into a synergism of performance. An affordable grand tourer

in the tradition of more expensive European sedans, ergonomically designed to provide perfect harmony between car and driver. Quality built to world class standards and backed by Chrysler's 5/50 Protection Plan on engine, transaxle and axle, turbocharger, and outer-body rust-through. See the back cover for details.

IN A WORLD OF ALL THE BEST

Lancer

LANCER ES. TURBO THRUST. FORWARD THINKING.

Lancer ES. The ultimate in Dodge state-of-the-art engineering, design integrity, and manufacturing expertise. An intelligent car for the intelligent buyer. A computer-precise touring sedan that was bred for the open road with its powerful 2.2-liter engine with available Garrett AiResearch turbocharging and Chrysler/Bosch multipoint electronic fuel injection. An engine that combines the efficiency of a four-cylinder powerplant with the performance capabilities to challenge V-6's and most V-8's.

Lancer ES defies traditional American sedan concepts. Follow its precisely contoured lines. From its distinctive grille, up its sloping hood with functional turbo louvers, across its stylized roof line, to its rear liftback; this is the true manifestation of aerodynamic design.

The newly designed flush-mounted aerowrap windshield has a 58° slant to minimize drag while maximizing visibility. Flush liftback glass and aircraft-type doors also reduce drag.

The black front air dam is complimented by black trim and bodyside molding. Its Euro styling is enhanced with bodyside and liftback accent stripes.

Performance handling steel-belted radial tires are standard.

Lancer ES ... balanced style, performance, function, and most important, affordability.

Shown below in Radiant Silver Crystal Coat.

ABOUT THIS CATALOG. Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

Some of the equipment shown or described throughout this catalog is available at extra cost.

IN A WORLD OF ALL THE BEST

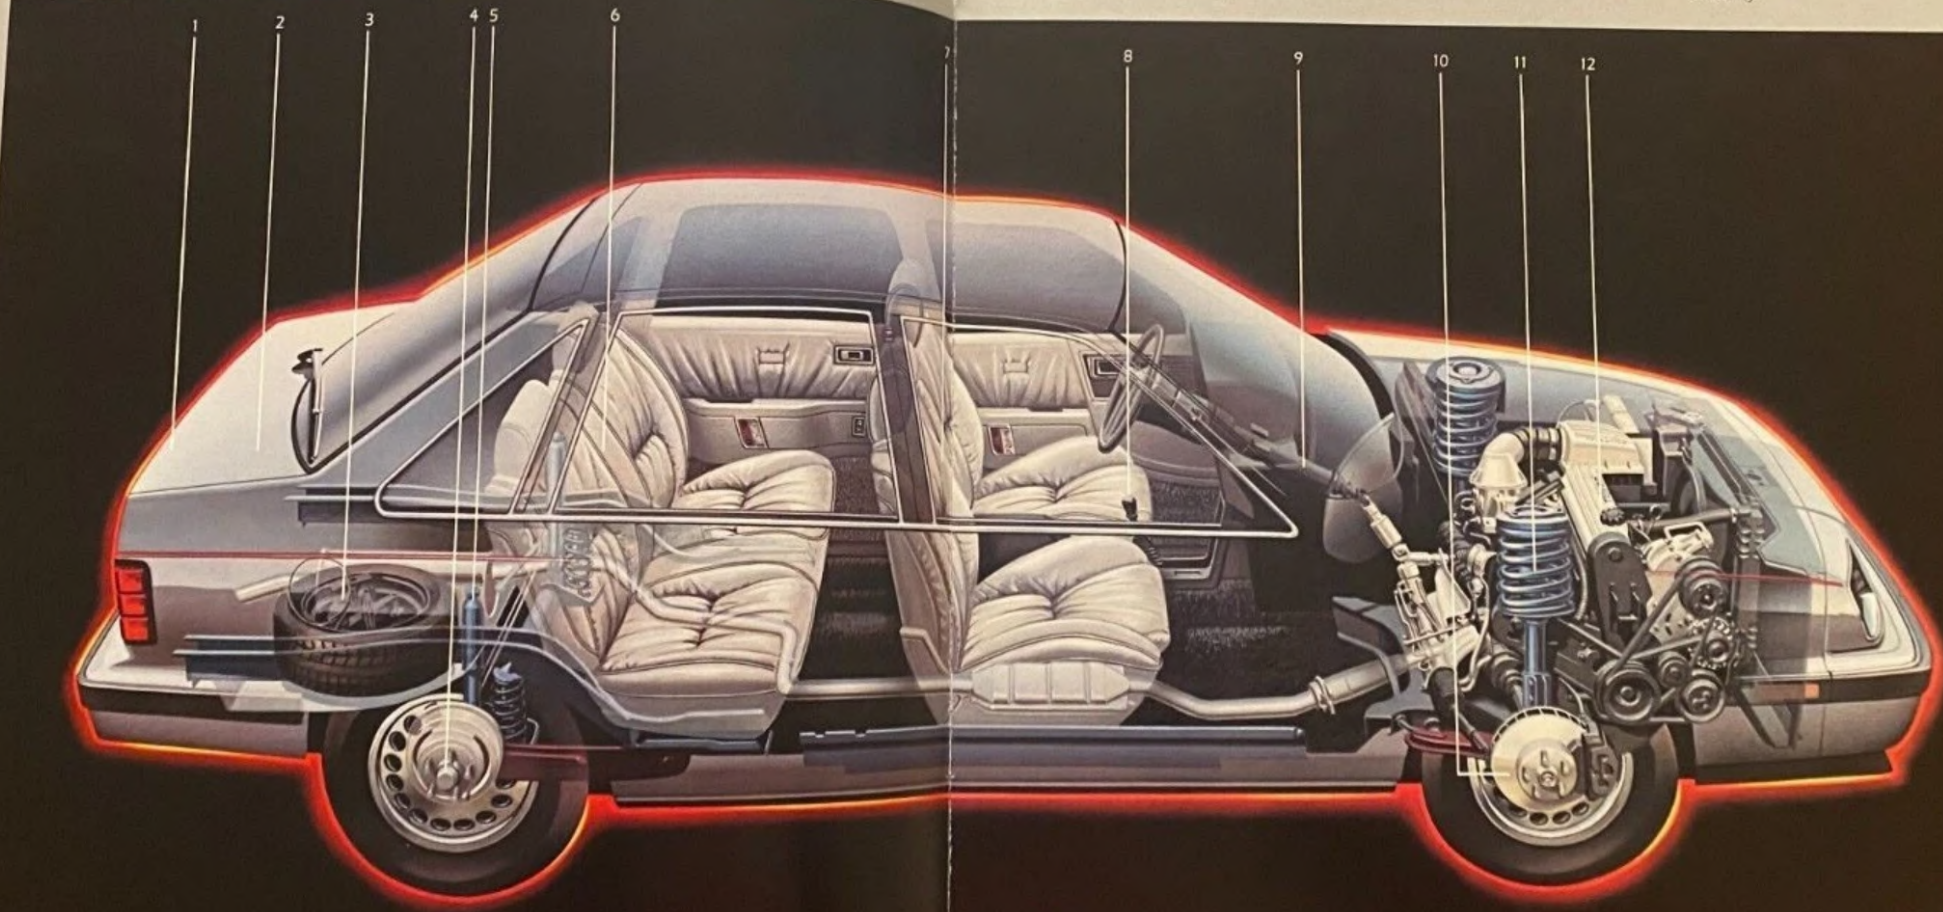
Lancer

THE SYNERGISM OF WORLD CLASS TECHNOLOGY.

The challenge was to take the best technology, the best designs, the best accomplishments of the world automotive industry. Refine them. Adapt them. Tool them. And then mesh them with the very best innovations developed by Dodge's design and engineering expertise. The result? A touring sedan like never before.

(1) Rear liftback with gas-assist props. (2) 42.0 cubic foot cargo area (with rear seatback down). (3) Compact spare tire. (4) Self-adjusting rear power drum brakes. (5) Nitrogen-charged rear shocks. (6) Split 60/40 rear seatbacks (standard and available on Lancer ES only). (7) Sport bucket seats with recliners (standard and available on Lancer ES only). (8) Five-speed close-ratio manual transaxle. (9) Rack-and-pinion power steering. (10) Available 15-inch cast aluminum road wheels. (11) Nitrogen-charged dual-path Iso-Strut front suspension. (12) Available 2.2-liter turbocharged four-cylinder engine with multipoint electronic fuel injection.

TURBO EFI ENGINE. Add turbocharger and computer controlled multipoint fuel injection to your Lancer and you get the straight-line performance of many V-8s for passing and accelerating onto highways, without sacrificing fuel efficiency.



LANCER ES. AN INNER WORLD THAT IS OUT OF THIS WORLD.

Here lies a world of ergonomic excellence. A study in visual and functional design harmony. An environment for the human form. Comfortable. Precise. Capable of anticipating your driving needs as few cars before it.

The ES forward compartment indulges its occupants in sport bucket seats with reclining seatbacks. Seats that are molded for anatomical comfort and support. Seats that are trimmed in world class coverings such as available soft-touch Corinthian leather (shown in Silver).

Standard seating offers handsome, tastefully designed wear-resistant cloth.

Front door trim panels include a convenient soft armrest. The lower panel is carpeted and has an integral map pocket. Available power door locks, power windows, and power mirror switches are conveniently located on the door panel. Controls for the standard fuel filler door and liftback cable release are in easy reach on the driver's door sill.

The convenient 60/40 split-back rear seat features integral headrests. With both seatbacks down there's room for 42.0 cubic feet of cargo. The liftback latch and rear seatback latches are equipped with a defeat mechanism for cargo security. Passenger and cargo compartments are lavished with 16-ounce deep-pile plush carpeting.

FIVE-YEAR/50,000-MILE PROTECTION PLAN.
Dodge Lancer is quality built and backed by a five-year/50,000-mile power train (including turbocharging system) limited warranty, and five-year/50,000-mile outer panel rust-through protection against corrosion. See back cover for details.

Lancer

LANCER ES. AN ELECTRONIC REVOLUTION.

Dodge Lancer represents the very latest in advanced electronics, and it's obvious at first glance when you settle into the Lancer ES cockpit.

The standard fully electronic instrument cluster includes fluorescent displays for the easy-to-read digital speedometer and odometer/trip odometer. The graphic tachometer display flashes rpm at a steady flow, and graphic displays chart oil pressure, voltage, engine coolant temperature, and fuel level. Directly below the electronic cluster are switches for trip odometer and reset, and U.S./metric calculation.

An incandescent message center features a graphic car outline to inform you of a door or liftback ajar, and washer fluid low.

1. Multifunction control lever
2. Car Graphic Message Center
3. Euro-sport steering wheel
4. Electronic instrument cluster
5. Odometer mode switches
6. Available AM stereo*/FM stereo Ultimate Sound System
7. Air/heat outlets
8. Retractable dual cup holders

*Limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this radio's reception capability.

Floor-mounted close-ratio five-speed manual overdrive transaxle.

Fluorescent graph-curve tachometer indicates rpm.

Easy-access fuse block includes storage for extra fuses, and "fuse puller" pliers.

Lancer

A NEW ERA BEGINS.

The Dodge Lancer. Get ready to fire up a driver's kind of car. Lancer is a distinctive American touring sedan with touches of the truest European style.

Lancer's 2.2-liter four-cylinder powerhouse with overhead cam and single-point electronic fuel injection translates into top performance when matched with its standard close-ratio five-speed manual transaxle. And with this performance comes outstanding efficiency. This combination registered [23] EPA EST MPG.* 34 estimated highway.

Also, you'll find that Lancer's road touring suspension system with gas-charged front dual-path Iso-Struts and rear shocks smoothly lets you know that the road belongs to you.

Dodge Lancer, shown in Gunmetal Blue Pearl Coat. Chrysler Corporation is the only major American car company offering 100 percent Clear Coat finish in all colors on every 1985 passenger car.

OPTIONAL DISCOUNT PACKAGES FOR ADDITIONAL VALUE.

Lancer is a personal statement of your good taste. And that statement can be enhanced even more with available value-packed discount packages. Both the Popular Equipment Discount Package and the Luxury Equipment Discount Package can be purchased at big savings. See page 18 for details.

*Use EPA EST MPG number for comparison. Your mileage may differ depending upon speed, weather, and trip length. Actual highway mileage will probably be lower. California: [23] EPA EST MPG, 33 estimated highway.

Lancer

A WORLD CLASS AUTOMOTIVE ACHIEVEMENT.

Lancer is not just a car destined for practical use. It's a car that was designed and manufactured to be a harmonious and aesthetic integration of pleasure, mobility, and the American road ... any road.

THE TRUE HARMONY OF PURE ERGONOMICS.
Inside, meticulous attention to detail facilitates total compatibility. La Corde II cloth anatomically contoured low-back bucket seats provide deep cushions and back wings with extra firm padding and special support. The seatbacks are reclinable for precise angle of comfort.

There's the convenience of an available folding center armrest cushion to accommodate a third passenger in the forward compartment (on Lancer only with available TorqueFlite transaxle). There's the thoughtfulness of specially designed instrument panel cup holders, and door trim map pockets.

SOPHISTICATED ELECTRONIC NAVIGATOR.
Chrysler engineers have earned a reputation for leadership in the field of electronics. It's easy to see why when you examine Lancer ES's available center console mounted Electronic Navigator. It features a keyboard entry system, with information presented on a display screen in blue/green letters and numbers. When the car's ignition is on, the Electronic Navigator can be actuated to report on any of nine conditions, plus display the time. Range, estimated time of arrival, distance to destination, average mpg, miles traveled, elapsed driving time, and more are at your fingertips.

ENSURED QUALITY.
Endurance is another measurement of Lancer. Lasting quality is ensured by extensive use of such advanced technology as the Cyber 205 computer—the first of its kind in American industry. The Cyber 205 designs three-dimensional models, analyzes images, assays structure and stress, and is capable of studying up to 400 million functions simultaneously.

Computer-Aided Design enabled Dodge engineers to create a large rear liftback opening while maintaining touring sedan styling. The 60/40 fold-down rear seatbacks on Lancer ES open up the cargo area to 42.0 cubic feet. Compare that to the 15 to 17 cubic feet found in most sedan trunks.

There's security back here, too. The carpeted one-piece rear shelf panel pivots from fixed side extensions integral with the quarter trim panel. The rear seatback and liftback latches come with a defeat mechanism for cargo security.

TURBOCHARGED POWER ON COMMAND.
Lancer's amazing 2.2-liter four-cylinder engine with available Garrett AiResearch turbocharger and Chrysler/Bosch multipoint electronic fuel injection cranks out a maximum boost pressure of 9.0 psi* and generates 146 horsepower at 5,200 rpm. This sturdy, compact yet powerful engine represents a perfect balance between power and efficiency. It produces rapid response on demand. At steady driving speed the turbo idles, contributing to high efficiency. This engine can achieve the high performance and power output of larger, less efficient V-6 and V-8 engines.

*Maximum boost pressure is 8.0 psi with manual transaxle and 9.0 psi with automatic transaxle. Boost pressure varies with engine rpm.

WORLD CLASS MANUFACTURING.
Dodge Lancer's quality, precision, and durability are the culmination of highly advanced manufacturing techniques. Lancer is created at the entirely new Chrysler Sterling Heights Assembly Plant by the most precise and computerized technology known to modern industry. This state-of-the-art installation features 93 robots, including 56 electric robots, for material handling and welding with the highest degree of accuracy possible.

Six automatic gauging stations with optic cameras inspect every Lancer body for in-depth quality finish. An on-line performance feedback system with a production data terminal at each of 1,000 stations provides immediate solutions to any problems.

The paint facility includes a ten-stage system with six full-immersion baths and four rinses. An eight-stage Uniprime* and primer application by cathodic electrodeposition process fully protects the Crystal Coat finish. This finish is applied by robotic turbo-electrostatic guns.

Every Lancer that emerges from this manufacturing plant will have undergone extensive quality and reliability evaluations. Zero defects are the number one priority.

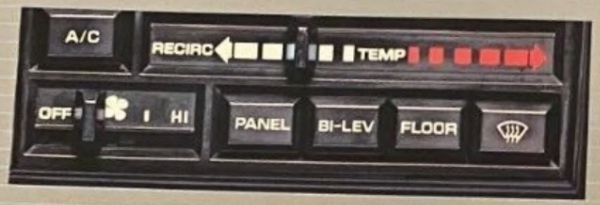
*Uniprime is a trademark of PPG Industries, Inc.

Options

A WORLDLY TOUCH.

AIR CONDITIONING*
Four-speed blower forces cooled air through four adjustable upper instrument panel outlets. Bi-level ventilation directs 70 percent of cool air through instrument panel outlets and 30 percent through lower outlets under panel. When sliding switch is in the RECIRC position, it cuts off outside air and recirculates interior cool air for maximum cooling.

*There are special requirements for field-installed air conditioning. Failure to meet these requirements may invalidate warranty. See your dealer for details.



ILLUMINATED ENTRY SYSTEM.
Pull the door handle, and Lancer's interior and door lock cylinders light up for easy entry and added security. (Available on Lancer ES only; not available with mechanical instrument cluster.)

ULTIMATE SOUND SYSTEM.
With AM stereo*/FM stereo radio, electronically tuned six-speaker sound, up-and-down scan, memory scan, cassette tape player with metal tape capability, ambient sound control, five-channel graphic equalizer with ON/OFF control, and joystick speaker control. Radio and cassette player utilize Dynamic Noise Reduction (DNR)†

*Limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this radio's reception capability.
†DNR (Dynamic Noise Reduction) is a trademark of the National Semiconductor Corporation.

ELECTRIC REAR WINDOW DEFROSTER AND WASHER/WIPER.
Keep the view behind you clear in all kinds of weather and driving conditions.

SUN ROOF.
Newly designed hinged flip-up removable glass sun roof with spring-loaded air deflector to help eliminate wind blast. Includes storage bag and tie-down straps.

AUTOMATIC SPEED CONTROL.
Take the strain out of long distance driving—and save gas, too. Clustered with standard headlamp dimmer and turn signals on a multifunction stalk. (Deluxe intermittent wipers required.)

POWER WINDOWS AND DOOR LOCKS.
Add security as well as comfort with power windows and door locks with easy-access controls.

ELECTRONIC NAVIGATOR.
Vacuum fluorescent alpha-numeric display for range in miles, estimated time of arrival, distance to destination, time/day/month/date, average miles per gallon, current miles per gallon, fuel remaining, average speed, trip odometer, elapsed time. (Available on Lancer ES only as part of Electronic Features Packages I and II.)

ELECTRIC REMOTE CONTROLLED OUTSIDE MIRRORS.
Dual remote controlled power-adjustable outside mirrors aerostyled in black. Driver-oriented controls are positioned near your fingertips on the driver door mount.

CAST ALUMINUM ROAD WHEELS.
Set of four stylized 14-inch or 15-inch road wheels to add an even sportier appearance to your touring sedan.

STANDARD AND OPTIONAL EQUIPMENT

Item	Lancer	Lancer ES
Accessory Pkgs.—Electronic Pkg. (includes AM stereo/FM stereo radio with cassette tape player, 6 speakers, graphic equalizer, joystick speaker control, Dynamic Noise Reduction)	—	S
Air Conditioning—Manual temperature control and bi-level ventilation; with maximum engine cooling	E	E
Air Dam—Front, black	NA	S
Alternator—90-ampere	S	S
Applique Tape—Upper door frames and pillars, black	NA	S
Battery—135-amp maintenance-free low-profile with test indicator	S	S
Battery—500-amp maintenance-free low-profile with test indicator	E	E
Brakes—Power, front disc, rear self-adjusting drum	S	S
Bumpers—Front and rear energy-absorbing, with soft fascia; premium full-length and integral bumper guards	S	S
Cargo Area Security System—Defeat mechanism to prevent liftback from opening without key, and rear seat from folding down	S	S
Carpeting—Passenger compartment, cargo compartment, floor and door trim panels	S	S
Chimes—Warning (driver's ignition, seat belts, headlamps on (not available with Electronic Voice Alert)	S	S
Clock—Digital, integral with radio	S	S
Console—Armrest, front center, with storage bin and rear seat courtesy light; vinyl (not available with mechanical instrument cluster)	F	S
Console—Front shift lever, includes cubby box, ash receiver, cigar lighter, side carpet, and removable coin holder on Lancer (not available with mechanical center cluster) (carbon armrest)	S	S
Corrosion Protection—Extensive use of galvanized steel and urethane protective coating on lower body panels	S	S
Defroster—Rear window, electric	E	E
Demisters—Side windows	S	S
Door Locks—Power	E	E
Electronic Ignition—Voltage regulator and spark advance	S	S

Item	Lancer	Lancer ES
Emissions Control and Tuning—Requires fuel with unleaded fuel (in California, not available elsewhere)	E	E
Fuel Filler Cap, Remote	S	S
Fuel Filler Door—Remote cable release; with overrides in door handle and ignition	S	S
Fuse Box—Includes spare fuse holder, fuse removal pliers (one section)	S	S
Glass—Tinted bonded liftback glass and rear quarter glass (sunbelt)	E	E
Headlamp Switch—With one delay (not available with mechanical instrument cluster)	NA	S
Headlamps—Halogen, quad	S	S
Heater—Bi-level, Ram Air ventilation	S	S
Hood—Counterbalanced, inside release	S	S
Illuminated Entry System—Not available with mechanical instrument cluster	NA	E
Instrument Cluster—Electronic, digital and analog display w/Auto Illuminated (ILL) flashing alert with gauges for oil pressure, engine coolant temperature, fuel and voltage; tachometer (0-7000 rpm); speedometer (0-140 mph); trip odometer; speedometer (0-04 mph); odometer; electronic scale); warning light module	NA	S
Instrument Cluster—Mechanical, analog display magnetic gauges for oil pressure, engine coolant temperature, fuel and voltage; tachometer (0-7000 rpm); speedometer; speedometer (0-85 mph); warning light module (not available with illuminated entry system); headlamp timer delay switch or Electronic Features Packages I and II	S	NC
Instrument Panel—Bezel, black	S	S
Liftback—Rear, with gas-assist props; remote interior cable release	S	S
Lights—Courtesy, front and rear, door; with dual color lens	NA	S
Lights—Courtesy, rear seat (available with front center armrest) console only	P	S
Light Module—Warning (included with electronic instrument cluster); headlamp high beam on; parking brake on; hydraulic brake failure; engine overheat (at low oil pressure); power loss; beam seat belt; shift indicator (manual transaxle only; not available with cube engine); fuel signal indicator	NA	S

Item	Lancer	Lancer ES
Light Module—Warning (included with mechanical instrument cluster); check gauges; parking brake on or hydraulic brake failure; low fuel; power loss; beam seat belt; shift indicator (manual transaxle only; not available with turbo engine); turn signal indicator	S	NC
Lights—Cargo, dome, glove box, side marker, trunk (trunk with trunk lid)	S	S
Map Pockets—Front doors	S	S
Mats—Floor, front and rear	E	E
Message Center—Car graphic outline with warnings for door ajar, liftback ajar, and washer fluid low; incandescent	S	S
Mirror—Exterior, left remote control, black, aero-style	F	E
Mirror—Interior, rearview, day/night	S	S
Mirror—Interior, sight visor vanity, illuminated	F	E
Mirrors—Exterior, dual electric remote control, black, aero-style	E	E
Mirrors—Exterior, dual manual remote control, black, aero-style	F	E
Molding—Sill, black	NA	S
Moldings—Belt (with bright edge), bodyside (narrow, black with bright edge), liftback glass surround, windshield, black	S	S
Moldings—Quarter window, upper door, front, bright	S	S
Multifunction Steering Column Lever—Includes controls for windshield wiper/washer, headlamp dimmer, turn signals, lane change feature, and optional horn	S	S
Paint—Two-tone	NA	S
Radio—AM/FM stereo, electronic tuning, four speakers, fixed mast antenna, digital clock	E	E
Radio—AM stereo/FM stereo, premium, electronic tuning, Seek-and-Scan, cassette player with automatic reverse, Dynamic Noise Reduction (DNR), six-speaker sound, integral digital clock	S	S
Radio—AM stereo/FM stereo, Sirius® Ultimate Sound System, electronic tuning, memory scan, up-and-down scan, cassette player with automatic reverse and metal tape capability, Dynamic Noise Reduction (DNR), five-channel graphic equalizer, joystick speaker control, integral digital clock	E	E

Item	Lancer	Lancer ES

Rear Spoiler—Sport compact, 1115/70D14	S	NA
Tire—Spare, compact, T125/70D14 (recessed mount; fly (required with P195/70R14 or P205/60R15 tires)	P	S
Tire—Spare, conventional matching (not available with P195/70R14 or P205/60R15 tires)	E	NA
Tires—P185/70R14 steel-belted radial, black sidewall (four)	S	NA

Item	Lancer	Lancer ES
Tires—P185/70R14 steel-belted radial, raised white letters, performance handling (four)	E	NA
Tires—P195/70R14 steel-belted radial, raised black letters, performance handling (four)	S	S
Tires—P205/60R15 (5-spoke) steel-belted radial, raised black letter (four; 15-inch cast aluminum wheels required)	F	E
Undercoating	E	E
Visors—Sun, left with Storage pocket, right with vanity mirror	S	NA
Wheel Covers—Deluxe, 14-inch	S	NA
Wheels—Cast aluminum, road, 14-inch, five-spoke mounting (set of four)	F	E
Wheels—Cast aluminum, 15-inch, five-spoke mounting (set of four P205/60R15 tires required)	F	E
Wheels—Styled steel, 14-inch with bright rim ring and chrome lug nuts, five-spoke mounting (set of four)	E	NA
Speed Control—Automatic (electronic with memory)	E	E
Steering—Rack-and-pinion, flat-plate precision-feel, power assisted	S	S
Steering Column—Tilt (electronic with memory)	E	E
Steering Wheel—Deluxe	E	E
Steering Wheel—Euro-sport	NA	S
Stripe—Side bodyside	S	S
Stripe—Tape, liftback	NA	S
Sun Roof—Removable, includes air-deflector glass storage bag, and on-board fitting kit	F	E
Suspension—Rear touring includes gas-charged dual-path front tie-rods and gas-charged rear shocks, antiway bars front and rear, and rear shock support bar	S	NA
Suspension—Sport handling includes higher control gas-charged dual-path front tie-rods, front and gas-charged rear shocks, performance-tuned springs and antiway bars front and rear, and rear shock support bar	P	S
Tire—Spare, compact, T115/70D14	S	NA
Tire—Spare, compact, T125/70D14 (recessed mount; fly (required with P175/70R14 or P185/60R15 tires)	P	S
Tire—Spare, conventional matching (not available with P175/70R14 or P185/60R15 tires)	E	NA
Tires—P185/70R14 steel-belted radial, black sidewall (four)	S	NA

TWO-TONE PAINT (optional both models)

Optional on Lancer ES.
Leather look-black premium bucket seats with increased lateral support, adjustable head restraints and reclining seatbacks. Available in Black, Red, Silver, Tan.

Standard on Lancer.
Cloth three-frame bucket seats with adjustable head restraints and reclining seatbacks. The optional cloth center folding armrest and cushion shown requires automatic transaxle and console (shifter). Available in Black, Red, Silver, Tan.

Standard on Lancer ES.
Cloth three-black-perform mono bucket seats with increased lateral support, adjustable head restraints and reclining seatbacks. Available in Black, Red, Silver, Charcoal, Light Medium Tan.

steering column lock • Anti-theft trunk lock • Headlamp and wiper circuit breakers, with automatic reset • Key-left-in-ignition warning • Nonremovable door locks (except driver's door) • Resilient, window-frame knobs • Safe door beams • Dual throttle return springs • Interlocking door latches • Recessed inside door release handles • Rotary-type door latch • Reinforced windshield header and roof • Outer reduction measures for windshield wipers, instrument panel, and steering wheel • Double bath-tub seamless interior mount • Shatter-resistant glass • Impact-actuated fuel supply shutdown (FSS)

OPTIONAL PACKAGES AND GROUPS

Packages, groups, and options are subject to specific restrictions, requirements, or sale availability. See your dealer for full details and limitations.

ELECTRONIC FEATURES PACKAGES I AND II (Available Lancer ES; not available with mechanical instrument cluster)*

Item	Package I	Package II
Battery—400-amp heavy-duty	X	X
Illuminated entry system	X	—
Illuminated visor vanity mirror—right	X	—
Electronic Navigation**	X	X
Electronic Voice Alert**	X	X

*Available in package only.
**Electronic Navigation—Voice Alert—vehicle warning messages system. Requires Electronic Features Package II. Not available with Sirius Satellite Radio. Not available with Lancer ES with turbo engine or optional rear wiper/washer. Not available with Lancer with turbo engine or optional rear wiper/washer.

TURBO SPORT PACKAGE

• 2.2-liter multipoint EFI turbocharged engine (includes hood louvers, engine cover, turbo lights*, engine gauge, bright exhaust tip, and turbo hood insulator) • Sport handling suspension (standard on Lancer ES) • 14-inch cast aluminum road wheels • P175/70R14 steel-belted radial raised black letter performance tires • Rear spoiler • Lower bodyside and door window frame surround tape stripes (standard tape stripes deleted)* • Dual outside manual remote control mirror, black • Black moldings for bed, quarter window, and door window frames (standard moldings deleted)* • "Turbo" decals on fenders and hood* *Available in package only.

CENTER FOLDING ARMREST AND CUSHION PACKAGE

Pack available on Lancer ES; not available with center armrest console; automatic transaxle with column shifter required; front shift console deleted.)
• Folding center cloth armrest and cushion* • Tilt steering column, speed-sensitive* • Instrumentation panel mounted ash receiver and cigar lighter*
*Available in package only.

POPULAR EQUIPMENT DISCOUNT PACKAGE

• Console (armrest standard on Lancer ES, not available with center cushion armrest) • Electric rear window defroster • Tinted glass • Light Package (standard on Lancer ES) • Dual manual remote control mirrors • Automatic speed control • Tilt steering column • Windshield wipers with intermittent wipe feature

LIGHT PACKAGE

(Standard on Lancer ES.)
• Map lights (left) • Ignition switch with time delay light* • Courtesy light below instrument panel* • Underhood light* • Trunk reminder light*
*Available in package only.

SPORT HANDLING PACKAGE

(Standard on Lancer ES.)
• Sport handling suspension includes higher control gas-charged dual-path front tie-rods, and gas-charged rear shocks and performance-tuned springs) • P185/70R14 steel-belted radial raised black letter performance tires • T125/70D14 compact spare tire

SPORT HANDLING PACKAGE II

• 15-inch cast aluminum road wheels • P205/60HR15 steel-belted radial raised black letter performance handling tires • Sport handling suspension (standard on

STANDARD SAFETY FEATURES

• Safety-rim wheels • Combination lap-shoulder belts for the driver and right front passenger, and lap belts for all other passengers • Seat belt reminder system • Energy-absorbing steering column and steering wheel • Dual braking system with separate brake fluid reservoirs in the master cylinder • Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) • Hazard-warning flasher system • Turn signals with lane-change feature • Backup lights • Energy-absorbing instrument panel and sun visors • Front seat head restraints • Energy-absorbing front seatbacks • Inside and outside rearview mirrors • Side marker lights and reflectors • Seat-back latches on folding front seats • Rear-moisture front door, rear brakes • Electric windshield washers and wipers • Ignition and

Cargo Capacity (rear seat up)	10.3 cu. ft.
Cargo Capacity (rear seat down)	38.3 cu. ft.
Fuel Capacity	15 gal.

CONSIDER LEASING

In these days of tight money and high interest rates, more consumers are considering leasing as an alternative to buying. Leasing a new Dodge Lancer usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based on the latest information available at the time of publication. Chrysler Corporation reserves the right to change specifications, prices, or discontinue models without notice. Some vehicles shown are not available in all areas. Availability of options may vary. See your dealer for the most current information.

Form No. 81-051-921 Printed in U.S.A.

At Chrysler we have one and only one ambition: To be the best! What else is there?

That's why we helped convert a smokestack industry into a high-tech industry with robotics, lasers, and highly advanced computers. And that's why today we are building high mileage, front-wheel drive products with outstanding quality. As a result, we have led the American automobile industry with unprecedented warranty coverage. We have proved that "Made in America" means something again.

Chrysler has made major strides in quality which have resulted in a total commitment to stand behind our products. No manufacturer has the right to ask people to buy its products unless it has the confidence to back them. Chrysler has made a unique promise: To back every Dodge we build for five years or 50,000 miles on engine, drive train and outer body rust-through. Nobody else has made that promise.

Today every man and woman at Chrysler has a commitment–a commitment to build the best cars and trucks in the world. Quality. Hard work. Commitment. This is the stuff America is made of. And this is the stuff Chrysler is made of.

CHRYSLER CORPORATION
We Don't Want To Be The Biggest.
Just The Best.

FIVE-YEAR/50,000-MILE PROTECTION PLAN

Warranty protection is a matter of confidence. And Chrysler Corporation is so sure of the care and precision that go into each Lancer that they offer the Five-Year/50,000-Mile Protection Plan. It speaks for itself.

Upon expiration of the normal 12-month/12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components, including engine, transaxle, axle and turbocharger–plus outer panel rust-through protection–to five years/50,000 miles, whichever comes first. A deductible may be required. Fleet and lease vehicles excluded. See your dealer for details.

OPTIONAL 5/50 SERVICE CONTRACT COVERAGE.

The 5/50 Added Coverage Service Contract (in Florida, Added Value Plan) provides protection against rising service and parts costs for specified major repairs not included in the 5/50 Protection Plan. Coverage starts on the specified components in the plan after your vehicle's basic 12-month/12,000-mile warranty expires on these components and continues for five years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies.

The plan provides an allowance for alternate transportation and towing. Ask your dealer for details.

Buckle up for safety.
