

Celebrating the 75th Anniversary Limited Edition Futura.

The 75th Anniversary Falcon Futura. A car so special it's cause for celebration.

After 75 years of production in Australia we're celebrating here at Ford. So put on your party hat because the new 75th Anniversary limited edition Falcon Futura is now available.

This celebratory package is loaded with extra features including a six-stack CD player with 6 speakers, front and rear power windows, unique velour style seats, a leather wrap steering wheel and carpet mats, all of which adds up to legendary value.

And outside you'll discover a new, sportier exterior with unique 16-inch alloy wheels, sporty side skirts, chrome surround grille plus bumper and side protection moulding inserts. Further visual enhancement can be provided by our exclusive 75th Anniversary Sand Storm colour, or a choice of four other prestige colours. Commemorative badging completes the effect.

Of course, with just 1250 to be built not everyone can have one. So don't miss the celebrations. See your Ford Dealer today.
