Fairmont Ghia has always been a leader in luxury and style. Now, to celebrate 75 years of Ford production in Australia, we've built a Fairmont Ghia which combines the highest levels of luxury and sporty performance ever.

Unique new 17-inch alloy road wheels give it a sporty yet elegant stance. The side skirts and rear deck lid spoiler add more to the performance flavour.

The interior gains rich Howe leather trim as standard, embossed with the distinctive 75th Anniversary emblem and front and rear floor mats. A luxury Momo steering wheel adds to the vehicle's prestige and style providing excellent grip and control. For peace of mind, an alarm system is fitted. And distinctive, commemorative 75th Anniversary badging marks this Fairmont Ghia as a model like no other ever built.

As with every Fairmont Ghia, our limited edition also includes 'Scheduled Servicing to 60,000km',* which covers parts, labour and lubricants.

You will also receive a copy of the limited edition 'The True Blue Oval'.

Every purchaser receives a copy of 'The True Blue Oval', a book specially commissioned to record and celebrate Ford's first 75 years of production in Australia. So, while it's our birthday, we want you to celebrate.
