

CAPRICE

1991

THE CLASSIC NORTH AMERICAN FULL-SIZE CAR, REDEFINED.

This is Caprice for 1991, the totally uncompromised full-size Chevrolet.

Chevrolet

A Chevrolet that:

- **seats six** in the most spacious interior in Caprice history
- is built on a solid **perimeter-type frame**, with a **long wheelbase** of 2,945 mm (115.9 in.), **rear-wheel drive** and proven **Full Coil suspension** for unsurpassed riding comfort
- features a standard **5.0 litre V8 engine** with proven durability, Electronic Fuel Injection, and a **4-speed automatic overdrive transmission**
- now includes safety and advanced technology like **standard Bosch ABS II anti-lock braking system**, **standard driver-side Supplemental Inflatable Restraint system (air bag)**, and corrosion-resistant **two-sided galvanized steel** for most exterior surfaces.
- **combines all of the above technology and features never before seen at a Chevrolet price**
