

# Ford Laser Wagon.

**Have you driven a Ford... lately?**

For those people who want a good looking, stylish car, with high levels of comfort, and driver appeal, and with the added practicality of a wagon, look no further than the Laser GL Wagon.

Look under the bonnet. The 1.6 litre engine promises sharp performance and it is matched to an economical 5-speed manual transmission.

Or for a little extra you can enjoy the conven-

ience of the three speed automatic transmission.

Open the tailgate and look in the back and you'll find plenty of space for loads of gear. And the Laser Wagon offers the versatility of a 50/50 split fold down rear seat backrest.

Laser GL wagon is feature packed and includes cloth seat trim, tinted side and rear glass, rear demister/wiper, remote

fuel release and an electronic tune AM/FM radio/cassette with two speakers and a programmed anti-theft feature.

Whether it's scooting about town, taking the kids to school, or getting away to the beach for fun, you'll find the Laser GL wagon is the car you've been looking for.
