FJ Cruiser

 **TOYOTA**
make things better

make things better.

Three words that influence everything we do at Toyota. They shape our commitment to safety and reliability, proven by the fact that 80% of Toyotas built in the past 20 years are still on the road today*.

They are words that inspire innovation, with breakthrough technologies like our Hybrid Synergy Drive and the Star Safety System™. They shape our commitment to this country, from our Canadian manufacturing plants, to the programs we support in communities big and small. At Toyota, we all strive to make things better, in our products, our services and in the lives of our customers. It's how we approach everything we do, every day.

FRONT COVER

Sequoia Limited shown in Pyrite Mica.

4Runner SR5 V6 shown in Salsa Red Pearl.

FJ Cruiser with optional equipment shown in Cavalry Blue.

*Based on R. L. Polk Canada Inc. Canadian Vehicle In Operation data as of July 1, 2008, for model years 1989-2008. Actual longevity of any vehicle will vary based upon operating conditions.

Sequoia

4Runner

FJ Cruiser

When it comes to Toyota SUVs, we make them rugged and ready for everything you want to do. And after one look at the 2012 Sequoia, 4Runner and FJ Cruiser, it's tough to argue that these aren't some serious vehicles. Like the Sequoia, which lives up to its name with power, versatility and luxury features that make it stand out from the pack. Then there's 4Runner, which is equipped with advanced technology to handle whatever you can throw at it – in comfort and style. And finally there's the FJ Cruiser. Steeped in Toyota Landcruiser heritage, the FJ is always ready to tackle Canada's most rugged terrain. Make your choice. And discover how when it comes to SUVs, Toyota really does make things better.

Sequoia Platinum shown in Pyrite Mica.

4Runner SR5 V6 with Limited Package
with Navigation shown in Shoreline Blue Pearl.

FJ Cruiser shown in Quick Sand.

Sequoia

SR5 4.6L V8
Limited 5.7L V8
Platinum 5.7L V8

FUEL CONSUMPTION²

SR5 15.6 City/10.8 Highway L/100 km
4.6-litre, i-Force V8 with automatic transmission
Limited/Platinum 17.2 City/11.9 Highway L/100 km
5.7-litre, i-Force V8 with automatic transmission

SELECT FEATURES

- Power-assisted, 4-wheel ventilated disc brakes.
- 6-speed automatic Super Electronically Controlled Transmission with lock-up torque converter, transmission cooler.
- Integrated XM® satellite radio, audio auxiliary input jack, USB audio input, Bluetooth®³ capability, diversity antenna, glass imprinted antenna.
- Auto-dimming rear view mirror with digital compass.
- Power liftgate window.
- Rear seat DVD entertainment system, 9-inch LCD display, audio/DVD remote-control. (standard on Platinum and optional on Limited)
- Driver and front passenger power heated captain seats.
- Middle row seat with reclining seat back.
- 60/40 power flat folding 3rd row split bench seat.
- Tri-Zone automatic climate control with steering wheel controls.
- Mirrors with memory system, puddle lamps and reverse auto tilt. (Limited and Platinum only)

A. Platinum shown in Silver Sky Metallic.

B. Whoever said luxury and adventure didn't belong together, certainly never drove the Sequoia Platinum model. It hosts an array of premium features like heated front and second row leather captain seats, a DVD based navigation system⁴ with backup camera, and a 14-speaker JBL® sound system.

C. The overhead sunglass storage allows easy access for your eyewear.

D. Sequoia features a sliding 2nd row to give your passengers more legroom. (Limited shown)

E. 60/40 power flat folding 3rd row split bench seat.

F. The 10 cup-holders and 8 bottle-holders will keep your passengers refreshed throughout your travels.

4Runner

SR5 V6

FUEL CONSUMPTION²

12.6 City/9.2 Highway L/100 km
4.0-litre, V6 with automatic transmission

SELECT FEATURES

- Part-time 4WD system.
- Power-assisted, 4-wheel ventilated disc brakes.
- AM/FM CD/MP3 player, 8-speakers, audio auxiliary input jack.
- Power 8-way driver's seat.
- Dual heated, power adjustable mirrors.
- 4-spoke tilt and telescopic steering wheel.
- Eco drive monitor with multi-information display, trip computer.
- Rear clearance sonar.
- Two front and one rear auxiliary power outlets (12v).
- 17-inch aluminum alloy wheels.
- Kinetic Dynamic Suspension System. (Trail Edition only)
- Hill-Start Assist Control (HAC).
- Full-time 4WD system and X-REAS Sport Suspension.⁹
[Limited Package with Navigation only]

Survival in the wilderness favours the strong. Thankfully the 4Runner SR5 V6 is engineered to rise above the elements and overcome almost any obstacle. Beneath its rugged exterior, there's a durable body-on-frame construction and advanced traction technologies for true off-road capability. Under the hood is an impressive 270 hp V6 Dual VVT-i engine with 278 lb.ft. of torque, which simultaneously optimizes both power and fuel efficiency so you can have all the muscle you need. Inside, the luxurious and spacious cabin features increased head and hip room so that everyone can experience first class treatment while still roughing it in the outdoors.

A. 4Runner SR5 V6 Trail Edition shown in Classic Silver Metallic.

C. For specific off-road conditions, there are two driver-selectable features. To enhance off-road performance and traction, Multi-terrain Select lets you choose from four terrain modes: "Mud and Sand," "Loose Rock," "Mogul," or "Rock." For off-road obstacles using extremely low-speeds, the Crawl Control modulates the electronic throttle and brakes, so that you can focus more attention on steering. (Trail Edition only)

D. 4Runner's versatility is evident in its second-row seat. Recline it and relax. Or fold its 40/20/40 seat sections to create a variety of passenger and cargo-carrying configurations.

F. Unlock doors, open or close the power sliding rear window all at the push of a button with the Smart Key System. (Limited Package with Navigation only)

B. Make getting lost a thing of the past with the available Voice-activated DVD Navigation System⁴ with Backup Camera, which includes XM[®] Real-time Traffic Capability⁴ and a 4-disc CD Changer.

E. 4Runner's spacious rear cargo area is available with a sliding rear cargo deck that can hold up to 200 kg [440 lb]. (Trail Edition only)

FJ Cruiser

V6

FUEL CONSUMPTION²

12.4 City/9.5 Highway L/100 km
4.0-litre, V6 with automatic transmission

SELECT FEATURES

- 17-inch aluminum alloy wheels.
- AM/FM CD/MP3/WMA player, 6-speakers, Bluetooth^{®3} capability, USB audio input, integrated XM[®] satellite radio, audio auxiliary input jack, steering wheel audio and Bluetooth^{®3} controls.
- 60/40 split rear bench seat with fold-down seat back.
- Water repellent fabric seat covers.
- Black-on-white gauges, tachometer, voltmeter, water temperature gauge.
- Power windows and door locks.
- Large, easy-to-operate door handles and heater controls.
- High solar energy absorbing window glass.
- Flip-up rear hatch glass.
- Rubber type floor and deck.
- Two-tone colour-keyed body with white roof.

Whether you are travelling through uncharted wilderness paths, or the unpredictable urban asphalt jungle, the 2012 FJ Cruiser is capable of handling virtually any type of road condition. Its interior embraces an active outdoor lifestyle with its easy to clean water repellent seat covers and rubber type flooring. Space should never be an issue with FJ Cruiser. It seats you and four passengers comfortably and if additional room is needed for your equipment, the rear seats can fold down to give you 1.89 cubic metres (66.8 cubic feet) of cargo space.

A. FJ Cruiser with optional equipment shown in Cavalry Blue.

B. FJ Cruiser interior shown in Dark Charcoal with colour-keyed centre audio and climate control console.

C. Steering wheel with Bluetooth^{®3} and audio controls. D. The spacious 1.89 cubic metres of cargo space comes in handy for storing all your gear. E. The optional dash mounted multi-information display features an outside temperature gauge, inclinometer and compass to help you familiarize yourself with your outside surroundings.

FJ Cruiser shown in Silver Fresco Metallic.

Safety

STAR SAFETY SYSTEM™ 2012 Sequoia, 4Runner and FJ Cruiser come standard with the Star Safety System™. This integration of active safety features is designed to protect occupants by helping drivers avoid accidents in the first place. The Star Safety System™ includes Vehicle Stability Control (VSC),⁵ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA),⁶ and Smart Stop Technology (SST).⁷

VSC VEHICLE STABILITY CONTROL

Helps prevent slips and loss of traction by reducing engine power and applying the brake force to the wheels that need it.⁵

TRAC TRACTION CONTROL

Helps maintain traction on wet, icy, loose or uneven surfaces by applying brake force to the spinning wheel[s].

ABS ANTI-LOCK BRAKE SYSTEM

Prevents brakes from locking up by “pulsing” brake pressure to each wheel to help you stay in control in emergency braking situations.

EBD ELECTRONIC BRAKE-FORCE DISTRIBUTION

Redistributes brake force to help keep the rear wheels from locking up during sudden braking situations.

BA BRAKE ASSIST

Detects sudden or “panic” braking and adds the full pressure needed to help prevent a collision.⁶

SST SMART STOP TECHNOLOGY

Smart Stop Technology is designed to reduce engine power when the brake is firmly applied helping to bring the vehicle to a stop, even if the accelerator pedal is fully depressed.⁷

Toyota was the first full-line manufacturer to make all of the elements of the Star Safety System™ standard on every new vehicle. Visit toyota.ca for more details.

Sequoia

Sequoia SR5 shown in Silver Sky Metallic.

When it comes to challenging road and traffic conditions, Sequoia helps deliver peace of mind with its standard Supplemental Restraint System, which consists of eight airbags¹: dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags, and driver and front passenger knee airbags.

SELECT FEATURES

- Engage the dynamic laser cruise control and Sequoia can help maintain a safe distance from other vehicles by using a front bumper laser range finder which gauges the distance of vehicles ahead and adjusts driving speeds accordingly. (Platinum only)
- Rear view backup camera.
- Front and rear clearance sonar detects and measures the vehicle’s distance to objects.
- Child Restraint System includes lower anchors on all second row seats and tether anchors in all second and third row seats.
- Three point seatbelts in all seating positions. Front seats have pretensioner and 2-step force limiter. 2nd row seats have adjustable shoulder anchors and pretensioners.
- Vehicle anti-theft system.
- Blind spot monitor system. (Limited and Platinum only)

4Runner

4Runner shown in Salsa Red Pearl.

Vehicles that take on difficult off-road terrain have to be more than just tough. The 4Runner comes standard with eight airbags¹ that include: dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags, and driver and front passenger knee airbags.

SELECT FEATURES

- Multi-mode one touch 4WD system.
- Downhill Assist Control (DAC), Hill-Start Assist Control (HAC).
- Power-assisted 4-wheel ventilated disc brakes.
- Keyless entry.
- Front passenger airbag occupancy classification indicator.
- All-position 3-point lap and shoulder belts.
- Front seatbelt pre-tensioners with force limiters.
- Anchor points for child restraint seats.
- Active front headrests with whiplash protection.
- Engine Immobilizer.
- Side impact protection door beams.
- Rear clearance sonar.
- Direct tire pressure monitoring system.

FJ Cruiser

FJ Cruiser shown in Army Green.

The rugged FJ Cruiser is loaded with advanced safety features to help keep you in control, whether you’re cruising the smooth city roads, or tackling the Canadian wilderness. It features six standard airbags¹, which include: dual-stage driver and front passenger airbags, front seat-mounted side airbags, and roll-sensing front and rear head/side curtain airbags.

SELECT FEATURES

- Engine, fuel tank and transfer case protector plates.
- Choice of two transmissions: a 6-speed manual that operates in full-time 4WD or a 5-speed automatic Super Electronically Controlled Transmission with a gate-type shifter and lock-up torque converter that delivers part-time 4WD.
- Power-assisted 4-piston front disc brakes and 2-piston rear ventilated disc brakes.
- Illuminated entry.
- Front seatbelt anchor height adjusters.
- Anchor points for child restraint seats.
- Active front headrests with whiplash protection.
- Engine Immobilizer.
- Side impact protection door beams.
- Power rear door lock.
- Direct tire pressure monitoring system.

Accessories

Personalize your vehicle to enhance its appearance and performance with Toyota Accessory Parts. Your Toyota Dealer can help you select the right accessories to suit your individual style. Many of Toyota's Accessory Parts can be residualized or advanced through Toyota Financial Services when purchased at the time of a new vehicle sale, and all are backed by a Toyota Warranty. To view a complete list of accessories specifically designed for your vehicle, visit customizeyourtoyota.ca, your local Dealer or toyota.ca.

Discover more with Toyota

At Toyota, our goal is to continuously make things better for you. That's why we offer a wide range of programs and services before and after your vehicle purchase designed to help make your Toyota experience the best it can be.

Fewer emissions and pollutants.¹ More kilometres on less fuel. And designed with power and performance in mind. Available in Prius, Prius v, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. With Toyota Genuine Parts and factory-trained technicians, only your Toyota Dealer can deliver the quality service experience that you and your Toyota deserve.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners. Benefit from an abundance of interactive services, and information conveniently at your fingertips. Register today at clubtoyota.ca.

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's affordable peace of mind. Consult your Toyota Dealer for details.

The Toyota Mobility program is dedicated to addressing the transportation needs of Toyota Owners who have a disability, or know a family member with a disability or mobility issue. The program offers cash assistance, resource information and financing for adaptive equipment for their vehicle.

All new Toyota cars and trucks include a full tank of gas, roadside assistance and floor mats.

¹Compared against similarly equipped conventional gasoline powered vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements.

New vehicle warranty summary

NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

Committed to Canadians, today and tomorrow.

Being a leader in the automotive industry does not simply begin and end with making great vehicles. It also means being a leader in the community. Toyota Canada and its dealerships across Canada fund the Toyota Canada Foundation, a non-profit organization that works to make a difference for Canadians, through direct community involvement supporting the environment, education and safety.

Through initiatives as diverse as the Toyota Earth Day Scholarship Program, Scientists in School, the Traffic Injury Research Foundation, and even the Toyota Volunteer Training Days program with Special Olympics Canada, the Toyota Canada Foundation is committed to Canadian communities, today and tomorrow.

Please see your Toyota Dealer for details.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.

^[1] All Toyota vehicles shown in this brochure, have Supplemental Restraint Systems (SRS) which, depending on the model, may include driver and front passenger airbags, a driver's knee airbag, front seat-mounted side airbags or side curtain airbags. For important safety information about the Supplemental Restraint System in a vehicle, please see the Owner's Manual or contact your local Toyota Dealer.

^[2] These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*.

^[3] Toyota tests certain phones for compatibility with Bluetooth technology. Some vehicles equipped with Bluetooth technology are available with bilingual capability. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area. Please see your Toyota Dealer for details.

^[4] The Toyota Navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely on your common sense to decide whether or not to follow a specified route. Detailed coverage is not available in every city. Optional periodic geographic updates are available at an additional cost. The Navigational systems in some vehicles are available with bilingual capability. Please see your Navigation system Owner's Manual and your Toyota Dealer for further details.

^[5] Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control.

^[6] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

^[7] Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping.

^[8] Ratings achieved using Premium fuel.

^[9] X-REAS Sport Suspension does not increase payload.

At Toyota, **quality**, **safety** and **sustainability** are built into every vehicle we make. To learn more about Toyota's commitment to manufacturing safe, high quality, long lasting vehicles – and to see the awards we've won for doing just that – visit **toyota.ca**.
